Mr. Speaker:— I have received three notices of adjournment motion.

The first one is from Sri P. Nageswara Rao, Sri Ch. Rajeswar Rao, Sri Vanka Satyanarayana, Sri M. Anjaneyulu, Sri Ch. Vittal Reddy, Sri K. Subba Raju, Sri K. Ramakrishna, Sri D. China Mallaiah, Sri M.B. Chowhan, Sri U. Narayana Rao, Sri G.M.N.V. Prasad, Sri V. Abbayya, Sri G. Demudu, Sri G. Yadagiri Reddy, Sri G. Mallesh, Sri B. Pullaiah and Sri P. Saraiah with regard to the loss of crores of rupees due to the recent heavy rains not only drowning Srisailam Power House but also causing interruption to the power supply due to the negligence of the officials and relief measures taken by the Government and the same has been disallowed.

The Second one is given by Smt. N. Lakshmi Parvathi, Sri H. Appaiah Dora and Sri T.S.I. Naickar with regard to the latchi-charge on the women and farmers on 11-11-1998 at Jeelugimilli by C.I. in collusion with M.R.O. has been disallowed. They may come in other form.

Anyhow B.A.C. has decided to take up the issue. We will post it as early as possible.

(Interruptions)

Mr. Speaker:- Yesterday only it was included. We will post it. I will consult you.

Mr. Speaker:- Every day I will consult the leaders and post whatever you want.

Mr. Speaker:- Today we have posted two things according to your agreement. Tomorrow I will post it after consulting you.

Mr. Speaker:- Janardhan Reddy Garu, I am going according to the decisions of the B.A.C.

Mr. Speaker:- You have requested me to post today two things. I have posted them. After consultation with the leaders
all the issues would be taken up. Tomorrow I will consult you. Please take your seats. Why do you waste time?

Mr. Speaker:— I categorically clarified in the B.A.C. I will consult all the leaders. First you finish today’s agenda. I will consult after the business is over. I made it clear in the B.A.C. Whatever you want I will place before the House. Without finishing today’s business, how can you request?

Mr. Speaker:— If you complete today’s agenda, after the adjournment of the House, I will consult all the leaders. Why do you waste time? You come in other form.
You can raise it in the Zero Hour. I will ask the Government to reply. No, I don’t allow you at present.

How can I run the House? How can I cope up with the time of the House?
Mr. Speaker:— You raise in the Zero Hour after one hour, I will permit you. I don't permit you in the Question Hour. I am sorry.

Mr. Speaker:— During Question Hour I don't permit any one. I will permit you in Zero Hour and I will ask the Government to reply.

Mr. Speaker:— I am sorry. If this is the way, we cannot copeup with the time of the House. Please you have to understand.
Mr. Speaker:- I don't permit, because you are raising this issue also in the Zero Hour. Once the adjournment motion is disallowed, I don't allow.

Mr. Speaker:- Today we have posted important issues. You discuss those things. In addition to them, you raise this issue also in the Zero Hour. Once the adjournment motion is disallowed, I don't allow.

I can wait up to one hour. How can I run the House if you do not cooperate with me? You have to discuss 39 issues. I request you please to take your seat. I don't want to create any new precedent.

Mr. Speaker:- After Question Hour if you want to raise you can raise. I have no objection.

Mr. Speaker:- I am not allowing you. I request the press also that if any member is not allowed, nothing should be reported. If every member wants to raise one issue or the other I cannot copeup with the time. This is not correct if the leaders behave like this. I will ask the Government to reply if you raise in Zero Hour.
Mr. Speaker:– House Committee is there. In Zero Hour you can raise the issue. If at all you want to raise, you have to give notice. I will admit it and post. What more do you want?

Mr. Speaker:– I don't permit during Question Hour. That is my system. This is not the way. Then you will be the losers. There are certain rules and regulations to run the House. There are methods by which you can discuss the issue.

Sri P. Ashok Gajapathi Raju:– Sir, I want to make a submission. The Hon'ble Members are also agitated because yesterday also they lost their Question Hour. Today also the same thing is happening. Sir, it is the duty of the Chair to maintain the timings and it is our duty to cooperate with the Chair. It is our democratic duty that we should cooperate with the Chair to see that people's problems come before this August House. Unfortunately some of us have got feudal attitude of saying that whatever they want should come and not the regular business. That type of feudal attitude should stand condemned in no uncertain terms, Sir.

(Interruptions)

That undemocratic attitude of ours should be condemned. I can only appeal to them through you to kindly behave like good democrats.

(Interruptions)
Mr. Speaker:- The word "feudal" is not an Unparliamentary one. Then why should I ask him to withdraw that word." Moreover, you have already reacted on that word.

Sri Gade Venkat Reddy(Parchur):- Sir, the word "feudal" is not Unparliamentary, but the words" feudal attitude" are certainly Unparliamentary.
Mr. Speaker:- Why do you waste the time of the House. Already half-an-hour was wasted. Please resume your seat and allow the Question hour to proceed.

Smt. N. Lakshmi Parvathi:- Sir, Sir... I want to speak for only five minutes.

(Interruptions from Ruling Party Members).

Mr. Speaker:- Why do you unnecessarily waste the time of the House? If you want to raise, you can do the same in the Zero Hour. You have already wasted half-an-hour of Question Hour.

Smt. N. Lakshmi Parvathi:- Sir, Sir...

Mr. Speaker:- What is this? Please resume your seat. You can raise the same in the Zero Hour. I will certainly give you an opportunity.
Smt. N. Lakshmi Parvathi:- Sir, please allow me for five minutes.

Mr. Speaker:- No I do not allow anything except the Question Hour. This House does not belong to you only. It belongs to all the Members. Please try to resume your seat and co-operate with the Chair.

Sri Gade Venkat Reddy:- Sir, this is a tribal issue, which was already discussed on the Floor of the House. A House Committee was also constituted on this. A Cabinet Sub-Committee is also there. Therefore, I request the Member...
Sri P. Ashok Gajapathi Raju:- Sir, the Floor Leaders have already made their appeals. Sir, this is the way that the House is being held to ransome every day.

Mr. Speaker:- You please talk about the present position.

Sri P. Ashok Gajapathi Raju:- Sir, I appeal to the Member to behave as a democrat and allow the Members to utilise their opportunities. The Government is a responsible body and it will behave certainly in responsible way. Please let her also be responsible and allow the House to transact the business.
Mr. Speaker:- I am Sorry. I do not allow you to raise the point in Question Hour. But I will certainly allow you in Zero Hour. Please resume your seat.

Smt. N. Lakshmi Parvathi:- Sir, please give me an opportunity to speak for five minutes.

Mr. Speaker:- Please try to understand the situation. We have already wasted more than half-an-hour of time. So, once again I am appealing to you to resume your seat and allow the Question Hour business to be transacted. I am once again appealing to you. Please resume your seat.

Smt. N. Lakshmi Parvathi:- No Sir, You allow me to speak right now.

Mr. Speaker:- Then I am left with no choice but to take action. Then I will ask the Legislative Affairs Minister to move the motion for your suspension. Now, also I am requesting you to resume your seat. I will definitely all as you during Zero Hour.

(Interruptions)
Sri P. Ashok Gajapathi Raju:— Sir, it is unfortunate that the Hon’ble Lady Member is not willing to take her seat even after so many appeals from you. She is wilfully obstructing the proceedings of the House. So, Sir, you have left with no choice but to take action against her?

Sir, under Rule-300(2) of the Rules of Procedure and Conduct of Business in A.P. Legislative Assembly with your permission, I beg to move:

"That Smt. N. Lakshmi Parvathi may be suspended from the service of the House, for the rest of the day for wilfully obstructing the Proceedings of the House."

Mr. Speaker:— Motion moved. The Question is:

"That Smt. N. Lakshmi Parvathi may be suspended from the service of the House for the rest of the day for wilfully obstructing the Proceedings of the House."

(Pause)

The motion was adopted and the Member was suspended from the service of the House for the rest of the day.

Mr. Speaker:— I too agree with you. I sympathise with your cause. Now, also you can resume your seat and raise the subject in Zero Hour. Once again I am requesting you to take your seat.

(Interruptions)
Mr. Speaker:- But there is a procedure prescribed for raising each and every issue. You have to necessarily follow that. Please, either resume your seat or leave the House.

(As the member was reluctant to leave the House Marshals entered the House).

Smt. N. Lakshmi Parvathi was led out of the House by the Marshals.

పత్రికలు నడిపిందిన విషయాలు నిరాకరించడం నాటి ప్రాముఖ్యత పొందింది.
A specific allegation was made that a Telugu-Desam Party Office was constructed which was inaugurated by the present Hon'ble Minister. The Minister did not give reply for that. We would like to know from the Hon'ble Minister as to what action has been taken against the concerned Minister and who has raised the building and occupied it. Further, we would like to know the present stage of criminal case. It was stated in the answer that they have filed O.S.No. 561/88 and what is the latest status of it? 1988 to date 12.13.

Reason:—

The answer was not sufficient.
Yes, Sir. The employee was placed under suspension immediately pending enquiry.
Mr. Speaker:- Please cooperate with the Chair. I have permitted four Members to speak on a simple question. We have to get answers for the other questions. He has answered it very well. I will not allow any one to speak on that question.

Question No. 12(7695) is postponed at the request of the Minister, who is in charge of the flood affected areas.

(Interruptions by Sri P. Janardhan Reddy).

(e) c^ogf ^?^ogo?1o ^o^e^. 3gS^g X^ggg e$^5^
Mr. Speaker:— In what way it is related?

Sri K.R. Suresh Reddy:— Because it is connected with that. Let me put supplementary. This pertains to basically naxalite infested areas which are predominantly very backward. A special drive has to be taken up to create confidence among the people. The development works have to be taken in these areas on par with other areas. The Government has not replied to it. What the Minister has stated was mere development works. Our question is very specific. Is the Government contemplating any special drive as was done earlier in the year 1990. Is the Government contemplating any special programme as of now?

Mr. Speaker:- That issue would be posted for debate according to the decision of the B.A.C.

Mr. Speaker:- Mr. Jeevan Reddy, this is not a debate. Why do you go to that?

Mr. Speaker:- Where is the time for all these things to discuss?

Sri K.R. Suresh Reddy:- Government will be able to rectify.

Mr. Speaker:- You want all discussions to take place on the Floor of the House.

Sri T. Jeevan Reddy:- I am talking only on the subject.
Mr. Speaker:- That is a different issue.

(At this juncture, Sri T. Jeevan Reddy further attempted to speak).

Mr. Speaker:- You put a separate question.

Mr. Speaker:- That is one of the issues decided by the BAC. Please speak when it is listed.

Mr. Speaker:- I am not allowing you. Why do you stand?

Mr. Speaker:- This is not the way. Mr. Janardhan Reddy, you have to control your Members.

Mr. Speaker:- Mr. Janardhan Reddy - what is this? You don't control your Members. You control your Members first.

Mr. Speaker:- I have given him opportunity. Still he is continuing his speech. He has expressed his opinion.
Mr. Speaker:- You are not on the subject. Unless I permit you, you cannot speak. This is the Question Hour.

Mr. Speaker:- Your request is very genuine. I can understand. I have permitted your Members to speak. They spoke. Even then they are still persisting to speak for how long to they speak? This is not correct. As a leader you have to control them. Anyway the subject has come before BAC.

Mr. Speaker:- In BAC, that issue has come. As per the decision of the BAC, it will come up for discussion.

Mr. Speaker:- In BAC, that issue has come. As per the decision of the BAC, it will come up for discussion.

Mr. Speaker:- In BAC, that issue has come. As per the decision of the BAC, it will come up for discussion.
Mr. Speaker:- Let the Chief Minister speak first.

…

Mr. Speaker:- I will give you opportunity. Let the Chief Minister speak.

Mr. Speaker:— It is Question Hour. Why do you raise so many things? Whatever you want to raise, you raise only about that question. If you request for half an hour discussion on this, I will allow.

(End of Speech)
Mr. Speaker:- I am very sorry. There should be some limit. Your Members are not able to confine to the subject. Everybody should know the rule position. I have allowed them to speak thrice. You are failing to know the importance of the time of the House. I am very sorry.

Mr. Speaker:— Please take your seat. Even though your Members' names are not in the list, I have allowed them to speak. If you want to discuss it, I will post that issue for half an hour discussion.

(Interruptions)

Mr. Speaker:— You should know the parliamentary procedure. When the Chair asked you to sit, you should sit. If you don't follow the procedure, you will be liable for action.

Mr. Speaker:— You are rising for everything. You should know the parliamentary procedure.

Mr. Speaker:— The Leaders are supposed to control their Members. If you yourselves deviate from the procedure, how can the other Members follow it? The Leaders should cooperate with the Chair.
Mr. Speaker:—Please take your seat.

Sir:—The Speaker:—Sir, there are Members speaking outside.

Mr. Speaker:—Please take your seat.

What is this? You are all very senior Members.
Mr. Speaker:— Please take him away.

(Interjections)

Please leave the Podium.

(Interjections)

Sri P. Indra Reddy:— He is threatening me. You have to protect us.

Mr. Speaker:— I have been following the proceedings. He has not threatened you. Please leave the Podium. You have no right to stand on the desk. I am very sorry.

(Interjections)

Sri P. Indra Reddy:— The Chief Minister should apologize.

Mr. Speaker:— I have been following the proceedings. He has not threatened you. This is very bad. He said that the running commentary is not good.

(Interjections)

Is it good on his part to stand on the desk?

(Interjections)

Mr. P. Indra Reddygaru, please take your seat.

Sri P. Indra Reddy:— The Chief Minister should apologize.

Mr. Speaker:— I am sorry. I want to take action because you know you are not supposed to stand on the chair. This is not your house. You should have some discipline. I have come to your rescue. This is why I am taking your issue even beyond time. It does not mean that you do all nuisance on the floor of the House. It is very bad. I am sorry. I will not allow the proceedings. I want apology from
Sri P. Indra Reddy. Unless he apologizes, I won't allow. Why did he stand on the chair? Let him say. He is the concerned person. I will give you chance. Let him apologize. No, this is not his house. This is the House of Parliamentary Democracy. I do not allow all these things. I do not allow any indecency on the Floor of the House. You should have asked for permission and I would have permitted. It is not good on your part to stand on the chair for which you should say 'sorry'. Otherwise, I will have to take action. I am sorry. I do not heed to anybody. Let us stick to some discipline. Unless he apologizes, I do not conduct the business of the House. Standing on the chair is most unparliamentary behaviour. Let him apologize. Then only, I will conduct the House. I am sorry. You are a Senior Member. If you do not understand, I cannot help you. What is this? There must be some limit to it. What made him stand on the chair? Let him apologize.

Sri Ch. Rajeswara Rao:- Point of submission Sir.

(Interruptions)

Mr. Speaker:- No, I am sorry. He would have requested. What does he mean by standing on the chair? It is not a school. You should behave in a proper manner and represent the matters. I will not listen to you. Let him apologize. I will ask the opinion of the leaders.

(Interruptions)

No, Sri P. Janardhan Reddygaru. Let him apologize. I am very particular about the behaviour of the Members. So, I request you to behave in a proper way. He should have asked for time to react to what the Chief Minister has said. I would have permitted him. Standing on the chair is not at all good. In addition, he is rushing to the podium. This is another crime. I want apology from the Member. Please, no discussion. I do not allow any discussion or any proceedings unless the Member apologizes.

Sri J.C. Diwakar Reddy:- Please allow our Leader to speak.
Mr. Speaker:- This is pertaining to the behaviour of a Member. Please take your seats. I am not allowing. What is this?

(Interruptions)

J. nardhan Reddygaru you should advice the Chair on these matters. You should not precipitate the matter. I simply said, unless he apologizes I will not run the business of the House. For that you tell me. Yes, I permit you.

Mr. Speaker:- If you do not cooperate with the Chair, what can I do? What is this? I have been here and I have been following the proceedings. Let us not make our House a laughing stock. Stick to the point. You are a leader of a political party. The only point is whether he has to apologize or not.

(Interruptions)

I am sorry, This is not the way to behave.

Mr. Speaker:- What can I do? You are deviating every line, I am very strict about the procedures. Unless, he apologizes, I do not conduct the business of the House.

What type of quality does it throw up? That type of quality will never, enhance the prestige of peoples' representatives cutting across the party lines. This is my honest submission. This House should not be helpless. If he does not rise to the occasion of yielding to your suggestion to tender unconditional apology to this August House this House should not be helpless. This is my submission to the Chair.

Dr. G. Vijaya Rama Rao:– Sir, this question is more pertinent for this season. The A.P. Hazard Mitigation and Emergency Cyclone Recovery Project is costing about ₹8.800 crores. Are you aware that this project is aimed at protecting the coastal areas from cyclones and other natural disasters? It involves the construction of various infrastructure projects to mitigate the effects of such events. The project aims to reduce the vulnerability of the affected areas and enhance the resilience of the communities. It is estimated to cover a period of 10 years, from 2018 to 2028.

Dr. Ramachandra:– Sir, the project is indeed crucial for the coastal areas. The cyclone season is particularly devastating, and it is essential to have adequate measures in place to minimize the impact. The project includes the construction of early warning systems, the upgrading of existing infrastructure, and the establishment of emergency response mechanisms. It is a comprehensive approach to disaster management, and we believe it will significantly reduce the damage caused by future cyclones. The project also emphasizes the role of public awareness and education in preparing the communities for such events.
Mr. Speaker:- The Question No. 20(4404) is postponed at the request of the Minister.

I have no objection. Let him say. We have already given notice to you also. It is a very important issue.
Sri P. Ashok Gajapathi Raju:- Sir, I want to bring something to your notice. With regard to zero hour, Sl.No. (5) says "No allegation of a defamatory or incriminatory nature shall be permitted during zero hour either with or without prior notice." This should apply "zero hour" strictly. Whenever this rule is put into practice, the proceedings of the House will become at a standstill. Sir, I request you to give this matter serious consideration.

Sir, this issue pertains to issuance of ration cards. A new system has been introduced. The ration card holders will have to first collect coupons to obtain kerosene. The person in whose name the ration card is issued has to go and collect coupons for obtaining kerosene. No family member of that person is allowed to obtain coupons. The people who obtain kerosene on ration cards are from the lower strata of the society. The previous system was, either of the family members used to go and procure ration-kerosene. I want to know why the Government
has introduced this system. Moreover, this system is burden
some to women-folk. They have to stand nearly three to four
hours. There are many people who have to go for their day's
work or business. They are denied kerosene on ration cards.

Secondly, no ration card is being issued to those who
are in need of them. What is the reason for this? If you
don't want to give white card on the recommendation of the
World Bank, atleast you give pink card after identifying the
genuine people. The Government should direct the concerned
Chief Rationing Officer and ASOs to issue the pink cards.

Sri P. Ashok Gajapathi Raju:- His suggestion has been
noted.

Sri Asaduddin Owaisi:- Sir, he just says 'noted'. There
are a lot of people suffering. Atleast some sort of answers
ought to have come from them.

Mr. Deputy Speaker:- Concerned Minister is not available.

Sri Asaduddin Owaisi:- Atleast you give directions.

Sri P. Ashok Gajapathi Raju:- It has nothing to do with
the concerned Minister. I have noted whatever he had said.

Sri Asaduddin Owaisi:- You give a ruling. Let the Mini-
ster become available during Zero Hour. Only three minutes
are allowed for Member. Let the Minister be available. What
is the point in raising the issue during Zero Hour in his
absence?

Mr. Speaker:-- The Government is there to reply. You cannot discuss about the non-members in the House. You please initiate discussion. The Government is ready to reply.

(Interruptions)

This is not correct. You please discuss on it.

(Interruptions)

Please don't waste the time of the House.

Sri K. Laxminarayana:-- The C.M. must be here.

Mr. Speaker:-- Why is C.M. required? The concerned Minister for Forest is prepared to give reply. You please initiate the debate.

Mr. Speaker:-- Your point is well taken.

It is an allegation against five Cabinet Ministers. I am not going into the J. 310-12
merits and demerits of the case. Of course, we cannot give direction to the Hon'ble Chief Minister. But it is better in the interest of the public, in the interest of the Government and in the interest of the Assembly to come to the House.

Sri P. Ashoka Gajapathi Raju:—Since they started the debate, suddenly, the breaks came on. I don't interfere in anything. Sir, here in this matter, a case is registered in the Court and there are two Public Interest Litigations filed in the High Court. In a way, the matter is sub judice. I don't say that a discussion on this should be debarred. That means, there should be some restraint, because each institution is expected to respect another. Besides that, an enquiry by the Government of Andhra Pradesh and also an enquiry by the Government of India is going on. My suggestion is that if anybody has any proof, I request them to give to the enquiring authorities and help them. We are adequate enough to answer to the points they raise. We will reply to the full satisfaction of a logical person.

Sri Kanna Lakshminarayana:—We are not convinced.

Mr. Speaker:—It is left to the Government as to who has to answer to the point on the Floor of the House. Why do you bother.
Mr. Speaker:— I am sorry. Let it be. Why do you rather?

(Interruptions)

The Government has the collective responsibility to reply.

(Interruptions)

Why do you waste the time of the House?

Sri Kanna Laxminarayana:— Is it not wasting the time of the House?

Mr. Speaker:— The Government is collectively responsible. Earlier, you were also a Minister in the Government.

Sri Kanna Laxminarayana:— I agree with you. It is an allegation against the Cabinet Ministers.

Mr. Speaker:— For that the Minister for Forest is ready to answer you.

(Interruptions)

Mr. Speaker:— As per the rules if any subject is posted in favour of any particular Minister and if he is not here, we can ask him to be present in the House. But, here the subject is confined to the Forest Minister who can reply:
Sri Kanna Laxminarayana:— It is in the normal course of business, but here the subject is different. It assumed importance.

Mr. Speaker:— Whatever may be the subject, the Forest Minister is ready to give answer.

Mr. Speaker:— If that is the case, a debate is not at all required.

(Interruptions)

I have already made it clear. The minister is ready to reply. You please initiate the debate. If you are not satisfied with his reply.....

Why do you entertain doubts?

Mr. Speaker:— Whatever may be the subject, the Forest Minister is ready to give answer.

Mr. Speaker:— If that is the case, a debate is not at all required.

(Interruptions)
Mr. Speaker:- Why do you express doubts. The Forest Minister is prepared to give reply. You have talked about 39 issues in the yesterday's BAC meeting. Let some of them be completed.

Sri Kanna Laxminarayana:- The Chief Minister should be in the House, Sir.

Mr. Speaker:- The subject is posted in favour of the Forest Minister.

I am sorry, You are wasting the time of the House.

Then I will take up the issue of cyclone for discussion.

Mr. Speaker:- If you are not satisfied with the reply of the Forest Minister, then we can decide.
This is not correct. How many days do you want to prolong it. This is not in favour of Chief Minister. It is in favour of the Forest Minister.

Mr. Speaker:- When business is posted in favour of Forest Minister, he will answer it.

Mr. Speaker:- You are permitted to speak, but please see that the name of the Speaker of Lok Sabha is not mentioned. It is not good to mention his name here. Let us have some constraints.

Sri Kanna Laxminarayana:- We are confining to it.
Mr. Speaker:- How Srisailam is connected? Please confine to the issue.

Mr. Speaker:- Please speak on the issue.

Mr. Speaker: Mr. Redya Naik, please take your seat.

Sr. Speaker:- 

Mr. Speaker: Mr. Redya Naik, please take your seat.

Sri Asaduddin Owaisi:— Speaker Sir, whenever a cat drinks milk it closes its eyes and thinks that the world is not watching it. Now the present incident is just like that. On 13th October, 1998, a big dinner was hosted on the completion of three years as the Hon'ble Minister and dishes of animals of wild life, which are supposed to be protected, were served. The Hon'ble Chief Minister has started a programme once in a month, I believe Clean and Green Programme. Now when this incident has come to light in the newspapers, the Hon'ble Minister had gone on record and stated that on that particular day when the dinner was hosted, it was Saturday.
and that he did not eat meat on Saturday, whereas as far as I know, according to the calendar, 13th October, 1998 happens to be Tuesday. I just want to know how the Indian polity and democracy is working on such levels, as one particular film actor named unfortunately Salmaan Khan was sent to jail and the Union Minister, Smt. Maneka Gandhi especially tried to make sure that he was sent to jail and the present Minister is not booked. I want to know from our vibrant Hon'ble Chief Minister whether the law is applicable to only people like film actors and common persons, and not to persons like Hon'ble Minister? When a film actor can be sent to jail, why can't the Minister be sent to jail? Our laws have been made only for common people. The Ministers should also be booked. His name should be there in the F.I.R. Sir, the Government, the Department or the police authorities are very happy in using the pen to write anybody's name. Who is responsible for this? Will the enquiry by a Chief Conservator of Forest, be enough? We want to know the facts. We want to know what is happening and who is responsible. Who is behind it? Where are the cooks? Sir, it is very unfortunate that in this dinner, a very high Constitutional authority like the Hon'ble Speaker of Lok Sabha was there. It is very unfortunate. I am sad to name it. (Bell) Sir, it is there in the newspapers that he was there. The concerned Minister was there. Sir, through you I request the Government, if they are really interested in justice, not to go by the jargon of Wild Life Act, but no make an example to order C.B.I. enquiry. I request that a C.B.I. enquiry be ordered to let the people know the facts. Because Salmaan Khan belongs to a minority community he can be sent to jail. What about Ministers? There should a rule of law for each and everybody. I believe in the newspapers it appeared that a FAX from the office of Hon'ble Chief Minister was issued, wherein it was said that eating meat of wild animals is not a crime, but hunting a wild animals is a crime
What kind of words are being used to justify this inhuman act.

Speaker, Sir, I request that the C.B.I. enquiry should be ordered. Let the facts come out. Ministers or others-whoever are responsible they should be booked, so that people can understand the wild life law.

All the Government Departments are doing this. This is nothing but public money. It is a fact that an advertisement was given with regard to the same in the press. It has also been stated that nearly Rs. 18.00 lakhs were spent on these advertisements. A note has been circulated stating that enquiry is already over and the Forest Range Officer, in the first instance, submitted stating that no such incident happened. This report I am reading from the notes circulated by the Government which is in the name of Sri K.E. Prabhakar. It was told that the Divisional Forest Officer, Khammam, ordered an enquiry to be conducted by the Forest Range Officer, who in turn gave his report on 3-11-1998, stating that no evidence was collected with regard to the incident. Sir, this is the attitude of the Government. What we can expect from Sri Ramakrishna, who is nothing but a mere forest range officer? Only the person, who has been granted a licence under sub-section-4, should carry or business. All these means that only the person who is having the licence can only deal with the meat, but not others. There was also a description of eating place in the Act. Eating place means a hotel, restaurant or any other place, wherein the meat was served, on payment.
