230--

*8133-Q.-Sri P. Purushotham Rao (Sirpur):- Will the Minister for Tribal Welfare be pleased to state:

(a) Whether it is a fact that most of the agricultural wells sunk from 1982 in Adilabad District for girijans have become useless due to depletion of water level;
(b) Whether there are any proposals to deepen those agricultural wells or to drill inwell bores in them; and

(c) If so, the time by which the said work will be taken up?

Minister for Tribal Welfare (Sri K. Bhim Rao):-

(a) The Integrated Tribal Development Agency, Utnoor had taken up 6843 irrigation wells in the district for tribals since 1981-82. Out of 6843 irrigation wells taken up, 5999 were completed. Of these wells, 103 wells are non-functional due to depletion of Ground water.

(b) & (c) (1) It is proposed to takeup in a phased manner:

(1) Percolation Tanks/Ponds in these Villages, where there is much depletion of Ground water so that ground water can be recharged.

(2) It is also proposed to takeup inwell Bores (Wherever soil strate permits) under R.I.A.D. Programme; and

(3) Farmers are also being encouraged to deepen the well themselves in all other places.

ప్రస్తుతం నిర్వహించినది:- మండలానికి 98 కోడు, ఇతర కోడు ఉంటుంది. మండలానికి అంతరాలక ప్రాతిశాతి 193 కోడు అంటే అంతరాలక ప్రాతిశాతి కారకాలకు ఉపయోగపడుతుంది. 576, 505 కోడు అంటే ఎంపిక అంతరాలక ప్రాతిశాతి ఉంది. ఇతర కోడులు మరియు అంతరాలక ప్రాతిశాతి ఉండది. మండలానికి అంతరాలక ప్రాతిశాతి 5,76,500 కోడు అంటే ఎంపిక అంతరాలక ప్రాతిశాతి 51,005 కోడు అంటే ఎంపిక అంతరాలక ప్రాతిశాతి ఉండది. మరియు అంతరాలక ప్రాతిశాతి ఉండది.
ఇది తెలుగు లిపిలో ఉంటుంది.

హేతు, కర్నూలు జిల్లా ప్రాంతంలో విభాగము సంస్థ నిర్మాణం సాధనాలు కారణంగా విభాగము నిర్మాణం సాధనాలు తెలుగులో ఉంటుంది. ఇది తెలుగులో ఉంటుంది.
Sri Ch. Vidyasagar Rao:- Sir, to the question "Whether any unlicenced arrack shop exists in these areas", the answer is "No unlicenced arrack shop exists. During December, 1992, 103 cases were booked for sale in the unauthorised premises."

Sri D.K. Samarasimha Reddy:- Sir, my friend will definitely appreciate the past tense, present tense and future tense. That is how I took it and that is how any person having any semblance of commonsense will take it.
I am not prepared to concede to that request.

3. The Sub-transmission and distribution component of Hyderabad Project was taken up with financial assistance of Power-Finance Corporation. The two schemes known as Hyderabad Phase-I at a cost of Rs. 23.95 Crores and Hyderabad Phase-II at a cost of Rs. 15.62 Crores are provided by PFC. The two schemes cover the following works.

- 33/11KV Sub-Stations (Indoor) 9 Nos.
- 33/11KV Sub-Stations (Outdoor) 15 Nos.
- Erection of 33 KV UG Cable 34.0 KM.
- Erection of 33 KV OH line 42. KM.
- Laying of 11KV UG Cable 16.7 KM.
- Laying of 11 KV OH Line 12.0 KM.

4. All the works contemplated except 3 Nos. Substations are completed by the end of January, 1993. The 3 Nos. Substations are also programmed to be completed by March, 1993. The names of all 24 Nos. Substations including 3 Nos.
SS that will be completed by 31.3.1993 are indicated below:

5. One No. 132/33 KV Substation at IMLIBUN covered by the Project was completed with Boards Funds.

6. The balance of distribution works of the Project costing Rs. 77.23 Crores (Known as Hyderabad Phase-III) and the balance 2 Nos. 132/33 KV Substations of the project costing Rs. 37.67 Crores (Known as Hyderabad Transmission Project) are posed for World Bank assistance through Power Finance Corporation. The approval of the Bank and Power Finance Corporation is received and invitations for submission of bids for supply of materials have been issued. The work will be taken up during 1993-94. The works covered by these two projects are indicated below and are programmed to be completed by 1995.
HYDERABAD DISTRIBUTION PROJECT PHASE-III.

D. Rajagopal,
K. Sai Reddy
K. Yanadi Reddy; and
Smt. G. Aruna.
Will the Chief Minister be pleased to state:

(a) What is the total number of Executive Engineer posts as on date in Irrigation Department;

(b) The number of Executive Engineer posts vacant as on 1st August, 1992 in Irrigation Department under various projects, CERP Divisions, in Head Office and Circles;

(c) Whether Zone-wise seniority list of Deputy Executive Engineers has been published and the notified period of claims is over; and

(d) If so, when the Government propose to fill up the vacancies?

Sir K. Prabhakara Rao:- Government have received Supreme Court orders on 3-2-1993 and another representation from the Association of Post-Graduate Engineers on 19-3-1993. The order is to be studied by the Advocate General With reference to the need for changes in the existing seniority list and also date of application of the order. The A.P. Administrative Tribunal has on 11-3-1993 directed that "to avoid further controversy we consider it proper that any provisional seniority list...."
trative Tribunal also directed that the pendency of cases before the Administrative Tribunal may not come in the way of the DPC processing the names for promotion on the basis of existing material. But the promotions shall not be given effect till the next date of hearing. So, the Government is taking action on the lines directed by the Administrative Tribunal, Sir. The Government also directed that the pendency of cases before the Administrative Tribunal may not come in the way of the DPC processing the names for promotion on the basis of existing material. But the promotions shall not be given effect till the next date of hearing. So, the Government is taking action on the lines directed by the Administrative Tribunal, Sir.
Definitely I cent per cent sympathise with the sentiments expressed by you, Sir.

Sir, I. Rama Rau:— I have no doubt. — I am sympathetic with the sentiments expressed by you. Sir.

Sir, I. S. Murali Mohan:— I have no objection to any of your suggestions.

Sir, I. G. K. Reddy:— I have no objection to your suggestion. The seniority list of the Dy. Executive Engineers was finalised vide G.O.Ms.No. 322, dt. 13-10-1992. It is specifically mentioned that preference to Post-Graduates was allowed based on the orders of the High Court, Sir.

Sir, I. C. Venkateswara Rao:— As per report, there are 269 vacancies. Vacancies arisen in the light of promotion of Executive Engineers as Superintending Engineers are 30. 30 vacancies of the said Promotion may be filled by selection from those who are already selected on the basis of the seniority list issued vide G.O.Ms.No. 322, dt. 13-10-1992. The 33 vacancies of the said Promotion may be filled by selection from those who are already selected on the basis of the seniority list issued vide G.O.Ms.No. 322, dt. 13-10-1992.

Sir, I. V. Reddy:— This litigation is only interested parties. Not even one per cent of lethargy is there on the part of the Government. We have got every sympathy. There is no second thought about it.
Sri K. Prabhakara Rao:—Sir, I do agree. I do not deny that. I am much more anxious than the Hon'ble Member to get it done as early as possible.

There are so many complicated issues.
What is meant by 'pariseelana' Sir?

Is it in G.O.?

Sri K. Prabhakara Rao: - Administrative Tribunal has given a direction sir, due to which we have to make an exercise and there are other representations. Again we have to make an exercise and we have send the final list to DPC.

Mr. Speaker: - It is not subjudice matter.

Sri K. Prabhakara Rao: - As early as possible.
There are many complicated issues involved in this.

Sri P. Nageswara Rao: Zonal-wise seniority list has been prepared, sir. The list of those retiring on 31st will get the benefit, sir.
Sri K. Prabhaalara Rao- I am not aware of that fact, Sir.

I- Sir.- The panel of 1975-76 is allowed based on the orders of A.P. High Court. Preference to Post-Graduates in the panel of 1975-76 is allowed based on the orders of A.P. High Court. A controversial issue is involved in this. What I said is what I meant.
Sri K. Prabhakara Rao:— Administrative Tribunal in its direction of 11-3-1993 gave a directive not to give promotions till next hearing. That is.....

Mr. Speaker:— Let him answer.

Sri K. Prabhakara Rao:— Administrative Tribunal in its direction of 11-3-1993 gave a directive not to give promotions till next hearing. That is.....

(Hereinafter)

Sri K. Prabhakara Rao:— Administrative Tribunal in its direction of 11-3-1993 gave a directive not to give promotions till next hearing. That is.....

(Hereinafter)
I do not have much more answer than this. Mr. Speaker
sir, this is the end of the debate; I do not have any more
answer sir.

The list contained in this G.O. 322 shall be followed for
making a review of promotions to the higher posts and also
for all other purposes and this will be subject to further
orders of the Tribunal.

Sri C. Ramachandra Reddy:- I requested the District Collectors to consult the Hon'ble M.L.As., and M.Ps., and then to send proposals. Every proposal we are considering here.

Sri G. Venkat Reddy:- It is a well-known fact that there are large number of works to be taken up in marketing yards. The Government have taken a decision to sanction 50 lakhs for each District before the formation of Committee. But now what will be the procedure to be adopted for formation of roads, that is after formation of committees?
Sri Mohammed Virasat Rasool Khan:- In old city we have number of marketing yards or Gunjs, like Mukhtar Gunj, Shamsheer Gunj, shah Gunj, Bakshi Gunj, etc. But now they have been shifted out of old City.

I request the Honourable Minister to sanction and construct atleast one marketing yard (Gunj) for the Old City,
to avoid inconvenience to people who have now to go about 15 kilometers or more for purchases. After a Gunj is sanctioned, necessary link roads may also be laid. When will the Minister do this.

Ch. 37. (Budgets):- Several suggestions have been made regarding the expansion of the existing Gunj. It is proposed to sanction a Gunj near the station. In the meanwhile, the existing Gunj may be strengthened by the construction of additional buildings. This will make the Gunj more convenient for the public. When will the Minister take action in this regard?

Ch. 38. (Public Health):- The Ministry for Public Health is in consultation with the members of the Legislative Assembly, and the Ministry for Works, 54 works were proposed. Estimates are awaited, and we are expecting them early. The total expenditure is estimated to be 10 lakhs. Among the proposed works, 5 crores will be spent on sanitation works, 5 crores on road construction, etc. The Government has taken steps to improve the public health facilities. The Ministry is working on various projects to improve the public health facilities.

Ch. 39. (Education):- Education is of utmost importance. The Ministry for Education is working on various projects to improve the public education facilities. The Government has taken steps to improve the public education facilities. The Ministry is working on various projects to improve the public education facilities.

Ch. 40. (Sports):- Sports are important for physical fitness. The Ministry for Sports is working on various projects to improve the public sports facilities. The Government has taken steps to improve the public sports facilities. The Ministry is working on various projects to improve the public sports facilities.

J. 76-7
Sri K. Vijaya Bhaskara Reddy:- Hon'ble Members are aware of Government's proposals for Stage-II Project of Sriramsagar envisaging Irrigation facilities to an extent of 6.36 lakh acres in Adilabad, Warangal and Nalgonda districts respectively.

2. After protracted correspondence with Central Water Commission Government have received hydrological clearance for 196.1 T.M.C. water which will be sufficient to cover Stage-I & II of the Project as envisaged by the State Government.

3. Government have recast the Project with the current schedule of rates which works out to Rs. 716 crores. I am pleased to inform you that Government have decided to approve this estimate and pursue the same with the Central Water Commission for early clearance on the Techno-Economic Viability of the Scheme.

(2) Sri K. Vijaya Bhaskara Reddy:- Hon'ble Members are aware of Government's proposals to direct surplus flows available in the Godavari river at the Sriramsagar Project reservoir and store the same at storage reserviors across Peddavagu & Manair reservoirs respectively in Karimnagar district. The Project would provide approximately 2.20 lakh acres Irrigation in 30 Mandals of Karimnagar, Warangal and Nalgonda Districts.

2. A feasibility report covering on estimate of Rs. 656 crores was furnished to the Central Water
Commission in 1986. Based on the comments of Central Water Commission and on further consideration of ensuring maximum coverage, the scheme has been updated to a cost of Rs. 953 crores. Detailed investigation of the scheme is programmed for completion by May, 1993. The scheme has been drawn up in 4 stages to include a Flood Flow Canal, a Link Canal, a Lift-cum-Gravity and a Gravity Canal respectively.

3. Hon'ble Members are aware that all new major Irrigation schemes require investment clearance of Planning Commission which in turn is based on the techno-economic clearance of Central Water Commission and the Environment-clearance of the Ministry of Environment & Forests. These are prerequisites for investment. However, in view of advantages of the scheme in helping the most-backward areas in Telangana region and Pending approval of Government of India, Government have decided to accord administrative sanction for the 1st phase of the Project which includes the Head regulator, excavation of Flood Flow Canal from SRSP reservoir upto the storage reservoir across Peddavagu. This component is estimated at Rs. 147.30 crores. Accordingly, in G.O. Ms. No. 84, Irrigation & CAD (Fw) Department, dated 20-3-1993 Government have accorded pre-administrative approval to the line estimate for Flood Flow Canal from Sriramsagar Project Reservoir to Peddavagu-II and Korutlavagu covering 44.38 K.Ms. for Rs. 147.30 crores.

Sri K. Vijaya Bhaskara Reddy:— Hon'ble Members are aware that the Government have decided in July 1990 on a tunnel scheme for the Srisailam Left Bank Canal by adopting latest
foreign-technology. The scheme envisages 3 lakh acres
Irrigation in the chronically drought prone areas of Nalgonda
district covering 212 villages in 21 mandals. In addition,
the scheme envisages drinking water to Nalgonda town and
other fluoride-affected villages enroute.

2. The Scheme is pending Investment approval of Govern-
of India and the Technical Authorities in this connection
have required details on the following aspects before
clearance of the scheme.

(i) Establishing water on long-term basis.

(ii) To study the environment and ecological aspects of
the Project.

3. With reference to the water availability, I am
pleased to inform that the Government in December, 1991
addressed the Central Water Commission on establishing water
availability for the S.L.B.C. on the basis of carryover
storage available at Srisailam and Nagarjunasagar reservoirs.
Simulation studies made by WALAMTARI establish that by
operation of storage in these 2 reservoirs, there would be
sufficient water for the S.L.B.C. Our request for
hydrological-clearance has been followed up with a detailed
letter of Dec., 91 addressed to the Minister, Water Resources
followed up by a further letter to the Prime Minister vide
CM, AP DO Lr. Dt. 6-9-1992.

4. I have followed up this matter personally for
discussions with Minister (Water Resources), Govt. of India
on 14-12-1992. In further pursuance of these discussions, the
Minister of Water Resources is veering-round to accepting our
view on the water availability and on the rights of the State
Govt. to utilise this water though on a year to year basis.
Government of India continue to hold apprehensions on large-
investments for Major Projects when the long-term availability
(i.e. after 2,000 AD) is not known. However, we are
continuing to press on the basis of current availability of water and the State's rights over the same. Regarding the environmental aspect, Hon'ble Members are aware that Govt. had appointed an Expert Committee to study the ecological and environmental impact of the Turner/Gravity scheme of the S.L.B.C. The report of this Expert Committee has been made available to Government. The suggestions envisage an alternate alignment where both the entry point and the exit of Tunnel will be outside the forest-reserve. Also, the tunnel would be on an average of 300 metres below the surface; thereby, the impact on the forest and on the wildlife would be minimal even at the time of execution of the tunnel.

5. I am happy to inform you that the Govt. have accepted the recommendations of the Export Committee and forwarded the same to the Ministry of Environment & Forests, Government of India for favourable consideration.

6. The execution of Tunnel Scheme involves high technology and Govt. have floated international competitive bids for the same. The response to this tender-notices has been favourable and the process of prequalification has been completed by the Experts. Government is going ahead with the process in order to obtain the technology at the most favourable terms within the shortest time.

7. With the acceptance of the report of the Expert Group of Environmentalists, the Project cast works out to Rs. 1,060 crores at the current estimates. A detailed Project Report on this basis has been updated and forwarded to Government of India.

8. Members are aware that the above aspects cover execution of S.L.B.C. from Srisailam foreshore to Km. 25. Below this Km. 25, there is no residual design aspect to be tackled and work can proceed. In discussion with Dept. officials, I have decided to go ahead with execution of work in the common reaches. The budgetary provisions for 1993-94 would be commensurate with the progress of the work.

Sri Mohammed Virasat Rasool Khan (Charminar) - Mr. Speaker,
Sir, I am sending this Petition. Kindly go through and send it to the concerned Minister. The minorities, especially the Urdu speaking people having a tough time. The Government have passed orders for passing the Telugu Language Test. Some of the Urdu speaking employees do not have much advantage in passing this Telugu examination and they want extension of time. The Government has stopped their increments. Until and unless they pass the Telugu Language Test, increments will not be given to the Urdu speaking Government employees. I request you to pass this petition to the concerned Minister.

1983 లో మొత్తం 50 పుస్తకాలలో 10 పుస్తకాలు ఉన్నారు. 1984 లో 100 పుస్తకాలలో 60 పుస్తకాలు ఉన్నారు. ముఖ్యంగా ప్రపంచంలో ప్రయాణం చేసిన ప్రత్యేక వ్యక్తులు సహకరించింది. ఈ పాత్రానికి ప్రత్యేకమైన విషయాలు ఉన్నాయి.
This is the most important aspect which the Government has to look into. All farmers are small and marginal farmers. To properly guide the ryots how to grow, where to grow, when to grow and how to utilise—to guide them in any way possible—this is what the Government has to do. All these challenges should be taken care of, and the Government needs to focus on this aspect. This is crucial and should be given priority. We are fully paying compliments and congratulating him on this occasion, Sir.
