Our Government has commuted to the extent of only co-operative loans.
Mr. Speaker:— Whether anavari has been maintained by the Revenue department in 1989 is the pertinent question.

Mr. Speaker:— We have taken much time. If you take one hour more, I have no objection.

(Interruptions) but we will not be completing the business in the stipulated time.
Scheduled Banks are under the control of Finance Ministry, Govt. of India only for one year that too only for one year. The State Government has committed that too only for co-operative sector banks.

Mr. Speaker:- It does not yield if you take every question like that. If you want to take up every question like this, give a resolution and after examining it will be implemented.

Sri V. Rambhoopal Chowdary:- Sir, the State Government is totally against the system.
Mr. Speaker:—I understood. I know. I want it to be taken into consideration. You have put the questions and the Minister will answer the supplementaries. It's too confusing. I don't understand.
He said that he will think over it.

Mr. Speaker:- He will definitely look into it. When I said, he will look into it.
Mr. Speaker:- Whether we have included or not?

Sri K. Vidyadhara Rao:- No, it is not ... It is a question of life and death of farmers and the land debtors -

Mr. Speaker:- You have already given you time liberally. I have given 25 minutes because of agriculturists only. Why do you become angry ...

Sri V. Rambhupal Chowdary:- I request the Member to ask any number of questions and I am prepared to answer, but question by question.

For the larger interest of the Guntur farmers, better not to raise the particular question. If he insists further, I am prepared to answer but in the larger interest of farmers of Guntur District, it is better - not to insist on this ....

Sri K. Vidyadhara Rao:- Sir, I do not understand as to how in the interest of Guntur farmers should not be insisted and as to how they are going to have a loss. But, Sir, I am prepared to discuss with the Hon'ble Minister personally.

Mr. Speaker:- Then, let us take it separately.

Sri V. Rambhupal Chowdary:- But, it is within 10,000/- rupees. I am ready to rectify it definitely we will rectify ....

*3354-Q.- Sarvasri K. Bojji (Bhadrachalam), D. Rajagopal and B. Venkateswara Rao:- Will the Minister for Forests be pleased to state:

(a) whether it is a fact that Girijan families from Bastar in Madhya Pradesh have migrated and settled in Veerapapannakunta village, V.R. Puram Mandal in Bhadrachalam Constituency and encroached the reserve forest lands; if so, the number of Girijans so migrated; and

(b) whether it is also a fact that the Government have issued pattas to the encroachers?

Minister for Forests (Sri M. Chandrasekhar):-

(a) Yes, Sir. One person by name Soyam Pochaiah, S/o Chalamaiah migrated from Konta area in Madhya Pradesh and was residing in Veerayagudem village and not in Veerapapannakunta. He has encroached about 1.5 acres of forest land in Mettapalli Extension Forest Block notified under Section 4 of Andhra Pradesh Forest Act, 1967 in Bhadrachalam (South) Division. Sri Soyam Pochaiah has however left the village with his family. The Forest Range Officer has taken possession of the land under Panchanama.

(a) the amount allocated for self-employment programmes during 1990-91;

(b) whether the said amount has been totally utilised; if not, the reasons therefore; and

(c) whether implements, equipments etc., will be supplied to artisans also under this scheme?

Minister for Self-Employment (Sra-D. Srinivas):

(a) Rs. 21.25 Crores.
Yes sir, the said amount is being utilised; The money is meant to be used as Margin Money as and when Banks released the loan. Margin Money will be released only after the Banks sanctioned the loans in the concerned case.

No sir.

It is misleading. It is said 'the amount is being utilised' whereas the banker's money is released 21.25% whereas the margin money is released when the loan is sanctioned. 21.25% margin money is released only after the Banks sanctioned the loans in the concerned case.

MINING OF ROCK IDENTIFIED AS LAND MARK AT MANGAMPET

117-

*4655-(L)-Q.- Sarvasri N. Chandrababu Naidu, A. Madhava Reddy (Bhogir), G. Muddukrishnama Naidu, Y. Ramakrishnudu (Tuni), D. Sivarama Raju, S. Venugopala Chary (Nirmal), P. Nageswara Rao, Ch. Vittal Reddy, M. Omkar, C. Narsi Reddy and B. Venkateswarao Rao:- Will the Minister for Mines be pleased to state:

(a) whether it is a fact that a piece of land with a rock was identified by APMC at Mangampet in Cuddapah District as a land mark to show the quality of barytes;

(b) whether it is also a fact that this land was mined and the barytes were stolen by an individual; and

(c) if so, the action taken against the culprits?

J.No. 194-3
Minister for Mines and Geology (Sri M. Janakiram):—

(a) The Geological Survey of India has identified a piece of land containing unique grey barytes deposit at Mangampet in Cuddapah district as a monument for preserving the same for posterity and as an exhibit keeping in view it's uniqueness of grey barytes deposit available in the said area.

(b) Yes, Sir.

(c) Action has been taken by Mines Department by raising demands on both M/s. Andhra Pradesh Mineral Development Corporation and on the person of Y.S. Raja Reddy for the quantity of barytes removed from the area ear-marked for the monument.

Sri M. Janakiram:— Before the Hon. Members have raised this question, the Department has taken action. We have identified the culprits. It is Mineral Development Corporation and Sri Y.S. Raja Reddy....
Sri M. Janakiram:- We have answered. We have proceeded according to law. According to the penal clauses incorporated in the mining law we have proceeded. Further proceedings will follow according to law.

(End of letter)
Sri M. Janakiram:- The main question is about the importance of preserving the unique nature of this monument.

Sri M. Janakiram:- Sir, they have got every right to raise a separate question on the same issue. This is a different issue and that is a different issue. How can they raise that now. They can ask some other question. You can ask about the precautions we are taking. But, you are going to some other subject. Raise some other question. Let them raise one more question and we will answer. This is regarding the monument.
Mr. Speaker:- Such things do not go to record. You cannot name like that. You cannot bring everybody's name and demolish his image.

Sri M. Janakiram:- I request the Hon'ble Member to confine to the subject and not to drag on other names. Dr. Rajasekhara Reddy has been a Member of this House for three terms and a Member of Lok Sabha. He is not here to protect himself. He is nothing to do with this. It is Raja Reddy who is something to do. Let us not drag name. Let us not make a systematic dig. Please. This is not going to be good. This is not correct. It is upto you Sir, to give a ruling. They cannot bring everybody's name and demolish his image.

(Interruption)

*** Expunged as ordered by the Chair.***
Mr. Speaker:- Mr. Chnry, what is that? You sit. How do you get answer then?

( Interruptions)

Please let them raise a separate question and we are prepared to answer. Let them put separate question.

( Interruptions)

You cannot ask two questions at a stretch.

( Interruptions)

They cannot stall the proceedings like this.

Mr. Speaker:- This is not the way. let him answer.

Dr. V. Sivaramakrishna Rao:- Sir, my submission is Mr. Muddukrishnam Naidu has taken somebody’s name.

( Interruptions)

Sir, with your permission I am speaking. Mr. Muddukrishnam Naidu was referring. He has taken besides Y.S. Raja Reddy the name of Y.S. Rajasekhara Reddy who has got no connection with it. May be his son. He is not a Member of this House now and he cannot protect his right. There is no point in it. He is in the political field and only to assassinate his character this is going on. No, Sir. I request the Speaker to expunge it from the records.

Mr. Speaker:- I have already said it. என மொனாய் சுருக்க வந்தது இயல்தான். மகிகுந்ததாகாதே.

Sir P. Nageswara Rao:- This is another big scandal. வெள்ளாண் வழங்கப்பட்டு தொடர்ந்துள்ளது. அவ்வாறு, மத்திய நிறுவனம் கூட்ட நடவடி நேர்த்து வந்தேதானே.

( அகத்தி போன்றோ)

மகூர் நிறுத்து:- வாய்ந்ததை வழங்க வேண்டார்.
Mr. Speaker:— You suggest.

Is it not misuse of power?

Mr. Speaker:— Are you committed for it? Even twenty five lakhs is a big amount. Even twenty five lakhs rupees is a big amount. Even twenty five lakhs rupees is a big amount.

Sri M. Janakiram:— Separate question is needed.
Mr. Speaker:- The Minister is asking to put a separate question.

Sri M. Janakiram:- We are asking you to put a separate question. We are not afraid of it.

Sri P. Nageswara Rao:- Why should I put another question?

Sri M. Janakiram:- If you want to get information for all the supplementaries it is difficult.

Sri P. Nageswara Rao:- It is proved beyond doubt.

Sri M. Janakiram:- I am saying that law is taking its own course. It is for the Government to take decision as per the report of the Commissioner for Land Revenue.

Sri P. Nageswara Rao:- Who is this Raja Reddy?
They are making a consistent and systematic campaign to tarnish the image of Congress leaders in this House, which we do not accept.

When they want you are one of the party.

J.No. 194-4
Mr. Speaker:- Let him give the answer.

Sri Ch. Vidyasagara Rao:- To their satisfaction they are giving answer.

Mr. Speaker:- Let him give the reply.

Sri Ch. Vidyasagara Rao:- Already, you have failed to take action. You cancel the G.Os and sack the officers. You have to stop this. Other wise..
Sri M. Janakiram:— Sir, according to the penal provisions of the Act we have taken action. Whenever any person raises without any lawful authority any mineral from any land the State Government may recover from such person the mineral stolen or if such material that has already been disposed off, the price thereof and may also recover from such person rent, royalty or tax, as the case may be, for the period during which the land was occupied by such person without any lawful authority.

Sri Ch. Vidyasagara Rao:— It is a theft.
Mr. Speaker:— Unless it is proved.

Sri Ch. Vidyasagara Rao:— It is proved, Sir.

Sri P. Nageswara Rao:— It is proved beyond doubt.

Sri P. Nageswara Rao:— The Geological Survey of India has identified a piece of land containing unique grey barytes deposit at Mangampet in Cuddapah district as a monument for preserving...
whether it is also a fact that this land was mined and the barytes were stolen by an individual'. In the answer it is said 'Yes'.

Sri M. Janakiram:— A meeting was held and precautions were taken that no further damage will be done to it. In and around the monument mining was done. Because of it the monument got little crack. That is why we have taken precautions. We are still keeping the monument. This land actually belonged to the two leases given to the mining corporation and Vijayalaxmi Trading Corporation. The department requested them to give five cents from Vijayalakshmi Trading Corporation and 27 cents from Mining Corporation. They have agreed. Their argument is that they have not encroached. That is their argument, but they have a mine adjacent. They were having mining leases. We cannot say it is theft. They said it is illegal mining.

Sri C. Narsi Reddy:— (b) Whether it is also a fact that this land was mined and the barytes were stolen by an individual; "whether it is also a fact that this land was mined and the barytes were stolen by an individual"?

Sri M. Janakiram:— According to the provisions we have taken action. It cannot be taken as theft.
The Geological survey of India has identified a piece of land containing unique grey barytes deposit at Mangampet in Cuddapah district as a monument for preserving the same for posterity and as an exhibit keeping in view its uniqueness of grey barytes deposit available in the said area. 'The Geological survey' of India has identified a piece of land containing unique grey barytes deposit at Mangampet in Cuddapah district as a monument for preserving the same for posterity and as an exhibit keeping in view its uniqueness of grey barytes deposit available in the said area.'

Sri M. Janakiram:- Regarding this, police force will be kept as demanded by our Member for further protection of this monument. We have no objection for this. The Government also desire very much to keep the monument intact without further damage. According to law, whatever action has to be taken the Government will take.
Sri M. Janakiram:- For further information, the A.P.M.M.D.C. has appointed a D.S.P. assisted by home guard.

Mr. Speaker:- You are creating unnecessary trouble for House Committee. You have created already.

Chief Minister (Sri N. Janardhan Reddy):- The question pertains to illegal mines which the Minister has answered and told everything to the House. Beyond that, if anybody feels that they have to run the administration from here, if the administration has gone wrong, there are courses to take action - ఎమి రాణిదించే విషయం, ఎమి రాణిదించే విషయం ఎంచుకునే విషయం, ఎమి రాణిదించే విషయం ఎంచుకునే విషయం, ఎంచుకునే విషయం ఎంచుకునే విషయం, దీని ప్రాతం ప్రాతం దీని ప్రాతం దీని ప్రాతం దీని ప్రాతం దీని ప్రాతం దీని ప్రాతం దీని ప్రాతం దీని ప్రాతం దీని ప్రాతం

This is not the course.

(Mr. Speaker on his legs)

Mr. Speaker:- I have to name you. Please take your seats.

Sri G. Muddukrishnama Naidu:- They are looting the State.

Mr. Speaker:-(To Sri K. Vidyadhara Rao) You are alone keeping quiet. When the Chief Minister is on his legs, Mr Chandra Babu Naidu and others took advantage, which is not good.

Sri N. Chandrababu Naidu:- No, nothing. It is not good. Let the Chief Minister say.
Let the Hon'ble Chief Minister complete. No, please take your seats.

You cannot claim like that. Let the Chief Minister answer.

Now, it is not good on your part also.
Mr. Speaker:- I have not called you. The Hon'ble Chief Minister is on his legs.

Sri A. Madhava Reddy rose to speak.

Mr. Speaker:- Now, let me say one thing.

(Interruption)

Do not stall. I am not going to admit it.

Sri K. Vidyadhara Rao:- You said you will give me a chance. You cannot skip me over like that.

Mr. Speaker:- I have always been sticking on to my promise but you are not.
Sri N. Janardhan Reddy:— Hon'ble Speaker or anybody cannot force an answer which he cannot give.

Sri P. Nageshwar Rao:— You can give.

Whether I will admit it or not is a secondary issue.

I have given ample time. You give notice, I will take it.
It is a supplementary question based on the original question and on the answer given by the Hon'ble Minister. The Minister has answered referring the report and we are asking a question basing on that report. Mr. Natarajan, who is our Chief Secretary now and who was then the CLR was appointed to enquire into the matter. We are helpless. Let the Chief Minister clarify my question. Can't we ask a question based on the answer given by the Minister?

Shi M. Janakiram:— After the enquiry Committee, when he said ....

Sri K. Vidyadhara Rao:— He has mentioned, Sir. Let me say, he has mentioned the recommendations of the enquiry Committee. You go through the records. Based on the Natarajan Report a theft has occurred.
I have not said. I have answered all the questions.

Sri K. Vidyadhara Rao:- Based on the Natarajan Report,

They have levied a fine.

Sri M. Janakiram:— What he is telling is totally far from truth. It is not based on the Report. According to the provisions of law, we have levied fine. I never said according to the Natarajan's report. It is wrong reporting.

Sri K. Vidyadhara Rao:- Mr. Natarajan has submitted a report that a theft has occurred .

Sri M. Janakiram:— I never said that .

Sri K. Vidyadhara Rao— Sir, you have to control the Minister. Once he has referred to Natarajan's report, we have every right.

Within my right, should we ask a supplementary or not?
Mr. Speaker: You have unnecessarily raised the issue of resignation.

Sri A. Madhava Reddy: Mr. Speaker, Sir....

Mr. Speaker: I will give you.

Sri A. Madhava Reddy: You are taking time.

Mr. Speaker: You have already said.

Sri A. Madhava Reddy: Again you are taking time.

Mr. Speaker: You have already said.

Sri A. Madhava Reddy: I have got with me.

Mr. Speaker: Not necessary.
Mr. Speaker:- The discussion is over. I will give a ruling on that. Half-an-Hour discussion is permitted on it on the next day. Nothing more than that. If you want, I will allow half-an-hour discussion, that too you must give notice in any form. There are three more questions. Do not stall like this.

Mr. Speaker:- If you desire, you give a notice. I shall consider it in a separate form, not like this.

Mr. Speaker:- I am going to the next item.

Sri K. Vidyadhara Rao:- The Hon. Minister for Revenue has thrown a challenge. My member has counter-challenged. To bring the House to order....

Mr. Speaker:- Now you sit down. You are unnecessarily creating confusion.

Mr. Speaker:- I don't mind. Let them enquire.

Sri Ch. Vidyasagar Rao:- Something he spoke about the G.Os.

Dr. V. Sivaramakrishna Rao:- I never said that.
Mr. Speaker:- What is this? I don't understand.

Mr. Speaker:- We will solve the problem. I will give you.

I request you also.

Let me tell you. Let me tell. You also hear me.

Mr. Speaker:- You give me a simple notice.

Sri Ch. Vidyasagar Rao:- You can convert it into a matter under Rule 304 and take it up.

Mr. Speaker:- Nageswara Rao garu, no challenges nothing. I have received a notice about this 304. Let me look into the matter. It is not good.

Mr. Speaker:- This has already been said. No repetition.

Mr. Speaker:- It is said. Again repetition. Nothing to go on record. Mr. Venugopala Chary, I have given a chance. Again you are repeating. I am not going to allow it. If you take undue advantage it is also not good.

*** Expunged as ordered by the Chair.
Mr. Speaker:- I have gone to the next question. How can you raise when I am going to the next question?

Sri A. Subhaschandra Bose (Bheemavaram):- Because it is not anybody's property.

[Interruptions]

Mr. Speaker:- I have allowed him because you are not hearing.

Sri A. Subhaschandra Bose:- With all my respect to you I want to say that Mr. A. Madhava Reddy made an allegation against an Hon'ble Member. This is the procedure. This is not Rajasekhar Reddy or Ravindra Reddy affairs. It is a matter which is relevant as far as this House is concerned. Once he has made a challenge against him and if he throws challenge this House has got every right - once to throw the challenge and he countered it. He has got every right to know what is the truth about it. This House has got every light to know the truth about it Mr. Madhava Reddy or he - one of them should not...

Mr. Speaker:- When I know --

Sri A. Subhaschandra Bose:- This House has got every right to know the truth.

Mr. Speaker:- When you want to throw challenges ... I request there should be a House Committee on that. The Chair has given a ruling.

Mr. Speaker:- This is not the way. On the issue of this question. When you give notice....

Sri P. Nageswara Rao:- House Committee on what?

Sri N. Janardhana Reddy:- I am not accepting House Committee.
Mr. Speaker:- I request the Government to accept for the House Committee. Further, when they are challenging I request the Government to accept for the House Committee.

Sri N. Janardhan Reddy:- I am not accepting any House Committee. It is the Government that has to accept or not to accept. No. I am not accepting.

Mr. Speaker:- Accept for the House Committee.

Sri N. Janardhan Reddy:- No. I am not accepting House Committee.

Mr. Speaker:- When the Government does not accept for it... The Member has raised a point.

Sri N. Janardhan Reddy:- Government, as such has not accepted for the House Committee.

Mr. Speaker:- I request the Government to accept for the House committee.

Sri N. Janardhan Reddy:- Kindly hear me.

Mr. Speaker:- My personal opinion is that the Government should accept the House Committee for all the challenges because... The thing is that I have also expressed my personal opinion. The thing is that I have also expressed my personal opinion. The thing is that I have also expressed my personal opinion. It will come out. Why should they make challenges? You can order judicial enquiry also. This House Committee should be more better. If you agree, this will be more better. Let me tell. It should be more better. This is the only way to solve the issue.

Mr. Speaker:- No. They are taking it in a much liberal way. The Government should come forward.

Sri N. Janardhan Reddy:- The Government order is an administrative order. That is what I requested. Administration cannot be run...
Mr. Speaker:- Let me tell. I will come to that.

The Government should come forward.

Mr. Speaker:- Let me hear.

Mr. Speaker:- I have already said it. I request the Government....

Sri J.C. Diwakara Reddy:- We have no objection.
Mr. Speaker:- Diwakara Reddy garu, when there are challenges to be taken we have to agree. Challenges should be taken in the Assembly.

Sri J.C. Diwakara Reddy:- We are not going back.

Mr. Speaker:- It is I who took out the answer. Let me tell. The Geological Survey of India has identified a piece of land containing unique grey barytes deposit at Mangampet in Cuddapah district as a monument for preserving the same for posterity and as an exhibit keeping in view its uniqueness of grey barytes... You might have forgotten it. I read out. I repeatedly said. If you want, you go through the answer. You please check up. The Government should come forward. This is my personal opinion, I request the Government once again, to accept the House Committee.
Mr. Speaker:- I can quote. Directly I have asked the Minister. There are two answers. It is there. I am not going to get privilege or prestige. The Government must get privilege or prestige for it. I once again request. We have to take — whether it is a challenge or not. There are challenges in it. What happens if House Committee is agreed? I request the Minister and the Chief Minister to get it, otherwise,... I request the Government once again to consider.

Sri N. Janardhan Reddy:- I am sorry, Sir. You are requesting the Government, but the Government has gone clearly into the matter. Onething I mentioned to Madhava Reddy when he was challenging Ravindra Reddy. I even told on behalf of my colleague that when once anybody says that he is not the relative...
Mr. Speaker:- When I said it they should come forward agreeing.

Mr. Speaker:- NO. I have given a ruling.

Sri Ch. Vidyasagar Rao:- It has not gone on record.

They have agreed. They have come forward.
Mr. Speaker:- I have already given the ruling. You have not followed. I have given a ruling. You sit down. I have referred to Vidyasagar also... Whether it is a fact or not, I am going to get it. I have already said it. Again I am repeating. The Government will come forward, and agree for it because there is a challenge here.

Sri N. Janardhan Reddy:- I have agreed for a House Committee. It is a matter for the House to decide whether Ravindra Reddy's brother was given any mining lease or something like that. Madhava Reddy challenged it. Let him prove... I have already said. Secondly, there cannot be much more discussion.

Sri P. Nageswara Rao:- What about the G.Os?

(Interruptions)

Mr. Speaker:- I have already said. Secondly, there cannot be much more discussion.

there is total negligence on the part of the Government - they have not utilised the money. They are wasting the money years after years...
they will go for legal settlement
The problems are common except the lining. In these packages some of the works are passing through villages, and the H.T. Lines are crossing the canal and the A.P.S.E.B., has taken a Stay in the High Court not to take any work in the H.T. Line. The villagers totally stopped the work because the land acquisition is a problem. The K.C. Canal water was released which caused abnormal seepage of water, thus affecting the progress.
If you are going to save at least a single pie, we are also going to lose crores and crores of rupees. It is not going to be in any way, useful to the Government. For example one tender of S.R.S.P. from KM. 250.360 to 264 KM gone to the Court and the case is in the Court for the last five years. It has not come up. I suggest to the Government that panel of experts, C.Es. to decide economic and legal affairs of the first set of contractors. And I also request the Government to initiate settlement with the contractors on reasonable terms by obtaining individual and collective representations. Forming of the Sub-Committee or a Cabinet Committee-batch-wise to discuss and sort out the issues and problems, pertaining to the utilisation of the World Bank accounts and settlement of contractors. These are the things which are to be settled. I request the Hon'ble Speaker to come to the rescue of these areas and direct the Government not to cancel these tenders and allow its developmental activities to go ahead in these areas I thank you very much Sir.

Don't expect the contractors system as all - let us go directly for the departmental works, when you are concerned. Then how can you put it in an unsuitable clause - when they have got their own protective clause in the agreement itself.
have not taken steps to implement the packages. Today you are saying that you are going to implement the entire packages in another six months. I don't believe. Contractors today are not able to do. You are not able to attract them. Why?

Never ending litigation. If somebody says that they will not go to the court and they will stop the contractors from going to the court, it is impossible.
We want a Board. We will fight for the board not only SRSP and SRBC, but also for the pending projects where the Government is failing miserably. If we want to take up new projects and keep all the old projects pending, we don't need a Board. When the escalations are only 3.5 percent and you provide only 3.5 percent for implementation, you want to take up new projects and keep all the old projects pending. What is the percentage? It is only 3.5 percent. The escalation is 10 percent and you provide only 3.5 percent for implementation. You want to take up new projects and keep all the old projects pending. We want a Board. We want to manage our own affairs. We want to oversee the implementation of works.
There are two important aspects which the Hon. Minister should clarify. There is no other go. Developmental activities in the respective areas are important. Irrespective of the parties, we have already gave our mind.
