In France 70% of the Power requirement is from atomic energy.

They are also going back from atomic power.

In 1983 the program to build new atomic power plants was halted, and efforts were made to develop new sources of energy. The plan was to diversify the energy mix, reduce the reliance on nuclear power — coal, gas, hydro, and renewable sources such as wind and solar. The goal was to reduce the dependence on atomic power.

In France 70% of the Power requirement is from atomic energy.

Mr. Deputy Speaker:- Now, I request the Minister for Agriculture to reply.

(Sri D.K. Samarasimha Reddy rose to reply.)

Sri Ch. Vidyasagar Rao:- Revenue Minister has to answer.

Mr. Deputy Speaker:- Any Minister can delegate his right and power to answer to other Minister.

Sri K. Vidyadhara Rao:- Hon. Chief Minister has delegated his powers, but we have a Minister of State incharge of Revenue. He is very much in the House. If the Chief Minister is not in position to answer the question, the Minister of State has to answer. How can a third Minister...
Mr. Deputy Speaker:- He has a right. He also can delegate.

Sri K. Vidyadhara Rao:- That portfolio is with the Chief Minister. Another Minister cannot answer. The Minister of State is here. How can another Minister answer? The portfolio is with the Chief Minister. Another Minister cannot answer. The Minister of State is here. Mr. Deputy Speaker:- He has a right. He also can delegate.

Sri K. Vidyadhara Rao:- That portfolio is with the Chief Minister. Another Minister cannot answer. The Minister of State is here. Mr. Deputy Speaker:- Your rights are not affected. There is no illegality or irregularity.

Sri K. Vidyadhara Rao:- Sir, Mr. Samarasimha Reddy has been stripped off his portfolio of Revenue. Mr. Deputy Speaker:- Time is being unnecessarily wasted. Mr. Deputy Speaker:- Time is being unnecessarily wasted.

Sri D.K. Samarasimha Reddy:- I am not going into the answer. Because my friend has raised a point, let me.....

Sri D.K. Samarasimha Reddy:- Before raising an objection my
friends may look into the allocation of portfolios ordered by his Excellency the Governor under the Constitution of India.

(Interruptions)

Let him complete.

Nobody can question it.

I am not answering the question. I will clarify their doubt.
it. All the revenue officials are supposed to brief the concerned Minister.

Mr. Deputy Speaker:- If you are not satisfied with the answer, we will see.

Sri D.K. Samarasimha Reddy:- A fundamental question has been raised and I would like to answer it. The portfolio of Revenue, which deals with this question, is definitely with the Hon. Chief Minister. The Hon. Chief Minister is well within his rights to allocate it to any other Minister for the purpose of answering during the course of Assembly session. Nobody can deny it. That is exactly what has happened. That portfolio has not been given to anybody. The Hon. Minister has only been attached to the hon. Chief Minister. Let them see the constitutional provision.

This injustice to the Backward Classes will not be tolerated.

Mr. Deputy Speaker:- This is not the way.

Sri D.K. Samarasimha Reddy:- After hearing my reply to the question, if they want they can seek further clarification from the Hon. Chief Minister. Let them not forget the Constitutional provision.

Sri K. Vidyadhara Rao:- Government cannot take the House for a ride. This is motivated. The Minister is sitting in the House.

Sri Ch. Vidyasagar Rao:- They have not placed even before the Chair.

Mr. Deputy Speaker:- There is no point in your agitation. Please resume your seat.
Minister, incharge of Revenue portfolio, have requested you and you have agreed with regard to Mr. Samarasimha Reddy. As far as Mr. Jaganmohan Rao is concerned, he will get the allotted subjects. I have consulted him. He is also looking into it. In a day or two, he will.

Mr. Deputy Speaker: Mr. Jaganmohan Rao is not in independent charge.

Mr. Deputy Speaker: Mr. Jaganmohan Rao is not in independent charge.
Sri D.K. Samarasimha Reddy: The Hon'ble Chief Minister had made it abundantly clear that the subject of Revenue is also with him.

D.K. Samarasimha Reddy: What is his doubt still? I am not able to understand.

Sri K. Vidyadhara Rao: No. He cannot answer. He is not competent to answer.

Mr. Deputy Speaker: There is no objection anywhere. There is no prohibition. It is quite lawful.

Sri K. Vidyadhara Rao: There is no such a precedent in the House.

Sri K. Bapi Raju: I want a clarification from you, Sir. Since the Hon'ble Chief Minister answered I would like to request the Hon'ble Dy. Speaker to give ruling on the issue. Whatever ruling you give, we will abide by it. Please give ruling.
Sri K. Bapi Raju:- Kindly give ruling. We will abide by your ruling.

Sri Ch. Vidyasagara Rao:- I am on my legs. It is none of his business to interrupt me.

I may be right or wrong. Whether you want better information or wrong information you decide for yourself.

Sri K. Subba Reddy (Koilla Kuntla):- Sir, I am on a point of order.

Mr. Deputy Speaker:- I do not want to allow your point of order. However, I would like to hear you and then proceed further.
Sri K. Subba Reddy:- Now, the question before the House is whether the concerned Minister should answer or the Chief Minister can delegate to some other Minister and the delegated Minister can answer. This is the question before the House. Sub-rule (6) of Rule 51 under Chapter VII at page 29 goes like this: 'The Member who has given notice of the question shall be in his seat to read the question when called by the Speaker and the Minister concerned shall give a reply immediately'. So, this is the rule position. There is no confusion in this matter. We have to abide by the rules unless we change the rules. So, you please give your ruling. The concerned Minister shall give the answer.

He is attached to him and he is not given independent portfolio. The Chief Minister is in full charge of the portfolio. It is quite lawful for him to delegate the subject to anybody.

Let me refer to the rule quoted by Sri Subba Reddy. 'The Member who has given notice of the question shall be in his seat to read the question when called by the Speaker and the Minister concerned shall give a reply immediately'. The Minister to whom the responsibility of replying is entrusted lawfully is ready to reply. The responsibility of answering has been entrusted quite lawfully. The Hon’ble Chief Minister is competent to delegate to the concerned and I have given the consent. He is the concerned Minister to answer.

Sri K. Vidyadhara Rao:- Sir,
Sri D.K. Samarasimha Reddy:- Sir, after the ruling where is the question of discussion on that?

Mr. Deputy Speaker:- The Minister for Agriculture is quite competent to answer the question. I request him to give the answer.

Sri K. Vidyadhara Rao:- This is a very bad precedent in this House. He has taken the House for a ride. The Minister of State for Revenue is very much in the House. If the Chief Minister is not free, the concerned Minister can give the answer.

Mr. Deputy Speaker:- There must be some end for this. Mr. Vidyadhara Rao, why are you asking the Minister of State for Revenue? If the Chief Minister is not free, the concerned Minister can give the answer. Let us proceed further.

Sri K. Vidyadhara Rao:- It is a very bad precedent. I request you to reconsider your ruling. When the Chief Minister is very much there in the House, instead of giving delegation to somebody, he, himself, can answer the question.

Mr. Deputy Speaker:- I request you to abide by the ruling and let us proceed further. We have already wasted sufficient time. Do not waste any further time.

Sri K. Vidyadhara Rao:- Sir, it is a bad precedent in this House.

12.50

Mr. Deputy Speaker:- We are not concerned with that.

Sri D.K. Samarasimha Reddy:- May I answer now?

Mr. Deputy Speaker:- The ruling is already given. Please resume your seats and allow the Minister to give the reply.
Sri D.K. Samarasimha Reddy: Some of the remarks passed by the Hon'ble Members are quite uncharitable. Yet, I would leave it to their wisdom.
Sri Ch. Hari Rama Jogaiah :- Is it a single supplementary?

Sri D.K. Samarasimha Reddy :- I am glad that the hon’ble Member is quite conscious of the fact that this is neither Agriculture nor Horticulture.

It is definitely a revenue subject. So far as the figure that has been given by the Hon’ble Member is concerned probably, he has briefed rightly with regard to the extent of land i.e., 5,975 acres. There is no dispute about it. My answer to the question has been precise and direct to the question alone. Now, the supplementary is in a different way. Anyway, I shall answer. It is a fact that the matter has been taken up by the Commissioner for Land Revenue through an enquiry and I admit what the Hon’ble Member has said. After the Commissioner for Land Revenue has completed the enquiry, notices were served on certain persons and they have gone to the Court. The matter is now pending in the High Court in the W.P. No. 2564/89. The High Court has already passed an interim order. Now, the matter is sub judice with the High Court. Therefore, it is not proper for me in the best interests to disclose any further on this.

Sri S. Reddy, M.V. Mallara Reddy :- Yes, but the hon’ble Member has mentioned 6 acres, whereas the High Court has taken 5,975 acres. It is not so.

(Signature)
Because Samarasimha Reddy is an advocate he wants to go away with the answer that the matter is sub judice. Already, cases are pending. You have to evict the land grabbers.

Sri D.K. Samarasimha Reddy :- With regard to anybody trying anywhere to grab the Government lands, irrespective of political party affiliation, we have already issued instructions to the concerned District Collectors and the Superintendents of Police to arrange for pickets and take stringent measures also to remove them from the encroachment. If any further suggestions are given by the Hon'ble Members, definitely, we will welcome them. We will try to prevent the land grabbers and to that extent we will agree with him.

This pertains to Minor Irrigation.
It is again repeated.

Sri R. Chenga Reddy :- You put a separate question.

Mr. Deputy Speaker :- Otherwise, you cannot get a reply. You put a separate question under minor Irrigation. If you want, I will also enter into an argument.

Sri K. Vidyadhara Rao :- The concerned Chairman of the Planning Board, Zilla Parishad, had directed to execute the work. We have got several notices. This covered your question also.

Sri K. Vidyadhara Rao :- There is no question of covering my question. I have not given any notice which covers the Minor Irrigation. One of the Ministers who chaired the Planning Board, had directed the Government machinery to execute the work but the money was not
paid.35 rupees only. The committee had decided to pay Rs. 5000 to the Hon. Vice-Chancellor on the occasion of his 75th birthday. A meeting was called on this Tuesday.

Has the money been advanced? If not, why?

Sir, the importance of the question is understood by one and all. One of the Ministers have given an assurance that the work should be executed and he will put in a word to the Chief Minister and the funds will be released.

What is the matter pertaining to Medium Irrigation?

Sir, the importance of the question is understood by one and all. One of the Ministers have given an assurance that the work should be executed and he will put in a word to the Chief Minister and the funds will be released.

"1599—Sri M. Omkar:— Will the MINISTER FOR TECHNICAL EDUCATION be pleased to state:

(a) whether there is any proposal to permit new private Engineering Colleges on capitation basis in the State;

(b) whether the details relating to the corpus fund, lands provided, the present value of the assets and the manner in which the teaching and non-teaching posts filled up by the different private Engineering Colleges functioning already be placed on the Table of the House; and

(c) whether there is any proposal to take over the existing private engineering colleges by the Government?
(a) No, Sir

(b) A note showing the details relating to corpus fund, lands to be provided etc. is placed on the Table of the House.

(c) No, Sir.

After coming into force of the provisions of Act No.5 of Andhra Pradesh Educational Institutions (Regulation of Admission and Prohibition of Capitation fee) Act, 1983 the admissions made into engineering Colleges as well as Polytechnics were strictly based on merit in the common entrance test. With the enforcement of the provisions of the said Act the practice of collection of capitation fee was banned in all educational institutions in Andhra Pradesh. Under this Act any Education institution that admits candidates on the basis of capitation fee shall be punished in the manner as prescribed in the Act. The said Act is still in vogue and hence the question of permission or revival of admission on the basis of capitation fee does not arise.

Further as per the Government orders in vogue (G.O.Ms.No. 525, Edn. (W) Department, Dated. 29-11-1983) the managements of Private Engineering Colleges should deposit a sum of Rs. 30 Lakhs in bank in the joint account of private Engineering College and Director of Technical Education and also to provide 30 acres of land for location of an Engineering College. Further to oversee the functioning and management of Private Engineering College two representatives from Government and one from University concerned are also nominated as members of Governing body. With regards to appointment of staff i.e. Teaching and Non-Teaching the Government have constituted selection committees as following:

Teaching:

1. Chairman: Vice-Chancellor of concerned University.
2. Chairman of Governing body.
3. Secretary/Correspondent of the College.
4. Principal of College.
5. Concerned Head of the Department of University or Chairman, Board of Studies.
6. Experts to be nominated by Vice-Chancellor of the concerned University.

J. 101-8
7. Director of Technical Education.

**Non-Teaching:**

1. Chairman/President of the College.
2. Secretary/Correspondent of College.
3. Principal of College.
4. Concerned Head of the Department.
5. Director of Technical Education or his nominee.

Currently there is no proposal under consideration of Government to take over existing private Engineering Colleges. The estimated cost worked out to Rs. 830 lakhs non-recurring and Rs. 83 lakhs recurring expenditure. If Government takes over the all Private Engineering Colleges, the entire recurring expenditure devolves on the Department of Technical Education, which works out to Rs. 1245 lakhs for 15 Engineering Colleges.

All 15 Private Engineering Colleges are not yet recognised by Government. Moreover all the Private Engineering Colleges are not having adequate infrastructural facilities. Therefore, the non-recurring expenditure works out to Rs. 6225 lakhs for 15 Engineering Colleges on the assumption that each institution has invested 50% of the estimated cost of non-recurring expenditure i.e. Rs. 415.00 lakhs. Therefore, it may not be feasible to take over all the Private Engineering Colleges by Government in the State.
