Mr. Speaker:—Do you hear me first? What is that? You are talking to me. What is that? If you go on talking like that how can I say? You please take your seat. How can I tell when you stand here? You have to resume your seat. You have to resume your seat when the Speaker asks you. More so, when the Speaker requests you, you have to go to your seat. This is not the way. This is not the procedure at least. This is not the way. How can go ahead with the business in this way? It is your will and wish. But I do not like that.

You are creating something...
Sri K.R. Suresh Reddy: - The Hon'ble Minister said there is no such hospital which is unhygienic. You are aware that in many hospitals of our State there are no post-mortem rooms. Post-mortem today is conducted in the fields and the Minister says there are no unhygienic condition in the hospital. Whether there are any hospitals where there are no post-mortem rooms and when will he take up these works?

Sri K. Rosaiah: - It is true there are no facilities for post-mortem operations in many of the hospitals, but the question pertains for the repairs. During 1991-92 an amount of Rs. 3 crores roughly has been provided for capital works in medical department. With this amount we will try to see the priorities and attend to the needs of the hospital.

It has come in the 'Indian Express'.

"... The State Government has given tax concessions to major cement factories in the State...." It is a breach of privilege. How, has he given press statement?
Mr. Speaker:— Again you are not listening I will have no objection if it is a Point of Order.

(Shri Shankaracharya)

Sir, Shankaracharya:— It means that the forms are not being followed. I think it is understandable. The recent discussion is not complete. It is true. The rule is 67 proviso 2. As per rule 67 proviso 2, you have to give the reasons Sir. If you deem it necessary, read the notice of the motion and state the reasons for refusing the consent or holding the motion for not being in order. brethren. Many times. Many times. It is an important motion. As per rule 67 proviso 2, you have to give the reasons. If you deem it necessary, read the notice of the motion and state the reasons for refusing the consent or holding the motion for not being in order. 

Sir, Shankaracharya:— Many times. I have already mentioned. I will take a decision in my chambers.

Sir, Shankaracharya:— You have to read out the details Sir. No reasons have been given here. You have to read out the reasons. As per 50 sh. 5, it is necessary to give the reasons. He has openly supported his contention in the Press Conference and so, there should be some reply from the Government. Sir, you allow us for some discussion. Instead of passing the Demands of Commercial Taxes, he has passed the demands of the Cement Factories' Owners. What is this Sir? Is it not a Privilege against the House? As per rule 67 – proviso 2., you have to give the reasons and you are bound to give the reasons while rejecting the notice. Sir, you have to give the reasons.

Mr. Speaker:— I have already disallowed. I will discuss this in my chamber. I never felt it so important to admit it as an Adjournment Motion. Therefore I will look into the matter. I will inform you again.

Shri Shankaracharya:— It is not proper. It is not proper.

Shri Shankaracharya:— It means that the forms are not being followed. It is true. The recent discussion is not complete. It is true. The rule is 67 proviso 2. Mr. Speaker:- This is the fourth time. Again four persons are standing. If yo do like, I have to adjourn the House. I have asked for the Petitions to be submitted but not like this.
Mr. Speaker:- I have allowed the time for accepting the Petitions only.

Mr. Speaker:- I have no objection if the Minister says. But I am not allowing the Adjournment Motion. If he wants to answer, I have no objection. I have disallowed the Motion.

Mr. Speaker:- Now I cannot say. I say I have no objection, if the Minister comes forward for giving the statement but for disallowing the Adjournment Motion, I have already said the reasons.
Further, when the House is there running, there is no bar for administrative acts. There is no policy action taken. I am assuring you.

Mr. Speaker:- If the Hon'ble Chief Minister says, it is more than sufficient. Again if you want to raise the demand, they will repeat the answer. When he (The C.M) said, again you want to tell, Mr. Vidyadhar Rao. What is this?...

Sri K. Vidyadhara Rao:- "Tax rebate offer admitted" - Commerce Minister Sri K. Bapi Raju has admitted that the Government has offered tax concession to major cement factories in the State, but denied any rift in the Cabinet on this account. The Minister explained that the Government offered tax concession to the manufacturers only if they ensure that the tax is not evaded on cement export to other States.

Mr. Speaker, with your kind permission I want to clarify.

Sri N. Janardhana Reddy:- Sir, the paper statement is not the base. I have already enquired about it. The Minister
Mr. Speaker:— Please resume your seats. It is not good.

Sir:— Why are you so anxious? What is this Sir?

Mr. Speaker:— He has said that — please sit down. He is denying that.

Sir:— He says that — I have not announced any policy. He had denied that. Mr. Bapirajugaru, he is asking about the statement.

Sir:— He says that "I have not announced any policy. What is this? Can I afford to do that before my Chief Minister and before my Cabinet colleagues?"

Mr. Speaker:— It is not a breach of privilege. I cannot declare it now.
Sri N. Janardhan Reddy:— Sir, the Chief Minister has
gone on record and the Minister has gone on record. We
never
made any policy decision. That is the end of the matter.
Where is the need for this kind of talk? Where is the end?
You need not have allowed this. The purpose is different.

Sri Ch. Vidyasagar Rao:— Sir, already he has not said
it. I am not so innocent to give a policy matter like
this before my Cabinet and before my Chief Minister? Why do
you only insist on that?

If you are very particular, I will get out and resign
from the Ministry...

(123600)

Mr. Speaker:— He has said that he has not given it.

Sri P.:— I am very much surprised (Rama).— He is so innocent.

M. S.:— Should not you think— What a talk! You always talk
like that. What is this? I cannot help. I am not going to
admit it also in other shape?

Sri P.:— I am so innocent— He is not.

M. S.:— He is not— He is so innocent— The talk should— He
should resign.

Sri P.:— No talk. He is so innocent— He is so innocent—
He is so innocent.
Sri N. Janardhan Reddy:- It is not a matter of privilege and it is not necessary. I said clearly, there is nothing involving any policy in this. Policy is not involved. We have not taken any policy. What is that? Mr. Speaker:- No. It is not good.

Sri N. Janardhan Reddy:- When I am on my legs kindly sit down. I said clearly, there is nothing involving any policy in this. Policy is not involved. We have not taken any policy. What is that? Mr. Speaker:- Please I am telling you, not to talk anything and I am closing this. Now let us go for Petitions please.

Mr. Speaker:- I have already stated yesterday - please read out the head-lines and send it.
Without notice he mentioned my name.

He should not have said that. I am expunging it.

Mr. Speaker:- I can take my own decision. You cannot order. I am telling you, not to say like that and not to create any provocation. It is not a petition. I have not permitted you to tell.

Mr. Speaker:- You cannot claim as a right.

Sri G. Muddukrishnama Naidu:- Mr. Speaker Sir,...

Mr. Speaker:- You are wasting much time.

Sri K. Vidyadhara Rao:- Allegation has been made against my member Mr. Muddukrishna Naidu and he should be given an opportunity to explain.

Mr. Speaker:- Let me take a decision. I expunged all the things. I am not going to give to anybody.

Mr. Speaker:- I have already given my ruling.
Mr. Speaker:- I have expunged. This is not the way. You cannot go against my ruling. I am saying again. I have to take drastic action.

I wish to make a statement regarding the grant of surplus land for granite to M/s. Acropolis Granites Limited in which my son has an interest.

You are aware of the discussion that took place in this August House after the detailed statement made on this matter by my colleague Sri P. Ramachandra Reddy, Minister for Major Industries, who had been requested by me to deal with the case as I felt that I should not deal with it in view of my son's interest.

I have no doubt that my colleague acted in good faith and fairly.

Still, as I wish to put an end to this unseemly controversy and in the interest of upholding the best democratic traditions and the values that govern our accountability to the people, I have directed the Secretary to Government, Revenue Department, to cancel the orders issued in G.O.Rt.No. 1290, Revenue (L.Ref) Department, dated 27.8.1991. I also wish to inform you that my son has written to the Andhra Pradesh State Financial Corporation withdrawing his request for financial assistance in view of the controversy over that matter also on an earlier occasion.
Sri G. Muddukrishnama Naidu:- He has to resign.

Mr. Speaker:- It is not good. I am not going to allow you.

(000000)

Sri G. Muddukrishnama Naidu:- He has to resign.

Mr. Speaker:- It is not good. I am not going to allow you.

(000000)
Sri K. Vidyadhara Rao:- Sir, lot has been said when the Opposition raised this issue in the House, but the decision of the Chief Minister clearly vindicates the stand taken by the Opposition. In this statement, it has been said 'grant of surplus land for granite to M/s. Acropolis Granites Limited'... We would like the Chief Minister to clarify whether only M/s. Acropolis Granite has withdrawn its claim or the G.O.Rt.No. 129b has been cancelled in toto, i.e. with regard to the land assigned to other three Companies also. We have regard for Sri P. Ramachandra Reddy, Minister for Industries, who has been involved in this, who has negotiated this and who got this G.O. withdrawn. I appreciate the stand taken by Sri P. Ramachandra Reddy. I request the Chief Minister to clarify whether the G.O. has been withdrawn in toto or only in the case of M/s. Acropolis.

Sri N. Janardhan. Reddy:- Mr. Vidyadhara Rao is a graduate, it is clearly stated that the orders issued in the G.O. are cancelled. ఎందుకు ఇది ప్రతిపాదించిన విధానం ఉంటుంది. (హిసెండ్)
Mr. Speaker:— Mr. Seetharam, you always do that.

Mr. Speaker:— Mr. P. Venkat Rao is the last man. I am not going to give to anybody.
I request you to resume your seat. I am not going to give.

(Interruption)

Sri P. Venkat Rao:— Sir,...

Mr. Speaker:— It is not that you have done any mistake. Now you want to commit a mistake.

I have not mentioned anybody. I am making my own statement.

Mr. Speaker:— I said that you have not committed any mistake. When I have asked you to resume your seat, you have toresume your seat, otherwise you are going to make a mistake.

Mr. Speaker:— All are having collective responsibility. You cannot ask or you need not demand on this. He sat for a long time. He will definitely come.

Mr. Speaker:— Yes.

Already, the entire property is under the clutches of the Government. It was delivered on 29.1. 1968.

He is no more a Prince now but even then, our Chief Minister ventures to call him as a Prince. Art. 363 was amended through the 26th Constitutional Amendment and in that extent. He cannot claim the entire property of the erstwhile Nizam.
Nizam, 6 is the sole successor to the private property. The Government of India has no power because it was already declared as illegal by the High Court that he is, in no way, the sole successor to the late Nizam. Therefore, it is illegal. The Government of India is not authorised to give such succession certificate. The Government of India has no power or jurisdiction whether under article 362 or otherwise, to issue the certificate recognising his Exalted Highness Nawab Mir Barkath Ali Khan Bahdur as a sole successor to all the private properties - movable and immovable - held by the late Nizam or to authorise transfer to the private properties to the former. In the result, we hold that the Government of India has no power or jurisdiction whether under Art. 363 or otherwise, to issue the certificate recognising the Second Respondent as a sole successor to all the private properties - movable or immovable - held by the late Nizam or authorise transfer of the private properties to the Second Respondent. Accordingly, we allow the Writ Petition with costs and quash the certificate dated 27.2.67, issued to the Nizam II, the Second Respondent relating to the succession to the private properties of the late Nizam.

During enquiry it was revealed that the G.P.A. of Prince Mukharamjah sold the palace to one Sri Inayathali Khan. He is dismantling. The registering authorities were addressed not to register the property in favour of any one including Sri Inayathali Khan.
They are going to address a letter to the Registration Authorities not to register and you are allowing the dismantling of the palace. You yourself admit that he is dismantling the palace as on today. How are you going to prevent it?

The government has allowed certain unsocial elements to take possession of the land. They may go to the High Court and obtain stay orders restraining the court from trying these cases.

During the enquiry it is revealed that G.P.A. of Prince Mukharamja has sold the palace to one Mr. Inayatullah Khan. It is proposed to make in exercise of the powers conferred by sub-section (2) of Section 80 of the Andhra Pradesh Municipal Town Planning Subordinate Service Rules.
Chairman:- Motion moved. Now, the question is:

"That the following draft amendments to the Andhra Pradesh Municipal Town Planning Subordinate Service Rules which it is proposed to make in exercise of the powers conferred by sub-section (2) of Section 80 of the Andhra Pradesh Municipalities Act, 1965 (Act 6 of 1965) are hereby laid before the Andhra Pradesh Legislative Assembly for approval, as required by Section 329 of the said Act."

Our demand is House Committee. It is a serious issue. Our demand is only House Committee. What is this? How can you go back? It is an insult and shame on the part of the Government. According to your own reply - you have admitted that - you have committed mistake. Inspite of it, you are not going to constitute House Committee.
There is no need and you give us six months' time. Inspite of it, if you want House Committee, I am not going to accept. Kindly. This is the decision of the Government. Chairman:- He will take serious action. Kindly.

They cannot stall the House. Kindly....

You are demanding again and again. What is the use? No. I am not allowing you, Mr. Vidyasagar Rao.

Chairman:- What is this?
Why are you trying to mislead this House? Yesterday, in the E.A.C. meeting you have accepted that all questions - SNQs etc., should be over by 11.50 A.M... As per your own statement it is not correct. It is a shame on your part. I will read out the statement.
I am not allowing anybody to speak. I am not allowing any further discussion on this. You proceed. I am not allowing anybody else. Do you agree? We are all party to it.

In spite of that — according to your own answer — why have you worded that answer? You have said here, 'During the enquiry it was revealed that GPA

Nothing wrong in it. We will only appeal to you to reconsider. This will enhance the prestige of the Chief Minister, the prestige of the House. What is wrong in it? We are not going back. Let us do it. Let all of us do it. Fifty-five, forty, forty. I say so. We are going to do it. We are going to oppose it. It is only his prerogative. I cannot compel him. We are all asking you, we are representing to you to reconsider this.
It is a question as to how to catch hold of the culprits. I am in the Government and I want to expose and take action against them. I think that is not the best way. I thought the best way is to constitute land grabbing court and straightaway book them. I assure you give me six months time. Then we will take further action as to whatever you want....

Chairman:- I am not allowing any discussion on this issue.
Sri N. Janardhana Reddy:— I am going to appoint to-day itself. I am going to entrust the work with full court, with all other judicial and revenue people.

Chairman:— The House is adjourned to meet again at 8.30 A.M. on Monday, the 16th September, 1991.
