Sri K. Vidyadhara Rao (Chintlapudi): ‘Sir, Speaker, Sir, by
now you might be aware of the fact that in this House that 54 Telugu
Desam Legislature Party Members were suspended on an issue per-
taining to an attempt by the Government to tarnish the image of our
Leader Sri N.T. Rama Rao. Inspite of the categorical assurance given
to us by both the Chief Minister and the Finance Minister that it is
not the attitude of the Government to throw mud or harass the people.
much less the Leader of Opposition, still proceedings are continu-
ously going on. I would like to bring certain developments to the
notice of the Government. After our giving notice under Rule 304...

Sri K. Vidyadhara Rao: Yes, Sir, Let me complete the issue
so that the Government may know what are the developments.

Mr. Speaker: Briefly. Today, we wanted to discuss only on
the irrigation projects. If it is so important and urgent, tell briefly so
that some answer may come.

Sri K. Vidyadhara Rao: A theft occured at Hotel Aahwanam
of Rs.2.4 lakhs and a report was given in the police station. A bi-
zarre item appeared in Deccan Chronicle that Sri N.T. Rama Rao
has been snatched away Rs.1.7 crores at Nacharam and it has been
covered up by giving a false report.

Mr. Speaker: What is the further latest development? You
confine to it.

Sri K. Vidyadhara Rao: I will give a gist on the three points. On the
very same day the paper writing came, the Commissioner of Police cat-
egorically stated that the theft had taken place at Hotel Aahwanam, the
report was received, case has been registered, the accused arrested and
the amount was recovered. Inspite of that, certain legislators raised a hue
and cry in the Congress Party and the Chief Minister suo moto gave a
press statement that the CBCID enquiry will be ordered into it. On the same
day CBCID enquiry has been ordered. In spite of that enquiry, we have not
been objecting if the officers who started the enquiry were corrupt another
officer could have been replaced. The CBCID's malafide intentions have
gone to the extent of harassing people and changing their case from time to
time to suit their taste in a far fetched idea to support their allegation that the
theft of Rs.1.7 crores at Nacharam and not at Hotel Aahwanam.

Mr. SPEAKER: What are the latest developments?

SRI K.VIDYADHARA RAO: I will gave you two incidents.

MR. SPEAKER: If everybody wants to stick on to his guns, how to
conduct the House?

SRI K.VIDYADHARA RAO: Clearly, I would like to mention
two incidents. The very idea that the police is mala fide is clear from
the facts as to how the victim in the police custody was made available to the press for interview? How the investigation that is going on
is available to the press simultaneously? The Chief Minister makes a
statement saying that we will prove the case at Nacharam.

Mr. SPEAKER: You are going into unnecessary details. What
is the extraordinary thing that has happened to which you want to
draw the attention of the Minister?

SRI K.VIDYADHARA RAO: Yesterday, the son of our party
leader Sri Harikrishna was called to the Abids Police Station at
4.00 P.M. and detained till 1.30 P.M. without food in the name of inter­
rogation and investigation. In spite of the fact that he has protested
and said that he is prepared to come and cooperate with them and
requested to leave him as he is not doing well, the police did not
leave him but went on harassing him till 1.30 in the mid night. We did
not see any case wherein the complainant was detained in the police
station till mid night. You are much aware of Section 378 of Criminal
Procedure Code, the complainant is investigated pertaining to the
report, but the complainant was questioned about the theft at
Nacharam which he stoutly denied.

MR. SPEAKER: Stop there. When was he summoned?

SRI K.VIDYADHARA RAO: On 13th at 4.00 P.M.

MR. SPEAKER: at what time was he left?
SRI K.VIDYADHARA RAO: At 1.30A.M. on the next day, i.e. in the mid night.

MR. SPEAKER: Please leave it there.

SRI D. SRINIVAS: We have already said, as alleged by them there is no political harassment or political vendetta in that. There was more than one reason in referring the issue to the CBCID.

MR. SPEAKER: Was he called at 4.00 P.M. and kept in the police station till 1.30? That is only relevant.

SRI D. SRINIVAS: I will find out about it. But, normally we do not involve.

MR. SPEAKER: By the end of session today, please find out and let them know.

MR S. SPEAKER : Let him say. The Minister is on his legs

SRI CH. VIDYASAGAR RAO (Melpalli): O.K.

MR. SPEAKER : Yes, agreed.

MR. SPEAKER : Shall we meet in the evening?

SRI CH. VIDYASAGAR RAO (Melpalli): O.K.

MR. SPEAKER : Yes, agreed.

SPIK. BAPIRAJU : Thank you.

I will permit you. I am also considered.
MR. SPEAKER: To the extent the Minister concerned, she has given a statement. For any modification, let the Chief Minister come. I will permit you. Your mention should be of some purpose. The Minister has gone her job. The presence of the Chief Minister is necessary for any modification.

MR. SPEAKER: I am telling you. If you want now, I will permit, but I won't allow you after the Chief Minister comes.

SRI K. VIDYADHARA RAO: When, Sir?

MR. SPEAKER: Today, before rising.

MR. SPEAKER: The only simple point is whether so and so was called to the police station at 4 o'clock and detained till 1.30 is the question. By the end of session he will give a statement.

SRI K. VIDYADHARA RAO: When, Sir?

MR. SPEAKER: Today, before rising.
question hour and there is no zero hour. Because the Deputy Leader Sri K. Vidyadhar Rao rose. I have given permission. If necessary, when he makes a statement, you can mention.

MR. SPEAKER: This is not the forum. Today, the discussion should be only on the item mentioned in the agenda. Please don’t divert and waste time.

MR. SPEAKER: I am not permitting you. Member is not supposed to answer. Please resume your seat.

SRI K. RAMACHANDRA RAO (Kollapur): The purpose of convening this session is to discuss the minor irrigation projects in Telangana area. The very purpose is marred. That is why I request you

MR. SPEAKER: It is the duty of the Chief Whip to prepare the list of speakers and give it. I am not getting it for the last three days. Whom shall I call? Suppose they won’t give, I will call you as you catch my eye.
SRI R.CHANGA REDDY:- I am taking down all the points. You want reply. The Chief Minister will definitely give reply.

MR. SPEAKER:- Several times I have given the ruling that so far as one Minister is available, I have no right to direct anybody.

MR.SPEAKER:- (To Indra Reddy) Continue your speech. Who is there and who is not there is immaterial.

MR.SPEAKER:- Don't give mike to both of them. please resume your seat. I will answer Mr.Indra Reddy. Mr. Indra Reddy, you have drawn the attention of the House to the presence of the Chief Minister. You continue your speech. 

MR. SPEAKER:- (To Indra Reddy) Continue your speech. Who is there and who is not there is immaterial.
MR. SPEAKER:- I expect toleration from you.

8:50
I suggest to both of you to become very close friends outside.

The NASDAQ Composite Index was down 20%. The news was dominated by the story of the economic crisis in Asia. The situation in Indonesia, which seemed to have been on the edge of disaster, was now considered to be critical. The government there had announced a series of emergency measures to stabilize the economy. The World Bank and the International Monetary Fund had agreed to provide financial assistance to Indonesia. The market reaction was mixed, with some investors buying up stocks at bargain prices, while others were selling off their holdings. The currency markets were also volatile, with the Indonesian rupiah falling sharply against the dollar. The situation in South Korea was also a major concern, with the government there announcing a series of economic measures to prevent a financial crisis. The South Korean won was down 5% against the dollar, while the South Korean stock market had fallen 10%. The news coverage was intense, with many news organizations devoting extensive coverage to the story. The financial markets were closed for the day, and trading will resume tomorrow.

J. 110-4
The observance of the Tribunal in the matter is —

"The State of Andhra Pradesh, no doubt, has been allocated enough water for historical reasons, but still Telangana part of the State of Andhra Pradesh stands in need of irrigation. The area which we are considering for irrigation formed part of Hyderabad State there were better chances for the residents of this area to get irrigation facilities in Mahaboobnagar District. We are of the opinion that this area should not be deprived of the benefit of irrigation on account of the reorganisation of State. If properly managed Jurala Project Stage-1 can operate by utilising about 18 TMC. We, therefore, think it proper that 17.84 TMC of water at 75% dependability should be allocated for Stage-I of the Project.

Sec.2(c) of the minutes of recently concluded World Bank agreement speaks of phased programme of conversion of 62,000 hectares (153 lakhs acres) or irrigated wet into irrigated dry. Beginning with 1987 to be concluded by 1991. The world bank has expressed doubt conversion programme, though the Government of Andhra Pradesh has expressed its intention to complete by 1991. The world bank comments on the financial inadequacies of State Government to meet the capital cost of the Project. Section 2(b) deals with Government of Andhra Pradesh's assurance to double the water charges now Levied to meet 20% of the capital cost of the project. World Bank has also expressed its apprehension about the phased vii plan expenditure, because the State Government has spent less than 40% of the earmarked 3 crores in the first four years and yet to spend 60% of the plan allocation. These are the world bank comments.

The Governor shall accept the recommendations of the Government. He may resign. The Governor shall be seen as a representative of the Government. He should resign if he does not. The Governor shall accept the recommendations of the Government. He may resign. The external panel should be prepared.

they are simply managed by the authorities of the universities
In any low developed country the higher education enrolment is only 3% of the student population but our state has got 9% enrolment. Elementary education has become difficult and enrollment continued as become a difficulty in higher education. Whereas the student population is only 6% but our educational system is 95% of the education. The Vice-Chancellor's age should be taken into consideration as suggested by UGC or such Committee. There are people, though aged, they can work. There are people, though they are not aged, they cannot work because of their ill-health.
Then, how can you think that the Universities be delivering their social obligation, when they are not aware as to what problem, i.e. going on there?

Government should have contact and there should be proper relationship between the University and the Government.

Annual Reports will be placed only for the Government institutes and the Universities are autonomous bodies. That is a Government institution and the University is an autonomous institute.

There is no need to have another Dean in University recognised by the U.G.C., that degree will be automatically recognised. Any institution or Deemed University, automatically their degrees will be recognised.

we cannot run any institution.
This should not be thinking. We should feel that every one is a gentle man unless proved otherwise. Every donestoin will be scrutinised by the Executive Committee and unwanted people will not be allowed. We do not think that it is necessary to create this. Even a gentle man will be scrutinised. That will go a long way and bring the society nearer to the University or make the University understand the society and develop the better needed subjects. To avoid delay, we have said that the report should be submitted to the Government. Whatever decision they take, it will be forwarded to the Chancellor.
Finance Officer shall be a whole time officer of the University appointed by the Government of such terms and conditions as may be prescribed by the Rules made by the Government in this behalf. 

16th Finance Commission.
Mr. Speaker: Any reconsideration?

Sri N.Janardhan Reddy:- I have made it quite clear about all the amendments. For example, I will tell you, affiliated college means any college of Government or private, aided or unaided located in the jurisdiction. University is not concerned whether the Government gives grant or not. University is only concerned with the affiliation, whether it is aided or unaided Government or anything. I have already such kind of things to the Hon. Member. That notification will be confirmed by the Government and the House. Sole, any new Act that comes will be automatically done like that. All these things, I have clarified.

It is already there. As approved by the U.G.C, it will be there.
