Sri P. Nageswara Rao:— Sir, it must be discussed. Never it happened in my experience in a democracy. It has to be discussed Sir. Let us have discussion straightaway.

Mr. Speaker:— I will read it out. Let me say something. Please take your seats. I will permit you after my reading. Please take your seats. Hear me please. Take your seats. Please hear me what I say.

*An asterisk before the name indicates confirmation by the Member.
Sri P. Nageswara Rao:- Sir, this should be discussed. We need protection in this House. Now, there is no protection in the House.

Sri Ch. Vidyasagar Rao (Metpally):- Sir, what is the answer of the Hon'ble Chief Minister?

Mr. Speaker:- Let me speak out please.

(Interruptions)

(Some of the T.D.P. Members wearing black banner shirts stood up shouting in the House and started interrupting the Chair)

Mr. Speaker:- Please listen to me. I will give you opportunity to speak. Please first hear me.

(Shouts from Opposition benches requesting the Chair to read out the contents of the Adjournment motion notices)

Mr. Speaker:- Yes - please listen to me. I will read them out. There are four Adjournment Motion notices which have been received today.

1) Notice of Adjournment Motion given by Sri P. Janardhan Reddy and others regarding Telecast of Assembly Proceedings. It has been disallowed.

(Interruptions)

Mr. Speaker:- You can come in another form. I will allow you. Give me a separate notice and I will admit it under 304.

(Interruptions)

This has been converted into 304 and it will be posted for tomorrow.

(Interruptions)

Sri Asaduddin Owaisi (Charminar):- No, Sir, we have to discuss today itself. Sir, the body is still lying in the Police Station and it has been not buried.

Mr. Speaker:- The third Adjournment Motion notice given by Sri Appayya Dora and others regarding payment of air-fare....

(Shouts and interruptions)

(Shouts - and interruptions)

this has been disallowed. Please listen to me. I am telling you to take your seats. Please let me say.

Sri Asaduddin Owaisi:- Sir, let us discuss that Sir.

Mr. Speaker:- I have not completed yet. Let me say. Please take your seat.

(Sri Vanka Satyanarayana Opposition Member was standing, seeking permission of the Chair to mention)

Please hear me Mr. Satyanarayana, the Adjournment Motion notices give by the Members, whose names I have read out have been disallowed. Since this is an important issue pertaining to the whole House, I will allow discussion after the Question Hour. Now I will not allow. Please take your seat. I know that this is very serious issue. I know that. That is why I will take it up after the Question Hour.

Secondly, one announcement please. Please take your seats. Please listen to me.  

(Interruptions)
One announcement please. I want to inform all those who are wearing black banner-shirts - I request them to leave those black-banner shirts outside and come and sit in the House. Please, I am requesting them. I don't allow banners and banner-shirts here. Without the permission of the Speaker nobody should have banners etc., ...

(Interruptions by the Members wearing black banner-shirts)

Again I am requesting you - if you want to sit in the House, you please, leave your banner blackshirt outside the House and come into the House. I have no objection then, Now I will not allow please.

(Interruptions)

I am requesting you again to leave those banner shirts outside - because without the permission of the House, no banners or pamphlets or anything else should be allowed in the House. Without the permission of the Speaker, even in the precincts such things are not allowed in all democratic institutions. There is no such rule even in the Parliament also. So, I request you all to leave the black-banner shirts outside and come into the House. I am very strict in observing rules. I cannot spare anyone. I request you—to leave your black-banner shirts. There is no such rule even in Parliament also. I am requesting you please take away those banner-shirts. I don't allow you. I request all those Members.....

(Interruption)

Sri R. Chandra Sekhar Reddy (Vanaparthi):- Mr. Speaker Sir, I am on a point of order. Please permit me.

Mr. Speaker:-- Yes - what is your point of Order please?

Sri R. Chandra Sekhar Reddy:-- Sir, under Rule 281 of the Rules of Procedure and Conduct of Business in the A.P.
Legislative Assembly, "No allegation of a defamatory of incriminatory nature shall be made by a Member against any person unless the Member has given intimation to the Speaker and also to the Minister concerned. So, Sir, they have not given any such intimation....

(Interjections)

Sir, here it is defamatory Sir, and I am on a Point of Order under Rule 281. You kindly protect the interests of the Members and protect the interests of the House also Sir.

Sri P. Ashok Gajapathi Raju:- Mr. Speaker Sir, you have been right in observing that Members should not display slogans of any kind within the precincts of the House much less on the Floor of the House. Sir, I draw your attention to Rule 279 and practice and procedure of parliament by M.N. Kaul and S.L. Shakdhery, which deals with the Conduct of Members. there, it is clearly stated that emblems of any kind, flags and displaying of slogans and things like this, including demonstration of any kind are not permissible on the Floor of the House. Sir, this House relates to the people of Andhra Pradesh - not any individual's opinion -

(Interjections)

So, Sir, your observance is very correct. I would request you to direct all those Members wearing black banner shirts with slogans to withdraw from the House and remove those shirts outside and enter into the House in a democratic manner.

(loud shouts)

Mr. Speaker:- Please take your seats. Please don't make notice. I call Mr. P. Janardhan Reddy please. Please come to the Point.
Mr. Speaker:—Now the issue is whether the Members can be allowed with banners etc.

Speaker:—Now the issue is whether the Members can be allowed with banners etc.
I know how to answer them. This, however, is a matter of opinion. The situation is unprecedented. It should not be tolerated by whatever means, they must be kept away and they must be directed to take away their shirts and come into the House. This is our firm opinion. In democracy this is not proper for them to display like this. There is a proper form.

(Interruptions)

... (Interruptions)...

... (Interruptions)...

He has every right. We are floor leaders and he can approach us. This is not the way. This is undemocratic and unprecedented which should be condemned by all. They should go out, change their shirts and come back.

Sri Asaduddin Owisi:- Mr. Speaker, Sir, through you I humbly request the Members who are wearing those shirts to abide by the ruling of the Hon'ble Speaker. We have so many issues to discuss and I request them to participate in the discussion. Further, I draw their attention to Rule 280 which says that a Member, while speaking shall not refer to any matter of fact on which a judicial decision is pending and shall not make personal charge against a Member. They very well know that a judicial decision is pending. Let them wait for it. There are important issues like burning a person alive in Medak district, drinking water problem in Twin Cities for discussion on the floor of the House. I humbly request them to abide by the ruling of the Hon'ble Speaker.
I have raised this as a point of order. It is very clear under Rule 281 that no allegation of a defamatory or incriminatory nature shall be made by a Member against any person unless the member has given intimation to the Speaker and also to the Minister concerned, provided that the Speaker may, at any time, prohibit any Member from making such allegation if he is of the opinion that such allegation is derogatory to the dignity of the House or that no public interest is served by making such allegation. This is clearly derogatory to the dignity of the House. We are very much concerned about it. I request the Chair to give a ruling on this.

Mr. Speaker:- I don't permit any Member who is wearing banners. Please resume your seat. The Members who are wearing banners may remove the banners and speak.

Sri P. Ashok Gajapathi Raju:— Mr. Speaker, Sir, in a parliamentary democracy, certain pattern of behaviour and certain standard of behaviour has to be adopted by all the Members.
Sri P. Ashok Gajapathi Raju: Sir, unfortunately, in this 10th Assembly, we have a few Members who had been undemocratic in mind, in practice and everything. This is an unfortunate situation. This is what exactly it has lead to. As far as the parliamentary practices are concerned, your observation is perfectly correct. On behalf of the Government, through you, I appeal to those Members to go, correct it and come back and participate in the debates in democratic manner. This type of holding the House to ransom is incorrect. I request you to take action if they don't abide by your decision.

Mr. Speaker: I will take all precautions to run the House. There is no doubt about it. Just I want to know the opinion of the Floor Leaders.

"No allegation of a defamatory or incriminatory nature shall be made by a Member against any person unless the member has given intimation to the Speaker and also to the Minister concerned;

Provided that the Speaker may, at any time, prohibit any Member from making such allegation if he is of the opinion
that such allegation is derogatory to the dignity of the House or that no public interest is served by making such allegation."

Mr. Speaker:— That is not the issue here. I don't permit you.

Mr. Speaker:— (addressing Sri G. Yerru Naidu) Please take your seat. I am not permitting you. I had already given my Ruling and my Ruling is very clear.

Sri P. Nageswara Rao:— Speaker Sir, I want to straighten the records. He has unnecessarily commented so many things. We don't want to be bound by it. I want to condemn it. I want to expunge it. Even today, Sir, they are on record. Let them think twice before using that word. With all responsibility I am giving this statement. Let him withdraw those derogatory comments made against the Communist Party. We never bow our head before anybody. There is an agreement and they cannot go on record. It must be expunged.

*** Expunged as ordered by the Chair.***
(at this stage Sri M.B. Chowhan, Dr. Abdul Rehman and other Members rose to speak)

Mr. Speaker:- Please take your seats. I am not allowing anyone. I have taken the opinion of the House as a whole. I have given my Ruling and my Ruling is stands as good as it was.

J. 365-3

(Interuptions)

Sri Asaduddin Owaisi:- Hon'ble Deputy Speaker Sir, our party condemns the attack on the residence of the Hon'ble Speaker. It amounts to an attack on democracy, an attack on the moral fabric of Indian society and an attack on the dignity and integrity of this House. This is a dangerous trend which is developing in a democracy and these assailants...
are anti-democratic forces. I request the Government to take stern action against these persons who are causing fear in the minds and hearts of the people functioning in a democracy. The last point which I have to raise is - this attack on the residence of the Hon'ble Speaker shows how effective our police force is and how effective our Intelligence Department is. This is a second attack on the residence of the Hon'ble Speaker and it should be condemned and the culprits, whatever high positions they hold, should be punished. I once again condemn the attack on the house of the Hon'ble Speaker.

The institution of the Speaker is a sacred one. It is a symbol of the House. Attack on the Speaker amounts to attack on the entire Assembly. Every political party must take it seriously and the entire House should treat it in an effective manner. The culprits should be punished in an effective manner as per the provisions of law. We have to think as to how we should safeguard the Legislators and people's representatives, not only the M.L.As but also M.Ps in the light of the incident which we have seen three days back. ENTRY FEE OF NEHRU ZOOLOGICAL PARK

17-

1730-Q Sarvasri M. Kodanda Reddy, D. Nagender, C.K. Jayachandra Reddy, J.C. Diwakar Reddy and Gade Venkata Reddy:— Will the Chief Minister be pleased to state:

(a) whether it is a fact that the Entry Fee of Nehru Zoological Park has been increased; and

(b) if so, the reasons therefor?

A-(a) Yes, Sir.

(b) The entry fee to the Nehru Zoological Park was last revised about 10 years back. Since then, the cost of maintenance of the Zoo (i.e. cost of feed, medicines, hardware, water and electrical charges etc.) has increased many fold. Nehru Zoological Park has been graded as an 'A' class group by the Central Zoo Authority and this entails high up-keep standards. The cost of maintenance of the Zoo is as much as Rs. 1.5 crores per annum excluding the establishment charges.

The revenue of the gate collection at the nominal fee of Rs. 1/- per adult and Rs. 0.50/- per child is a mere Rs. 24 lakhs per annum. The budgetory provision is not sufficient to fill the wide gap between the income expenditure of the Zoo Park.

Hence, a marginal increase of rates has been made fixing entry fee for adults as Rs. 2.50 per head and for children as Rs. 1.00 per head.
