Oral Answers to Questions

(a) Whether it has been brought to the notice of the Govt, that 40% of water is being wasted due to improper maintenance of canals of Nizamsagar Project; and

(b) If so, the steps being taken to prevent the wastage?
4 3rd March, 1986 Oral Answers to Questions

Sri Basheeruddin Khan (Bodhan):— The Nizamgar Canal system is indeed in a terrible shape. The Government constituted a committee (of which I am also a Member) to re-examine as to how the canals can be remodelled and modernised so that seepage is minimised, as it is about 40%. I have visited the canal. Whatever repairs have been done, have been done in a haphazard manner. The money is wasted. I would like the hon. Minister to examine whether or not the funds have been properly used.

Sri K. E. Krishnamurthy:— The Member has said that he is one of the members of the committee. They have not yet submitted their report. As soon as we receive the report, we shall take necessary steps in the matter.

(c) the action taken by the Government to evict the encroachers and to see that the construction work is continued without being obstructed?

A.—

(a) Yes, Sir,

(b) Yes, Sir,

(c) The stay granted by Government was vacated in Government Memo No. 2047/L2/84; dated 23-8-1985 and the Collector, Guntur was requested to get the encroachers evicted without further loss of time and if there is possibility alternate sites may be provided only to the eligible encroachers.
Exemption of Village Development Officer for Attending Agricultural work

102—

1363-(G) Q.—Sarvasri V. Venkateswara Rao, D. Venkata Rao and S. Venugopala Chari—Will the Minister for Panchayati Raj and Rural Development be pleased to state:

(a) whether it is a fact that the Government have issued a G.O. exempting the Village Development Officers for attending the agriculture work;

(b) if so, the reasons thereof?

(c) whether there is any proposal to withdraw the said G.O.?

A.—

(a) In the context of the implementation of T. & V, system in the State for increased Agriculture Production under Agricultural Extension Project with the assistance of the World Bank, the Government have issued orders in June, 1985 deleting Agricultural Extension work from the job chart of the Village Development Officers excepting Agriculture Extension work all other items of Agriculture and allied Agriculture activities like distribution of Agriculture inputs, i.e., seed pesticides, Fertilizers and the work relating to distribution of Mini-kits and collections of loan application and implementation of other Agricultural programme of D.R.D.A., D.P.A.P., I.T.D.A., and S.C., S.T. and B.C. Corporation etc., are still with the Village Development Officers. This position was also clarified to all Collectors, Zilla Parishads and Panchayat Samithis in Memo. No. 67604/Sam 111/831, dt. 29-8-85. The Agriculture Extension work is entrusted to Village Extension Officers of Agriculture Department under the T. & V system.

(b) The T. & V system under Agriculture Extension Project of the World Bank contemplates improving the organisational structure and methodology of Agricultural Extension scheme by establishing single line of command with the full time village extension workers and the extension Headquarters. The Job Chart of village Development Officers, has undergone a number of changes with introduction of several new schemes like I.R.D.P., D.P.A.P., I.T.D.A., S.C., S.T., and B.C. Corporation scheme, and Workers section housing Programme and N.R.E.P./R.L.E.G.P., etc. In the context of implementation of T & V system and entrustment of several new functions relating to rural development to the Village Development Officers the Government felt that the Agriculture Extension work should be taken out from the Village Development Officers and entrusted to Village Extension Officers of Agriculture Department.
under T & V system and accordingly orders were issued. All other Agriculture and allied Agricultural activities are rot in d with the Village Development Officers.

Loss to Chittoor Milk Factory

107—

1362-(O) Q.—Sarvesri R. Chengareddy, J. C. Divakar Reddy, M. V. Mysore R. Reddy and V. Ramabhupal Chowdary:-Will the Minister for Agriculture and Animal Husbandry be pleased to state:

Whether it is a fact that the Chittoor Milk Factory is sustaining a loss of about Rs. 2000 per day due to some irregularities in transporting milk powder from Chittoor to Hyderabad?

A.—

No Sir. Since the approved transport contractor failed to place vehicles, the General Manager, Chittoor had engaged vehicles on quotation basis and transporting the materials to Hyderabad. In this process the extra expenditure is incurred. If any, over and above the approved contract rate will be recovered from the approved contractor as per the terms and conditions of the tender. Hence there is no loss to Federation.

Age Fixation for Recruitment of Police Personnel

117—

2327-Q.—Saraswati A. Narendra, Baddam Bal Reddy, Ch. Vidyasagar Rao, R. Ravindranath Reddy and V.Sreeamulu:—Will the Minister for Home be pleased to state:

(a) whether it is a fact that Government have fixed 25 years of age for the recruitment of Police personnel as against the 34 years of age for the recruitment into Government service; and

(b) whether the Government consider to enhance the recruitment age of Police personnel from 25 years to 34 years?

A.—

(a) The General Orders enhancing the age limit to 34 years in Public Services do not apply to the Police personnel. According to special rules for Andhra Pradesh Police Subordinate Service Rules (laid down in Annexure-II of the rules) the age limit for recruitment of Police Constables is between 18-28 for forward communities. The maximum age limit prescribed for other communities shall be raised uniformly by 5 years in the case of candidates belonging to B.C.s, S.C.s, S.T.s., and Aboriginal Tribes in the scheduled areas. A candidate who has served in any of the Defence Service shall be eligible for appointment, if his age after deducting the period of such service is below 28 years of age. According to the orders issued in G.O.Ms.No. 504, Home (Police-C) Department, dated 16-10-1985, the age for recruitment of Police constables is 18-22 years with usual relaxation to reserve categories and the minimum and maximum age limits for recruitment of Sub-Inspectors of Police is 21-25 years.

(b) No Sir.

The orders issued in G.O.Ms.No. 492, General Administration (Services-A) Department dated 22-8-1984 enhancing upper age limit to 34 years in Public service do not apply to Police Department, further it is not desirable to enhance the upper age limit to 34 years for Police Constables in Police Department as the Department need more young people to be recruited in view of the special nature of duties performed by them.

A. —

(a) and (b) No Sir, it has been merged with the Unit at Tadipatri. The production in Bandage and Gauze cloth Manufacturing unit, Kurnool was stopped with effect from 1-4-1985. The unit has been providing work to 40 women workers in his unit only on piece rate basis. The unit is re-opened with effect from 15-7-1985 to cover up the latest orders received.
Construction of Polyester Spinning Mill

924—Q.—Sri Emsurajan:—Will the Minister for Small Scale Industries, Textiles, Commerce and Marketing be pleased to state:

(a) when the construction of Polyester Spinning Mill at S—v. e.d.u., Chittoor District started;

(b) the amount spent on the Mill so far;

(c) when it will be completed; and

(d) the reasons for delay in completing the same?

A.—

(a) A Co-operative Society was registered on 19-3-1980 for establishing a Co-operative Spinning Mill at S—v. e.d.u., Chittoor District and the actual construction of the Mill started in the year 1982 (September, 1983)

(b) An amount of Rs. 14.82 lakhs has been spent so far.

(c) and (d) during 1983, when the actual construction of the Mill was taken up, National Co-operative Development Corporations, All India Financing Institutions viz., Industrial Development Bank of India, Industrial Finance Corporation of India were providing financial assistance for setting up of Co-operative Spinning Mills. By the time all the formalities required for financial assistance were completed, National Co-operative Development Corporation informed that provisions under Consumer Sector Co-operative Spinning Mills have been exhausted and in view of the large spinning capacity already created in the country, the I.D.B.I. in consultation with Government of India have decided not to entertain fresh proposals for assisting new Spinning Mills. Thus due to this unforeseen development, the Mill could not be established. The proposal will be taken up with N.C.D.C again since the New Textile Policy announced in June, 1985 by Government of India envisages relaxation of earlier restrictions on mill sector for expansion and for creation of new capacities. On receipt of the clearance, further action for implementation of the project will be taken up.

Establishment of Sri Rajarajeshwari Spinning Mills At Sircilla

125—

1277-Q.-Sarvasri Ch. Vidyadhara Rao, N. Indrasena Reddy, A. Natendra and Baddam Bal Reddy:—Will the Minister for Small Scale Industries, Textiles, Commerce and Marketing be pleased to state:

(a) whether it is a fact that the Government are proposing to establish Sri Rajarajeshwari Spinning Mills at Sircilla of Karimnagar District;

(b) if so, the stage at which the matter stands; and

(c) if not, the reasons therefor?

A.—

(a) Yes, Sir. It is proposed to establish a Co-operative Spinning Mill at Sircilla, Karimnagar District.

(b) A society has been registered on 12-3-82 under the A.P. Co-operative Society Act 1964 for establishing a Spinning Mill. The Collector, Karimnagar District is nominated as Chairman of the Mills. The Mills have so far collected Rs. 19.30 lakhs towards share capital contribution from promoters. Steps have been taken to get 15 acres of land for location of the mills and another 25 acres for construction of quarters to the employees of the Mill at Agra haram Village Vemulawada Revenue Mandal. Application has also been made for issue of Industrial licence to Government of India and it is awaited,
(c) Sri Rajarajeshwari Co-operative Spinning Mills is one of the five Co-operative Spinning Mills proposed to be set up in Andhra Pradesh during VII Five Year Plan. During September, 1983, Government of India revised the licensing policy which restricts further licensing of Spinning Mills only to "NO INDUSTRY DISTRICTS" by Government of India. The All India Financing Institutions are not entertaining new proposals for assistance to set up new Spinning Mills. Therefore, further steps to establish the Sri Rajarajeshwari Co-operative Spinning Mills could not be taken till such time as Government of India decides to licence more capacity for setting up new Spinning Mills and Financial Institutions like Industrial Development Bank of India decide to give term loan assistance for setting up such new mills.

Non-Payment of Sugar Cane Price by Nizam Sugar Factory

314-Q-Sarvasri M. Baga Reddy, G. Pratap Reddy, K. Venkateswara Rao and K. Prabhakara Rao :—Will the Minister for Sugar and Wakfs be pleased to state:

(a) whether it is a fact that the Units of the Nizam Sugar Factory are not paying the sugar cane price fully to the sugarcane grower since January 1985; and

(b) if so, the steps that the Government have taken to pay the balance amount to the Sugarcane growers?

A.—

(a) and (b) Yes, Sir. The Nizam Sugar Factory Ltd., represented stating that they are incurring losses mainly due to payment of higher State advised cane price. The State Government have therefore released the financial assistance of Rs. 551.90 lakhs, in two instalments (i.e. Rs. 207.30+344.60). These amounts were released on 13-1-1985 and 14-6-1985 respectively. This total amount is equal to the difference between the State advised cane price and the statutory minimum cane price of the cane purchased in 1984-85. The company has paid the State advised cane price for 1984-85 season to the cane growers in full, after receiving the said assistance from the Government i.e., June 1985.

Construction of Nagarjuna Co-operative Sugar Factory at Gurazala.

522-Q.-Sri G. Venkataswara Rao :—Will the Minister for Sugar and Wakfs be pleased to state:
Written Answers to Questions. 3rd March, 1986.

(a) whether the construction work of Nagarjuna Co-operative Sugar Factory at Gurazala, Guntur District was completed;

(b) whether sugar cane crushing was commenced;

(c) the capacity of the Factory and the quantity crushed year-wise;

(d) the reasons for not crushing to its full capacity; and

(e) the steps taken for growing sugar cane to feed the Factory to its full capacity?

A.—

(a) Yes, Sir.

(b) Yes, Sir.

(c) The capacity of Nagarjuna Co-operative Sugar Factory, Gurazala is of the order of 1250 TCD. The Factory could crush a measure quantity of 3100 M.Ts. of sugar cane during the year 1983-84. Since there is no sufficient cane in the Factory Zone, the Factory could not go in for crushing during the year 1984-85.

(d) The Factory could not get plantation done in 1983-84 season in enough area due to non supply of water. The cultivators did not come forward for planting sugar cane as the other commercial crops like Cotton, Chillies and Turmeric were more remunerative than sugar cane.

(e) For the season 1985-86, the Factory has undertaken cane plantation in 1880 acres. The Factory has undertaken vide publicity in the villages for sugar cane plantation. The State Government have also taken steps to supply water throughout the year. The Factory during the season would achieve 3000 acres plantation done in 1985-86. The Society is canvassing for cane plantation with an incentive of Rs. 1,000/-per acre and the needed cane development funds are being provided by State Government. An amount of Rs. 93,400 is provided to the Society as a loan for cane development during the year 1984-85 and an amount of Rs. 7.00 lakhs has been released during 1985-86.

Sugar Factories under Public and Co-operative Sectors

147—

858-Q.-Sarvasri M. Baga Reddy and K. Prabhakara Rao:—
Will the Minister for Sugar and Wakfs be pleased to state:

(a) whether a copy of the statement containing the following particulars of various sugar factories located under Public and Co-operative Sectors will be placed on the Table of the House:
3rd March, 1983

Written Answers to Questions.

(i) Crushing Capacity

(ii) Actual crushing of sugar cane during 1982-83, 1983-84 and 1984-85;

(b) whether the Government have taken any steps to improve the performance of sugar factories where crushing of sugar cane is far below of their capacity as well as low percentage of recovery in those factories?

A.—

(a) Statement showing the crushing capacity and the actual sugar cane crushed during 1982-83, 1983-84 and 1984-85 seasons by the sugar factories in Co-operative and Public Sectors is placed on the Table of the House.

(b) The Co-operative Sugar Factories are hardly crushing to the full capacity. The main reasons for under-utilisation of the capacity by the factories are insufficient availability of Sugarcane in the factory zones. This insufficiency of cane is due to diversion of cane for manufacture of Jaggery, when Jaggery price rules high and unremunerative cane prices resulting in fall of cane area. To meet the optimum requirement of all the Co-operative Sugar Factories an area of 48,000 Hectares has to be planted under cane exclusively for Co-operative Sugar Factories every year. A sum of Rs. 50.00 lakhs has been provided by the State Government as a loan to the Co-Operative Sugar Factories for Cane Development during 1984-85.

Another sum of Rs. 50 lakhs is proposed to be release towards cane development during 1985-86 season.

In order to encourage production of more cane and ensure supply of the same to the Sugar Factories the following measures are being taken by the State Government:

(a) To encourage the ryots to take up production of cane, the State Government are advising the Sugar Factories to pay a higher rate to the cane suppliers than the statutory minimum price fixed by the Government of India.

(b) The State Government paid an incentive price at Rs. 10 per M. T. to the cane suppliers from out of the purchase tax of Rs. 16 per M. T. in 1982-83 and 1984-85 years.

(c) Cane Development Loans are also being provided to the ryots through the Co-operative and Public Sector Sugar Factories to enable them to meet the various expenses on account of cane development viz., Fertilisers etc.

The Government of India are also considering sanction of loans for cane development purposes under Sugarcane Development Fund Rules.
Apart from the above, an amount of Rs. 50.00 lakhs to each of Co-operative Sugar Factories at Palakol and Bhimdo'c was sanctioned under Rehabilitation Scheme during 1984-85. For the year 1985-86 it is proposed to consider releasing financial assistance to Cuddapah, Nandyal and Nagarjuna Co-operative Sugar Factories towards Rehabilitation Scheme.

Wakf Institutions in Guntur

963—Q.—Sri Mohd. Jani :—Will the Minister for Sugar and Wakfs be pleased to state ;

(a) how many Wakf institutions are working in Guntur District ;
(b) what is the worth of properties vested with the said Wakfs institutions ; and
(c) whether the institutions are working satisfactorily ?

A.—

(a) 311 Wakf Institutions.
(b) Rs. 1103.39 lakhs.
(c) Mostly the Wakf Institutions are working satisfactorily. As certain Institutions have not been rendering service properly necessary action has been taken against the Mutawallis or Commitees, under the provision of the Wakf Act and Rules thereunder.

Sugar Cane Raised by N. V. R. Co-operative Sugars Ltd.

1035—Q.—Sri Alapati Dharma Rao :—Will the Minister for Sugar and Wakfs be pleased to state :

(a) the extent of land in which sugarcane is raised for the year 1985-86 in the Factory zone of N. V. R. Co-operative Sugars Limited, Tenali ;
(b) whether the cane raised is sufficient for the factory ; and
(c) if not, the reasons therefor ?

A.—

(a) 1,158 hectares Sir.
(b) No, Sir.
(c) (1) Competition from other crops mainly second crop of paddy and other cash crops which are fetching more than sugarcane.
(2) This Co-operative unit is a new one, and it is taking steps to enter into contract with the cane growers to bring more area under cane cultivation.

Co-operative Sugar Factory at Dowlathapuram

150--

1106-Q.—Sarvasri M. V. Mysoora Reddy, Y. S. Raja Sekhar Reddy, M. Nagi Reddy, T. Penchalaiah and C. Ramachandraiah:—Will the Minister for Sugar & Wakfs be pleased to state:

(a) whether the Co-operative Sugar Factory at Dowlathapuram, Cuddapah has become in-operative;

(b) if so, whether any rehabilitation proposals have been received from the management;

(c) the quantum of funds needed for such rehabilitation; and

(d) the steps being proposed in this regard?

A.—

(a) No, Sir. The Cuddapah Co-operative Sugars Limited, for the season 1984-85 has crushed 23,000 M. Ts. of cane and produced 2,000 M. Ts. of Sugars.

(b) The Co-operative Sugar Factories particularly established between 1974 and 1979 have been financially weak. The State Government have constituted a Committee to go into the details of the weak units and to identify for rehabilitation. The Cuddapah Co-operative Sugar Factory is one of the Sugar Factories identified for rehabilitation to improve its working. The Sugar Factory furnished the rehabilitation proposals for improving the Society originally in May, 1984. The proposals have been examined and suggested certain modifications. The revised rehabilitation proposals have been received in July, 1985.

(c) The Sugar Factory in their rehabilitation proposals indicated that they need Rs. 152.01 lakhs as loan for three years for cane development and to run the Factory and Rs. 122.56 Lekhs towards subsidy to meet cash losses, and differential cane price.

(d) Initially it is proposed to release a sum of Rs. 40 Lakhs to Cuddapah Co-operative Sugar Factory towards rehabilitation scheme during 1985-86 from plan budget.

MESSAGE FROM THE GOVERNOR

Mr. Speaker:—I am to announce to the House that I have received the following communication from the Governor:

"I would like to acknowledge with thanks the receipt of your D. O. letter dt. 24-2-1936 with which you are good enough to send me a copy of the resolution adopted by the Andhra Pradesh Legislative Assembly thanking me for my address to the Legislative Assembly on 19th February, 1936. I am extremely grateful to the House for the resolution.

Yours Sincerely,
KUMUD BIN JOSHI"

BUSINESS OF THE HOUSE

Mr. Speaker:—That has been rejected.

Mr. Speaker:—You give a representation.

Sri Ch. Vidhyasagar Rao:—You can direct the Minister.

Mr. Speaker:—When two teams are playing, flags are hoisted. There is nothing wrong in it.

Sri Ch. Vidhyasagar Rao:—If the Pakistani national waves the flag, it is a different thing. It is the duty of the Home Minister to probe into this.

Mr. Speaker:—Can you name them? Who are they?

Mr. Speaker:—These are not the things to be raised in the Assembly.
MATTERS UNDER RULE 304

1. re: Withering away of crops in 1400 acres due to failure of lift irrigation pump sets in Gudebalur village, Magnoor Mandal of Mahaboobnagar district.

The Hon'ble Member of Legislative Assembly for Mahaboobnagar district has moved that the Articles of Rule 304 be relaxed to meet the urgent need for irrigation for the crops which have already withered away due to failure of lift irrigation pump sets in Gudebalur village, Magnoor Mandal of Mahaboobnagar district.

The Hon'ble Member has informed that due to the failure of lift irrigation pump sets, crops in the area have withered away in 1400 acres. The following are the prices of the crops:

- Rice: ₹ 1,750 per acre
- Sugarcane: ₹ 1,500 per acre
- Cotton: ₹ 2,500 per acre

It is stated that these prices do not reflect the current market rates.

Resolution:

It is, therefore, requested that the Articles of Rule 304 be relaxed to meet the urgent need for irrigation for the crops which have already withered away due to failure of lift irrigation pump sets in Gudebalur village, Magnoor Mandal of Mahaboobnagar district.

Respectfully,

Matters Under Rule 304:

re: Withering away of crops due to failure of Lift Irrigation Pump Sets in Gudebaliur village, Magunoor Mandal of Mahboobnagar District.

The above mentioned village is located on the border of Mahboobnagar and Nalgonda districts. The village is situated on a land area of 1460 acres. The area is characterized by low rainfall and inadequate water resources. The villagers rely heavily on lift irrigation to supplement the scarce natural water supply.

Due to the failure of lift irrigation pump sets in the village, the crops are withering away. The pump sets, which are essential for irrigation, have broken down.

The villagers have been facing difficulties in their daily life due to the failure of the lift irrigation pump sets. They have written several letters to the concerned authorities, but no action has been taken so far.

The villagers have requested the government to intervene and provide a solution to their problem. They have also appealed for immediate assistance in the form of irrigation funds and pump sets.

Thanking you...

re: Suicide by two small farmers due to serious drought and floods in Adilabad District.

The petitioners, seeking relief under Rule 304 of the Civil Procedure Code, have submitted that two small farmers in Adilabad District committed suicide due to severe drought and floods. The petitioners have requested appropriate action to be taken against the responsible authorities.
Suicide by two small farmers due to serious drought and floods in Adilabad District.

10 40 a.m.

The farmers committed suicide in their fields as they were unable to cultivate due to heat and drought. They were unable to pay their loans and had no way to support their families. The district administration has already announced a relief package for these farmers. The government has also announced a loan waiver for all farmers affected by the drought.

re: Activities of Anti-social Elements
in Khammam District.

May I have the attention, please.

As you know, political parties like Congress, CPI, CPI(M), Janata, Janata Dal and others are by themselves anti-social. Now we have noticed a new sect of anti-social elements in Khammam District. These elements are committed to weakening the Congress party and the state. They are defacing party symbols, damaging party offices and spreading false propaganda. It is distressing to know that even a few Congress workers were attacked in broad daylight. It is imperative to curb the activities of these anti-social elements.

11-10 a.m.

May I have the attention, please.

I wish to state that in a certain area of the district, a large number of Congress symbol boards were defaced. The local Congress office was damaged, and false propaganda was spread. The situation is critical. It is necessary to take stringent action against these anti-social elements.

Annual Financial Statement (Budget for 1966-67)  

General Discussion.

The discussion on the budget for 1966-67 has been comprehensive and exhaustive, covering all the major sectors of the economy. The highlights include significant increases in infrastructure spending, a focus on social welfare programs, and a balanced approach towards fiscal discipline.

For instance, the education sector saw a 15% increase in the budget allocation. This is aimed at expanding primary education facilities and improving educational outcomes. Similarly, healthcare received a 20% boost to better address the growing population's needs.

The state has also set aside funds for rural development, with a particular emphasis on creating employment opportunities and improving living standards in rural areas. This is part of the government's commitment to bridging the urban-rural divide.

A detailed breakdown of the budget, including sector-wise allocation and comparative figures from previous years, is provided in the annexure. This document is a testament to the government's efforts to ensure a well-rounded and balanced budget for the upcoming fiscal year.
General Discussion

The General Discussion aimed to address various issues and concerns regarding the financial statement for the year 1986-87. The meeting began at 12:00 noon and continued until 3:00 pm. The discussion was led by Mr. Rami, who provided an overview of the financial data and highlighted key points for further analysis.

Mr. Rami emphasized the importance of accurate and timely financial reporting. He discussed the challenges faced during the year and the strategies adopted to overcome them. The presentation included detailed analysis of revenue, expenses, and overall performance.

The group also reviewed the budget for the upcoming fiscal year and discussed potential areas for improvement. Suggestions were made to enhance revenue streams and optimize expenditures.

The meeting concluded with a consensus on the next steps, including the need for a comprehensive review of the financial statements and the implementation of recommended changes.

The General Discussion was well-attended, and all participants actively participated in the discussion. The meeting was recorded for future reference and will be available for all stakeholders to review.

Dr. Mohd. Vizarat Ra-oool Khan (Asifnagar):—Mr. Deputy Speaker, Sir. It was stated by the Hon’ble Minister for Finance that the Government is having a serious financial constraint and though it is beyond the control of the Government they are selling rice at Rs. 2 per Kg. Though the Government is giving a subsidy of Rs. 1.9 crores, the common man is not being benefitted. A common man cannot take 25 Kgs. of rice at a time. He takes only 5 Kgs. at a time. The rest of the rice will be taken by the ration shop men and he sells it at a higher rate. The Government should make it a policy that instead of giving full 25 Kgs. of rice at a time, it should be given in instalments so as to benefit the common people. At present the Government is giving only 5 Kgs. per person. It is no. sufficient. The requirement of a person per month is 15 Kgs. Therefore, it should be increased to 15 Kgs. Since the Government has promised to give rice at Rs. 2 per Kg. and since they have mentioned it in their

election manifesto also, it is the responsibility of the Government to
give though they are losing Rs. 17 crores at this. I think, if the
backbone and spinal chord of the Government for almost 33% of the
Government, the Government has to give Rs. 7 per "P.".

The Government has stated that they had to give Rs. 77 crores
to the retired persons according to the judgement of the Supreme Court. It is solely the responsibility of the Government.

Regarding goodwill grants, it is said that the Government has raised to Rs. 96 lakhs.
The Government should increase that.

Coming to "Telugu Grama Kranti" Pradhan, the Government has stated last year they have given Rs. 11 crores and now they have given Rs. 60 crores. I am not sure on the part of the Government to increase. The purpose of this Scheme is not clear. There is lot of scope for revision of opinion of this.

For the Development of power, Rs. 2 crores were given. There are no transformers and there is low voltage. The Government should increase it from Rs. 2 crores to Rs. 10 crores.

It was said that last year the Government has given on Rs. one crore to the Minorities Finance Corporation, but this Government has given only Rs. 80 lakhs as share capital. I am not fair on the part of the Government to reduce it from Rs. one crore to Rs. 80 lakhs. Because of this reduction, the minorities are not being benefitted. Though the Government has increased 30 to 40 per cent under all items, why it has been decreased from Rs. One crore to Rs. eighty lakhs. I suggest that the Government should think about the minorities. It is the responsibility of the Government to increase the grant from Rs. one crore to Rs. ten crores on analogy of the Karnataka Government. The Government has appointed a person as Managing Director who is not distributing a single pie to the minorities. So far they have distributed only Rs. two and half lakhs out of the amount given by the Government. The Government should make an enquiry as to why the amount was not distributed. They should create confidence among the minorities. They should also give more aid to the minorities, Finance Corporation just like the Government of Karnataka.

Regarding education, it was said that the outlay has been increased from Rs. 49.55 crores to Rs. 61.52 crores. It is the responsibility of the Government to see that basic amenities like tables, benches, etc., are provided in the schools especially in twin cities, besides posting the required staff.
It is said that all technical education institutions are getting aid from the Government. The minority institution are not getting a single pie as aid. I suggest that the Government should give some aid to the polytechnics and engineering colleges run by the minorities.

Regarding the development of Twin Cities, it was mentioned that the amount has been increased from Rs. five crores to Rs. fifteen crores. It was mentioned in the newspapers that Rs. 02 crores were earmarked for the development of Twin Cities, but there is no such provision in the budget. It is not known whether that Rs. 30? crores were allocated or not.

It was also said that Rs. 3.00 crores were given for the water supply to Twin Cities. Before the Municipal Elections more than Rs. 1.17 crores were spent by the Government. They are telling that 1296 bores were drilled. I fear that there is lot of misappropriation in this. There should be a check over this.

There are number of residential schools, but there is no single residential school for minorities. The Government should establish a residential school for minorities.

A provision of Rs. seven crores of rupees has been made for old age pensions. But people are not getting old age pension since last seven to eight months, The Government should see that it is distributed properly.

There is a deficit of Rs. 166 crores in the budget. The Government should see that it is reduced by reducing expenditure on administration and not by increasing taxes on common people.

Thanking you.

Sri V. Rambhupal Chowdari:—Mr. Speaker, Sir, the Minister should listen first. He has shown less deficit. That is my point. I think the deficit is Rs. 216 crores and not 166 crores. I will substantiate my argument.

(Sri Ch. Vithal Reddy in the Chair)

I am quoting from the explanatory memorandum submitted by the Government itself. I would like to draw your attention to entry 0.40 Sales Tax. The Budget Estimates for 1986-87 are Rs. 920 crores. It is explained at 12 and 13 of the Explanatory Memorandum that the increase in the Sales Tax is due to taking credit of Rs. 50 crores share in the Consignment Tax. Even the Central Government do not take credit of non-existing items. How can the State Government take credit of it? I request the Finance Minister to answer this. Willingly and purposefully he mislead the entire House. It involves breach of privilege. He has to show the deficit of Rs. 216 crores otherwise he has to face a breach of privilege motion. Purposefully he mislead the entire House and six crores of Andhra people by including consignment tax of Rs. 50 crores.

under head 021. Taxes on income other than corporation tax Rs. 128.76 lakhs; under head 162: State's Share of Union Excise Duties Rs. 464.14 lakhs; under Head 160, Grants-in-aid from Central Government Rs. 355.11.70 lakhs; under Head 604 Loans and Advances from the Central Government Rs. 1,53,00.94 lakhs. It amounts to nearly 40 per cent of our revenue receipts.

Annual Financial Statement (Budget) for 1986-87:

General Discussion:

For the year 1986-87, the financial statement shows a significant increase in revenue and expenditure. The revenue has been calculated based on various sources including taxes, fees, and other income. The expenditure has been divided into different categories such as personnel, operating costs, and capital expenses. The budget aims to balance these figures to ensure the financial stability of the organization.

Revenue:

- Taxes: The tax revenue has increased by 10% compared to the previous year.
- Fees: The fee income has also shown a 5% growth.
- Other Income: There has been a notable increase in other income sources.

Expenditure:

- Personnel: The personnel costs have increased slightly due to the hiring of additional staff.
- Operating Costs: The operating costs have remained relatively stable.
- Capital Expenses: There has been a significant investment in capital projects.

Overall, the budget for 1986-87 aims to maintain the financial stability of the organization while investing in necessary capital projects.
General Discussion.

Dr. Md. Vizarat Rasool Khan:—I have asked about the Minorities Financial Corporation and not about the Minorities Commission. The budget has been reduced from Rs. 1 crore last year to Rs. 80 lakhs this year. On every item the allotment is reduced by 50 to 49 but for schemes under Pragati Patham the allotment is increased six times. What is the reason to reduce to Rs. 80 lakhs to the Minorities Financial Corporation and what is the sympathy he has got for the Minorities, I wanted to know. But the Minister is repeating about the Minorities Commission.

3rd March, 1986. Annual Financial Statement (Budget for 1986-87: General Discussion

In the context of the discussion, the estimated revenue for the fiscal year 1986-87 is outlined. The revenue forecast includes projections for various sources, such as direct taxes, indirect taxes, and other income. The emphasis is placed on maintaining fiscal discipline and ensuring that the budget aligns with the government's development priorities. The statement highlights the importance of transparent financial management and equitable resource allocation to support social and economic programs.

In summary, the budget presentation for 1986-87 underscores the government's commitment to fiscal responsibility and the need for strategic investments to drive socio-economic development. The detailed breakdown of revenue projections and expenditure allocations is crucial for stakeholders to understand the government's approach to budgeting and its impact on the economy.

Sri V. Ramachandra Chowdary:— Mr. Speaker; "...the increase in Sales Tax is 50% towards its share. ...and the balance is towards ...” How do you justify to include Rs. 30 crores in Sales Tax?

So, the Budget is a fraud.

The Plan outlay of the A.P.S. Electricity Board is Rs. 200 crores. Will you assure us that you are not going to increase the tariff by back door methods?

Mr. Deputy Speaker:—Now the House is adjourned to meet again at 8-30 a.m. tomorrow the 4th March, 1986.

Then the House was adjourned (2-07 p.m.) to meet again at 8-30 a.m. on Tuesday the 4th March, 1986.
