B.I.F.R. also is a quasi judicial body - deficient in the management - management not professional and original like the Central Excise - 50% of tariff not paid - even after five years the Management could not keep pace with the changing demand in the market - The Management did not have foresight - high inventory cost...

The B.P.I.R. has authorised the I.D.B.I. as an operating agency.

How many industrial groups have come forward to take up the A.P. Rayalseema Paper Mill? The B.P.I.R. has authorised the I.D.B.I. as an operating agency.

Sri K. Vidyadahara Rao:- This is an important question.

Mr. Speaker:- Every question is important as far as I am concerned. I cannot devote more than five to six minutes. I must exhaust the list. Each question must be answered.
Mr. Speaker:- I have postponed it.

Sri P. Nageswara Rao:- I request you to post it before 21st.

Mr. Speaker:- I will see that it comes.

Sri D.K. Samarasimha Reddy:- I would appeal to the Hon. Members, you have requested for postponement and the Hon. Speaker has postponed it. It is the prerogative of the Speaker to give the date. You cannot dictate terms to the Speaker. I would appeal them to maintain this.

Mr. Speaker:- The difficulty with the Members is, you have requested for postponement. Again you have requested to post it before 21st. I have agreed. Why are you worried?
What is the fun of discussion after postponement? No discussion on postponed question.
Mr. Speaker:- Being a trade-union leader, you know better.

Mr. Speaker:- The Hon'ble Member wanted to know whether even after the modernisation will the manual labour be saved?

Sri K. Vidyadhara Rao:- The subject which we are going to raise is whether the case is pending in the Supreme Court or not. Our Government has compromised with the party.

Mr. Speaker:- I am not allowing it under R/304. I have already passed orders. It cannot be a subject matter. Now the question is Zero Hour.

Mr. Speaker:- Yesterday, in Eenadu Paper, you (the Minister for Revenue) might have read it.
Mr. Speaker:- Mr. Vidyasagar Rao, be careful. I am not defending anybody. I have to transact the business. (Interruptions)

Zero Hour cannot be like this. I am not bothered, how many allegations are true and how many allegations are not. I am not concerned. I am concerned with my procedure in conducting the House. A person like you remarking on the Chair. I take it very seriously. You said that I am supporting the Government. I am not here to support anybody. I support the rules and I support the men who are following the rules. I am very sorry, you must regret for it.

Sri D.K. Samarasimha Reddy:- My appeal to the Hon'ble Members is not to take cognisance of the Press Reports. Unfortunately, some of the press people have been resorting to a sort of yellow-journalism.

Mr. Speaker:- Your answer has come.

(Speeches)

The matter is not pending before the Supreme Court. The matter which appeared in the 'Eenadu' Paper, Azam is fighting in the Supreme Court.
This Government is not dare enough to condemn it.

(Interruptions)

Mr. Speaker:— I am not concerned.

Sri Ch. Vidyasagar Rao:— You are concerned. This Government is not doing its job. Let us forget about the zero hour.

Mr. Speaker:— This is not the forum to mention Zero hour. Let us forget about the zero hour.

Sri Ch. Vidyasagar Rao:— You adjourn the House. We are not going to sit.

Sri P. Nageswara Rao:- Sir,....

(Interruptions)

We will appreciate it. Yellow journalism may be correct or may not be correct. The words 'Yellow Journalism' may be expunged or they should withdraw those words. Sir, you have asked me to suggest a wayout. The cause of action came yesterday only because they came to know yesterday only.

Sri P. Nageshwara Rao:- What is this?

Sri K. Vidyadhara Rao:- What is this, Sir?

Sri K. Vidyadhara Rao:- What is this?

Sri K. Vidyadhara Rao:- What is this?

You (TDP Members) do not know how to conduct your business, according to Rules.

(Shouts from both the sides)

This behaviour is too much on the part of TDP Members. Their behaviour is highly reprehensible. They cannot dictate terms to Speaker. This is bad. If they want anything (to bring) on the Floor of the House, it must be according to Rules.

(Shouts)
Sri D.K. Samarasimha Reddy:- What is this? They cannot go on dictating terms to the Speaker. This is not the way. They cannot do like this and hold everybody to ransom. Our Members are bearing with patience. We have been controlling our members not to get up.

(Sri D.K. Samarasimha Reddy:-)

Sri D.K. Samarasimha Reddy:- I still stand by it.... You have no respect for....

"Anything that happened a week ago, I will not take into cognisance." లేదా భావించడం. Although,
this actually was started in 1980, it is still a current one. It has been not concluded. This is going on. Something is going to be done very soon. That is why we are agitated. Whatever is done that should be done in the interest of the State and still this is a current. Therefore it should be allowed either as 304. 304 § or § 355 or § 358 or § 303. What is going to be done should be done in the interest of the State and still this is a current. Therefore it should be allowed either as 304. 304 § or § 355 or § 358 or § 303.

Mr. Deputy Speaker:- Everybody has got that chance. When the Leaders wanted I have given a chance. This is not a debate. Let Mr. R. Changa Reddy, Hon'ble Minister have a chance.
The long labyrinthine history of deceit and double dealing involving the State Government lies behind the summary eviction of 3,000 destitute families from the 24 acre plot of land at Bathakamma Kunta in the Bagh Amberpet area of the city on March 25 last. The eviction carried out on the basis of the official claim that the land belongs to the Municipal Corporation of Hyderabad rests on a blatant misrepresentation of facts as is evident from the statement that the Government made on the floor of the State Legislative Assembly that the ownership of the land is under dispute before the Supreme Court. It is surprising that the Government has chosen to adopt this stance as it is for the Government itself to present the full facts relating to the dispute before the Supreme Court to secure an early disposal of the petition filed by the private owner of the land.
unnecessarily creating some sort of trouble.

They don't have the patience to hear.

I have heard sufficiently from all sides.
Mr. Deputy Speaker:- Everybody has got his own views. If the views of all the 294 Hon. Members have to be projected, this is not the issue.

Please sit down.

No, you cannot put forth your view on this. Please sit down. You must sit down first.

Is it an urgent matter?

If you want to explain them further, you have got several other ways.
Sri D.K. Samarasimha Reddy:—They wanted me to say something. If they don't want, I will sit down.

Mr.—Deputy Speaker:—You cannot dictate terms to the Chair. After all you are one among the 294 Members. You have no special rights here.

(Sri N. Chandrababu Naidu and other Telugu Desam Party Hon. Members started speaking).

Please don't defy the Chair. It is always the modesty and discipline that pays but not the defiance.
Sri D.K. Samarasimha Reddy:- Already the Hon. Minister has said that at appropriate time he will make a statement. There ends the matter.

Mr. Deputy Speaker:- But the subject is same. All those notices have been rejected. The Chair has given a decision and there is no question of going back on that.

Sri Ch. Vidyasagar Rao:- Present continuous grabbing scandal.

Sri P. Srirama Murthy:- Sir, in the Zero Hour.

Mr. Deputy Speaker:- No Zero hour now.

(Interruptions)
with proper perspective and it would even be welcomed by all the citizens who love democracy and all those who feel that the independence of everybody should be maintained. Whenever I made a statement on the floor of the House, I made it with all humility at my command and also with all responsibility. The statement that was made by me was a very very carefully worded statement. Even the tape could be brought once again and it could be heard. There is nothing wrong in it. I will reiterate once again whatever I have said and if there is anything objectionable or unparliamentary, the Hon. Speaker is well at liberty to expunge it if he feels so. What I said was, some of the press people are adopting the yellow journalism tendency. There is nothing wrong in it. Still I stick to my guns and I stand by that. It is unfortunate. I did say that it is nothing but an act of sheer irresponsibility on the part of them. I still stand by that statement. I am not going back on that statement. It applies to only those who have been irresponsible. It applies to only those who have resorted to yellow journalism. It does not apply to everybody. Those who feel guilty of it should alone be pricked by that and should go on begging for pleadings from the political side. I am sorry to say this on the floor of the House. It is an unfortunate situation that even some of the leaders of other political parties could not understand me on this score. I am interested in maintaining the independence of Legislature and the citizen. But, it does not mean that we must surrender to certain sections of the people who want to dictate terms on the plea of press or anything. I cannot allow this to go on. This is my submission to the Hon. Members. I cannot allow this to go on. What my submission is the Hon'ble Members of this House as well as the Hon'ble leaders of the opposition would definitely receive this in proper perspective and in the right perspective and will definitely appreciate what I said. Sir, that is all I can say. Nothing more to add or nothing more to delete.

(Interruptions from TDP Members).

Mr. Deputy Speaker:—Now, 304. Mr. Penchalaiah. No further discussion. The Government has got its own views. You have got your own views. We had more than enough discussions on this.

Mr. Deputy Speaker:—Nothing will go on record.

Mr. Deputy Speaker:—Mr. Nageswara Rao,....Nothing will go on record. Please. Let us go to another subject.

(Many Members from the Opposition were on their (legs)

('No' 'No' from Opposition Benches).
Let us go to another subject.

Mr. Deputy Speaker:- I am closing this subject. All aspects have been thoroughly discussed. No further time can be spent on this. Please let us go to the next subject.

(Several Hon'ble Members from TDP, CPI and CPM were on their legs).

Sri D.K. Samarasimha Reddy:- Sir, let us leave it to the wisdom of the people. Let the Press Report it as it is. Let us go to the people. Let them decide whether it is unparliamentary or anything. Why should we discuss? We leave it to the people. We have got the courage. We will face the people. You have been thrown out. We have been brought here.

Both the views have been projected. Let the views come in the Press and the people appreciate the correctness of them or not. Let us go to the next subject.

Mr. Deputy Speaker:- Mr. Nageswara Rao, please suggest some solution.

Sri K. Prabhakara Rao:- Sir, you go to the next subject.

Let us go to the next business.
(Hon. Members from Treasury Benches shouted speaking).

Sri P. Nageswara Rao:- I am protesting. I am making a statement. I am entitled to make statement. You have given me permission. (Interruptions)

I do not care for you. I am not a coward to run away from this House. I will not budge an inch. What is this? I am making a statement. (Hon. Members from Treasury Benches shouted speaking).

Sri P. Nageswara Rao:- I will not go an inch back on what I have said. I am sticking to my statement.

Mr. Deputy Speaker:- You conclude.

Sri P. Nageswara Rao:- I am completing. (Hon. Members from Treasury Benches shouted speaking)
Sri Ch. Vidyasagara Rao:- Because that is continuing. It is continuing. That offence which was committed in the year 1980 is continuing today also.

Mr. Deputy Speaker:- Mr. Changa Reddy made it clear.

Mr. Chandra Reddy:- Because that is continuing. It is continuing. That offence which was committed in the year 1980 is continuing today also.
Sri D.K. Samarasimha Reddy:— Sir, I have an appeal to my friends. (Pointing to Sri Ch. Vidyasagara Rao) Let me make an appeal. Then you say.

Sri Ch. Vidyasagara Rao:— You come out with appropriate rules. You come out with appropriate rules.

We have wasted time already and sufficiently.
Sri D.K. Samarasimha Reddy:- Sir, I have an appeal to make. I have a submission to make.

Sri D.K. Samarasimha Reddy:- I will once again appeal to the Hon'ble Members of the Opposition that let us not base our conclusions on surmises or conjectures. Let us base our conclusions on realities as they are, and let us not equally base our conclusions on presumptions or assumptions. Sir, what I said was very clear. I have reiterated. I did not threaten anybody. Let they do not put some thing into my mouth which I have not said at all on the floor of this House and let they do not assume or presume things which I have not said at all. Sir, that amounts to a very bad precedent. That was the very reason why, at the very out-set, I appealed to the Hon'ble Speaker. You just call for the Tape and see for yourself. If you find anything objectionable kindly expunge. I have nothing to add. But let them not assume or presume things and say something which is not there.

(Hon. Members from Opposition benches started speaking simultaneously).

Mr. Deputy Speaker:- To clarify things and settle the issue. I adjourn the House for fifteen minutes. I suggest to all the Opposition leaders and the Minister for Legislative Affairs to meet the Hon'ble Speaker in his Chambers so that we can settle the issue. The House is adjourned for 15 minutes.

(The House then adjourned at 12.17 P.M.)
Mr. Deputy Speaker:— No further matters now.

Sri K. Vidyadhara Rao:— You have insulted the Opposition Parties. We cannot tolerate it.

Mr. Deputy Speaker:— Nothing will go on record.

(The TDP Members and some other Opposition Members stood up and started speaking).

I request Mr. Penchalial to speak on matter under Rule 304.

The House is adjourned to meet again at 8-30 A.M. on Monday.
