Because he has made certain allegations taking the BJP. Sir, I have to make a submission.

Minister for Medical and Health (Sri K. Rosaiah):- Sir, I have made certain allegations taking the BJP. He is satisfied with the answer. In future also it does not happen.

Mr. Speaker:- I have already closed it.

Mr. Speaker:- I have already said.

Mr. Speaker:- I have already said.
We have much business today and I request you to cooperate.

Sri M. Narasimha Reddy: The question is very clear - "whether there is any proposal to delimit the Municipal Constituencies of the Municipal Corporation of Hyderabad?" Here, it seems, the Municipal Constituencies have been delimitated.

This is the report:- As per the notification dated 12th June 1981, which was not read, 13 Municipal Constituencies were delimitated as per the 1981 Act.

(b) if so, the reasons for not releasing water to these areas subsequently; and

(c) the steps taken to supply water to the said areas?

On behalf of Chief Minister (Sri K. Rosaiah):

(a) Yes Sir. These areas were originally included in the ayacut under Phase. II of Nagarjunasagar Right Canal.

(b) The Krishna Water Dispute Tribunal allotted 132 TMC of water to Nagarjunasagar Right Canal which is just sufficient for the localised ayacut under Phase. I. Therefore there was no possibility of taking up the ultimate phase. Hence the 2nd phase could not be taken up. The main canal was excavated upto M. 126/0 only (upto Musi River).

(c) The proposals for forming balancing reservoir across (1) Gundlakamma near Chinnamallavaram Village (2) Musi River near Errabonapalli Village with the surplus water from Nagarjunasagar Right canals during the rainy days and also from regeneration water from Nagarjunasagar Right Canal ayacut (for Gundlakamma Reservoir) and self catchment are being formulated by the Chief Engineer, Investigation.

The proposals for forming balancing reservoir across Gundlakamma reservoir near Chinnamallavaram village is proposed as a major irrigation project across Gundlakamma river in Maddipadu Mandal to irrigate 30,553 hectares in kharif during lift irrigation at K.M. 22.600 of Left Bank Canal to benefit 7,400 acres. The project report for Rs. 9,133 lakhs (SSR rates 1987-88) with FRL + 26.2 mile 86 was proposed in September, 1987. The Government of Andhra Pradesh have forwarded the scheme report to Central Water Commission for clearance in February, 1988. The District Collector, Prakasam District, while submitting his report to the Government on the administrative and financial aspects of the scheme has expressed that the scheme involves lot of submersion and the benefits are marginal as most of the ayacut is already covered under lift irrigation scheme. He suggested that a series of lift irrigation schemes are cheaper than the formation of reservoir. The CWPC has informed that the scheme report is returned to the State as it is not included in the Plan and there is no possibility of getting funds in the near future. This is in the process of clearance. The proposals for forming balancing reservoir across Musi River near Errabonapalli Village. This is under detailed investigation.

In Government letter No. 16888/Coop. V/91-1, Food and Agriculture Department, dated 16-4-1991 the A.P. As the slackness of Contractor also contributed to the delay in execution of work, he was pulled up to expedite the work. But he stopped the work after completing the work upto roof slab and not resumed. The Corporation has therefore withdrawn the balance work from the Contractor's agreement and also levied a penalty of Rs. 2,000/- for the delay caused in completion of work. Action is being taken by the Corporation to entrust the balance work to some other agency or to take up the work departmentally.

Meanwhile, there was representation from the local public for the change of the site of the Bus Stand as the proposed site for Bus Station is far away from the town. Sri A. Subhas Chandra Bose (Bhimavaram):- Sir, one clarification, or a request rather. He has taken, I mean, when he said cement plants are sick, has he taken up the share market of the cement factories? 100 rupees cement - one share is going to 6400-so, what he said is not correct. Because it is not the sick industry - Has he looked into the matter or just otherwise he is telling - Sir, he is misguiding the House, that is what I mean to say...
I am also coming to that... share value has gone up to many folds. That is also another tax concession. Very rich established industries. Expenditure - they are going to expand - rich are becoming richer. It is already a prosperous unit. She is first time, she has become the Chief Minister of Tamilnadu. You look at the incentives she is giving, and how she is interested in developing the industry?...
growth rate also. The tax on Rs. 150 crores turnover is Rs. 6.00 crores including growth rate also. G.O.No. 377 - Rev. C2, dated 2-5-91 - This G.O. was issued on an application made by Roller Floor Mills. The G.O. No. 336 of 336 Order of the Government of Government of India, Ministry of Industry, New Delhi, dated 2-5-91 has been issued in this connection. The directive in the G.O. has been issued with effect from 2-5-91 onwards. They are doing total black-market business without the idea of this Government. Even
the Government gives the concession, it has no idea and it cannot control this because, as Mr. Speaker said, it is an important undertaking. It supplies drilling pipes, casing pipes and other types to C.I.G.C. and it is one of its type in the country. It supplies drilling pipes, casing pipes and other types to C.I.G.C. and it is one of its type in the country.

Mr. Speaker:- I have said not to take much time.

They are not able to attend to any work. If that is the interest of the House, we have no objection.
They have no assessment. This man is already cheating. He is cheating this Government. It is more than Rs. 2 crores. It is roughly about 2 crores. If there is a single rupee of it, they will say it is double. It is more than Rs. 2 crores. 593. They have no assessment. This man is already cheating. He is cheating this Government. It is more than Rs. 2 crores.
Mr. Speaker:- Before the next speaker starts his speech I have to make one announcement.
Mr. Speaker:- I am to announce to the House that the Business Advisory Committee has decided that the Assembly will not meet on Saturday the 21st September, 1991. There is another announcement. Shall I announce then? With all your permission.

Mr. Speaker:- The Legislative Committee on Amenities has recommended, among other things, that the sitting Members of the Legislature may be given Government land for house sites. I am happy to inform that the Government have decided to allot 500 Sq.Meters of Government land for each legislator in Survey No. 403, Shaikpet Village near Hyderabad City. Mr. Deputy Speaker:- It has been very widely enlarged by Vidyadhara Rao.

Sri P. Ashoka Gajapathi Raju:- My submission to you is, after the Hon'ble Member raises all the points we request you to permit us to seek clarifications from the Government. Will you permit us Sir?

Mr. Deputy Speaker:- Yes, certainly. I will try to bring him to the subject without going too far.
If you exceed the limits you will have to reap the consequences.

Sri K. Vidyadhara Rao:- Nobody is scared of that, Sir. We have no objection if you want to be the representative of the Congress party here in the House, but Sir, I have not referred to any G.O. I said it is unfortunate. In 1978 when Dr. Channa Reddy was here, their burden was to collect funds and support the party and they have committed the sins. I have not quoted any G.O. If you want us to quote the G.Os, then you give us an opportunity to seek clarification for those G.Os, because he is misrepresenting those G.Os.

Mr. Deputy Speaker:- When you said with regard to 78 that Dr. Chennareddy made some collections, he has got the right to reply and with regard to those G.Os you have got the right to ask for clarification.
I don't want the scope to be enlarged.

Mr. Deputy Speaker:— I will try.

Mr. Deputy Speaker (Sir):— As the Chairman is in, I will enlarge it.

Sri K. Vidyadhara Rao:— Sir, One Member has referred to some G.Os which were not here in the original notice. Is the Minister answering on those G.Os also? Because we don't want to come on the way.

Sri P. Nageswara Rao:— Agreed...

Sri K. Vidyadhara Rao:— Is the Minister answering on those G.Os also? Or only confined to....

Mr. Deputy Speaker:— To the extent possible and for the purpose necessary, he will answer.

Sri P. Ashoka Gajapathi Raju:— Sir, is he answering on those G.Os also?

Sri K. Bapi Raju:— Sir, I do not know why the Hon'ble Member is very much particular on that. I do not... my humble request that I should not be disturbed when I am going to reply and I have lot of patience. In the seventh line of para 3 of the statement at page 3 for the figure "Rs. 330/- in Maharashtra, the figure Rs. 320/- be read.

2. In the fifth line of last para of the Statement at page 5 for the words "to accede approved", the words "to accede to and approved" be read.
(1) In G.O.Ms.No. 376, Revenue, dated 2.5.1991, orders were issued in exercise of the powers conferred by Section 9(1) of the A.P. General Sales Tax Act, 1957 to the effect that the rate of tax payable under the said Act on the sales of cartons and bottles involved in the sales of liquor shall be at the rate specified in entry 19 (containers) and entry 123 (Glass and glassware) respectively of the First Schedule to the said Act. On representation received from A.P. Wineries and Distilleries Association Hyderabad that different views taken by the different Assessing Authorities in regard to the rate of tax applicable to cartons and packing materials involved in sale of liquors in the wake of decision of the Supreme Court in Rajsheel case has been causing hardship.

The notification was deemed to have come into force with effect on and from 8th July, 1983, on which date Sec. 6C of the A.P.G.S.T. Act came into effect.

The effect of the notification issued in G.O.Ms.No. 376 Revenue dt. 2.5.1991 Is that the tax payable on the cartons and bottles involved in the sale of liquor shall be at the rates applicable to containers and glass and glassware as specified in the A.P.G.S.T. Act, notwithstanding Sec. 6-C of the said Act which are as follows:

<table>
<thead>
<tr>
<th>Entry 19</th>
<th>Containers other than gunnies, bottles and plastic containers at the point of first sale in the rupee.</th>
</tr>
</thead>
<tbody>
<tr>
<td>Entry 123</td>
<td>Glass and Glassware do- 9 paise in the rupee.</td>
</tr>
</tbody>
</table>

Rate of tax on glassware reduced to 6% by G.O.Ms.No. 1613 Rev. dt. 31.10.1984.

Loss, if any, to the Government exchequer would depend upon the scrutiny by the competent officials of the Commercial Taxes Department at the time of assessment and acceptance of relevant claims. Even with regard to claims relating to the past transactions covered by the said notification, similar exercise will have to be gone through before arriving at the tax effect. Therefore, it is not possible to quantify the revenue loss on account of the notification issued in G.O.Ms.No. 376 Revenue dt. 2.5.1991.

(2) The A.P. Cement Manufacturers Association in their representation dt. 2.4.91, while highlighting the difficulties the mini-cement units are facing, with some of the units going sick, requested for granting industrial incentive like reduction in sales tax to make them viable as they provide employment to seven to eight times more compared to major cement plants.

It is also stated that all the mini cement units are located in the backward and tribal areas of the State. It was also represented that thousands of people engaged directly or indirectly would go out of employment if all these units have to be closed down. Therefore, they requested for reduction in the rate of sales tax by 50%.
The request has been examined. It is observed that mini-cement plants pay a total of Rs. 8 crores per annum in the form of sales tax and that reduction of sales tax by 50% is given the State exchequer will lose about Rs. 4 crores. It is also considered that though initially there would be a loss of Rs. 4 crores the eventual increase in product on account of the rate of reduction of sales tax which would help revive the industry which would bring more sales tax and that in the long run would be more that compensate the initial loss. It was felt that the situation could be reviewed after 3 years. Government have therefore decided to reduce the rate of sales tax on sales of cement by mini cement plants.

Accordingly a notification was issued in exercise of the powers under section 9 of the A.P.O.S.T. Act reducing in 50% the rate of tax prescribed in item 18 of the First Scheduled to the A.P. General Sales Tax (Cement) on sales of cement by mini cement units situated in the State and the notification was made effective for 3 years from 2nd May, 1991 vide G.O.Ms.No. 378 Revenue dated 2.5.1991.

(3) The A.P. Roller Flour Mills Association in their representation dt. 5.4.91 represented that the A.P. has 56 Roller Mills, 60% of which are located in rural backward areas and that they are facing very critical situation arising out of heavy incidence of sales tax in Andhra Pradesh compared to neighbouring States like Maharashtra where there is no tax. It is further stated that the issue price of wheat is Rs. 330/- in Maharashtra by F.C.I. and Rs.330/- in A.P. They further represented that higher sales tax in our State compared to other States kept the industry at a disadvantage and the bulk purchasers of Maida the Biscuit and Bakery manufacturers are importing from out of the State causing heavy loss to the State milling industry and consequently loss to State exchequer which would be to the order of 2 to 3 crores only.

It is also represented due to unviability of their working operations, majority of the units have cut down their production and some have gone sick and many are facing imminent threat of closure involving the fate of about 5,600 workers. They had therefore requested for exemption of sales tax.

The Industries and Commerce Dept. examined the request and considered that the proposal to exempt Roller Flour Mills will maximise the Sales Tax from Biscuit and Bakery units and other food processing and manufacture industries and recommended that the exemption may be given as industrial incentive. The matter was examined in Revenue and it was considered that the proposal involves loss of revenue of two crores but that maybe compensated by increase of production, employment opportunities but however exemption should be limited for a period of two years.

However, Industries Department felt that it should be for five (5) years. The Government have finally decided to agree to the proposal considering the following aspects.

(i) Wheat and wheat products are the main stay of roller flour mills industry and if the capacity of all the units in the State is fully utilised the sales tax revenue in the State will be maximised by way of increased finished products like bread, biscuits, semia, vermicelli etc.
(ii) Exemption from sales tax will also help low income groups which are consumers of wheat products.

(iii) If the industries have to close down basing on the tax differential with other States, will cause unemployment and that unless the exemption is granted on wheat and wheat products, roller flour mill industry cannot be saved from grave crisis.

Accordingly, a notification was issued under section 9 exempting sales tax on sale of wheat and wheat products by roller flour mills for a period of five years vide G.O.Ms.No. 377 Revenue (CT.II) Department, dated 2.5.1991.

(4) M/s. Oil Country Tubular Limited represented to the Government that they manufacture various Seamless Steel pipes, called Tubular goods which are used in the off-shore exploration. It was further represented that O.N.G.C. Oil & Gail floats global tenders for these goods and though they are the only manufacturers in India of these products they are not in a position to compete in the global tenders, with the foreign manufacturers advantaged as they are, by various concessions can offer more competitive prices and if the exemption is accorded, their products would also become competitive. The request is examined in consultation with the Commissioner of Commercial Taxes who reported that the financial involvement in the proposal is Rs. 1.25 lakhs.

The request was referred to the Finance and Industrial Dept. who examined the request. It was noticed that the Industry is located in a backward area and has an employment of about thousand workers. Taking these factors into consideration, Government decided to accede approved the request for exemption of the sales of the Drill Pipes, production tubing and casing pipes used in Oil exploration by G.O.Ms.No. 374 Revenue (CT.II) Dept. dt. 2.5.1991 and sold to O.N.G.C. Oil and G.A.I.L. Accordingly notification under Section 9 of the A.P. General Sales Tax exempted the said goods for a period of two years i.e., 1991-92 and 1992-93. Likewise Central Sales Tax was exempted in exercise of powers under Section 8(5) of the Central Sales Tax Act by issuance of G.O.Ms.No. 375 Rev. (CT.II) Dept. dated 2.5.1991.

Speaker Sir, further I wanted to give clarification to the August House because as I rightly said, this is purely an explanation I am going to give but not to attribute to anybody. Please take in that spirit.
For gunnies for instance, liable to tax under Section 6 of the Act—gunnies involved in the sale of contents are liable to tax at the rate applicable to the contents—exemption on the value of gunny component rice sold by F.C.I., issued by Civil Supplies Corpn., Ltd., where gunnies so used have already suffered tax under the Act.

Sri K. Vidyadhara Rao:—Sir, you are an advocate and you are in the Chair. He wants to quote the details... 

Sri K. Vidyadhara Rao:—Let him quote—we have no objection.

On 1.7.85 the Bill was introduced by the then Govt. for introducing 14-B. Earlier in 1957, there was 14-1 and 14-4 very clearly. I appreciate the action taken by this Act for introducing 14-B on 1.7.85. The notion taken by this Act for introducing 14-B on 1.7.85... Then, in the Court also the matter was pending in the meanwhile in 1989... they are insisting at that particular time because it was pending before the Court.
Sri K. Bapi Raju:— Even if you have objection, this is the answer I am going to give you.

(笑声)

Sri P. Ashoka Gajapathi Raju:— Sir, there is another problem here, because there is distinction here. The subject matter...

Mr. Deputy Speaker:— That is what I was appealing you at the beginning. You can get the clarification at the end. You are entitled to get it.

Sri P. Ashoka Gajapathi Raju:— Sir, to justify that similar action...

Mr. Deputy Speaker:— Yes, to justify that, similar action was also taken by the Government formerly also and there is nothing new in it — nothing strange in it — nothing bad in it. In that way he wants to justify his action.

Sri P. Ashoka Gajapathi Raju:— Sir, he is free in justifying. We are not coming against his justification. Sir, what we had asked is — about the exemption of revenue, but here the Minister is answer about......

Sri K. Bapi Raju:— Sir, our arrangement is — to please co-operate with me until and finish it. As I promised earlier, I am going to reply till morning. I am repeating it.

Sri K. Ashoka Gajapathi Raju:— Sir, he is misleading....

Sri K. Bapi Raju:— No Sir, that is your (Mr. P. Ashoka Gajapathi Raju’s) capacity I think and not my capacity. My capacity is to clarify — that is all.

Mr. Deputy Speaker:— If there is any ambiguity or incorrect statement you can get it clarified.
At this stage several cases are pending in S.T.A.T. and High Court on the same issue. Therefore, as the matter is sub judice and also in view of the financial implications we may allow the law to take its own course on this issue of under invoicing in the liquor trade prior to 1.7.1985. In any case the matter may be decided in any one of the cases the 3rd party may file before the Court.
Sri K. Vidyadhara Rao: We are not questioning the Minister’s statement. We only request him to table that G.O. 938. If the statement is wrong you are entitled to ask. You have got your own remedies, if it is wrong.

If the statement is wrong you are entitled to ask. You have got your own remedies, if it is wrong.
Sri P. Ashoka Gajapathi Raju:- Sir, the problem arose because the question was the revenue implication of a particular G.O. with retrospective effect. We have given exemptions even when we were in power. We have done it. About the particular G.O. the Minister is quoting in regard to term. Under the Act, the Government has given the term of 4 years. When I was the Minister for Commercial Taxes...

(Interruptions).

The present Commercial Tax Minister who was sitting here, only demanded that the assessment term be reduced. At that time, I turned down it because there was no modernisation; subsequently computerisation has come, but the issue is that it deals with assessment period while financial implication G.Os were there. If the Department wants to modify it, you can reduce the assessment period from 4 years to 1 year like Karnataka. When I ask particular question and if the answer of the Minister comes in a different direction, it creates a lot of problems like the other day, we have asked about commercial commodities. He did not answer but started answering G.S.T. If the Minister gives us an example or if the Minister is willing to say that the G.O. was nothing to do with the assessment, then I stand corrected.

I am quoting the G.Os. G.O.No. 98. G.O.No.72 deals with loss of revenue. G.Os 77 and 76 deals with cement. I am quoting the G.Os. G.O.No. 98. G.O.No.72 deals with loss of revenue. G.Os 77 and 76 deals with cement.
It is the view of the Government by reducing the percentage to 2. 16 MLA’s were all here till 27. 27 MLA’s were probably 44%. 27 MLA’s were all here till 27. 27 MLA’s were probably 44%

There are several such things. 27 MLA’s were all here till 27. 27 MLA’s were probably 44%. 27 MLA’s were all here till 27. 27 MLA’s were probably 44%

Sri K. Bapi Raju:- He is unable to understand me. I was continuously MLA even when he was not an MLA. 27 MLA’s were all here till 27. 27 MLA’s were probably 44%.

Sri K. Bapi Raju:- He is unable to understand me. I was continuously MLA even when he was not an MLA. 27 MLA’s were all here till 27. 27 MLA’s were probably 44%.
Sri K. Bapi Raju: That is what I am going to tell exactly. By reducing tax we are not going to lose the revenue. That is my idea.

Siru Bapu: No, maam. Vastavam avastavam avastavam. Vastavam avastavam avastavam. Siru Bapu: I cannot just understand him. He is a lecturer. He is a learned man.

Siru Bapu: He is a learned man. He is a lecturer. Where is the necessity in a few days? So it is another example.
In G.O.Ms.No. 71, dated 1.7.85 the rate of tax is further reduced to 2%. Still, I do not want to attribute anything. 1-7-1985 to 2-7-1988.

In the good interest of the revenue, I am not prepared to attribute anything, Sir. Now, with regard to reduction of rate of taxation regarding Cement, Cement is liable to be taxed 10 Paise in the Rupee. There is G.O.Ms.No. 776, Revenue Dept. dt. 24.1.87. The tax on the sales of Cement manufactured by the factory within the State for the purpose of manufacturing cement products is reduced from 10 paise to 4 paise in the Rupees at the point of first sale in the State with effect from 1.1.1987. G.O.Ms.No. 77, dt. 24.1.1987.

Now, G.O.Ms.No. 376. Let me concentrate on that. It is better for me, better for them and for every one of us. In respect of assessments which have not become final there is no provision to reopen the assessments under Section 20 of the APGST Act. The power of revised assessment is limited to two years which is prejudicial to...
the interest of the State's revenue. Now, coming to levying higher rate of tax applicable to liquors.

Mr. W.: Mr. Member:- Let me inform you that the principal object of the Bill is to increase the interest of the State's revenue. Now, coming to levying higher rate of tax applicable to liquors.

Mr. B.: Mr. Member:- I agree with you. This Bill should be passed, and if you want to confine yourself to that I have no objection.

Mr. W.: Mr. Member:- Some may differ in opinion. You may be right, but I am afraid that I may have to differ. If you want to confine yourself to that, I have no objection.

Mr. Deputy Speaker:- We will have clarifications.

It is a very meagre amount. I am prepared to spell it out. Nothing to be hidden about it. Let them have patience. It is carefully examined. They are not going to claim at all. If at all to be claimed it is 167. It is a very meagre amount. I am prepared to spell it out. Nothing to be hidden about it. Let them have patience. It is a very meagre amount. I am prepared to spell it out. Nothing to be hidden about it. Let them have patience. It is carefully examined. They are not going to claim at all. If at all to be claimed it is 167.
they are eligible and roughly calculating beyond that.

Before I am going to say that account of 167, 44, 166, 376, 378, 377, 374, 375, 20, 99, 40!

Sir, my point of order is the Hon'ble Minister, in his statement, has clearly said regarding G.O.Ms.No. 376. Therefore, it is not possible to quantify the revenue loss on account of the notification issued in G.O.Ms.No. 376, Revenue Dept., dt. 2.5.1991. Are you only particularly about this?
Sri K. Vidyadhara Rao:- How? He has gone on record. He has clearly said. He has clearly told us.

Mr. Deputy Speaker:- You say that he has gone on record. Even now also he is not specific regarding the figure. He has issued the notification.

Sri K. Vidyadhara Rao:- How has he derived that figure? He has issued the notification.

Mr. Deputy Speaker:- It may be six crores of rupees or even less than that.

Sri K. Vidyadhara Rao:- 3000 or 6 months? No M.P. has claimed so far. They have not done that separately. They cannot treat an M.P. like this.

Mr. Deputy Speaker:- 1983, 1984. After 6 it has been inserted. Let him give us the annual income figures.
Supreme Court never given any direction. Let me be very clear about it. It is vague.

[i] Refer to the original document for the content in Telugu.
Mr. Deputy Speaker:- Government now made a statement.

Sri K. Vidyadhara Rao:- When the concerned Minister is there, some other Minister makes a statement, over riding the concerned Minister. How can it be a Government Statement Sir...
Expunged as ordered by the Chair.
Sri K. Vidyadhara Rao:—Let the Minister stand corrected. Whatever his intention may be, how can he say only for 167 cases. When the G.O. clearly says that it comes with effect from 8th July.

It is always the intention of the Government that prevails. The wording is giving a different meaning. That is the intention and decision of the Government.
Sri K. Bapi Raju:- 6 'c' applied to all the commodities. Immediately it cannot be quantified because it is connected with commodities in the State. So unless some assessments are completed we cannot give full details.

Sri Ch. Vidyasagara Rao:- He is misleading, Sir.

Sri K. Bapi Raju:- I thought he is an intelligent legislator. I can't understand...
Sri K. Vidyadhara Rao:— He has not mentioned anything about which we have asked.

Sri K. Bapi Raju:— I want to assure the House that the people are the better judges. You have done your job. Let us leave it at this stage.

Sri K. Vidyadhara Rao:— Sir, he has not mentioned anything about which we have asked.

Sri K. Bapi Raju:— I am certain that by exemption of G.O.s our revenue will not go and on the other hand our revenue will increase. I want to assure the House that the people are better judges. You have done your job. Leave it at this stage.

(standing up)

Sri G. V. Reddy:— Hon'ble Member, 40th Amendment to the Constitution provides that the State will not intervene in the management of institutions. The amendment was passed in 1990-91. The Government of the previous Government in 1992-93 passed a 100% tax on 40% of the income of the institutions. This is the habit of Macdowell. This is the habit of Shaw Wallace and Mohan Mekins.

What is the reason? 60% of the revenue will go and 60% of the revenue will not go. I am certain that by exemption of G.O.s our revenue will not go and on the other hand our revenue will increase. Are you prepared to bring a legislation in this to substantiate or authorise 6 'c' in A.P.G.S.T. Act which was done by the previous Government to plug evasion in the form of over billing.
Sri K. Bapi Raju:- 6 'c' applied to all the commodities. Immediately it cannot be quantified because it is connected with commodities in the State. So unless some assessments are completed we cannot give full details.

Sri Ch. Vidyasagara Rao:- He is misleading, Sir.

Sri K. Bapi Raju:- I thought he is an intelligent legislator. I can't understand.
Sri K. Vidyadhara Rao:- He has not mentioned anything about which we have asked.

Sri K. Bapi Raju:- I want to assure the House that the people are the better judges. You have done your job. Let us leave it at this stage.

Sri K. Vidyadhara Rao:- You see the reply. 'Loss, if any, to the Government exchequer would depend upon the scrutiny by the competent officials of the Commercial Taxes Department at the time of assessment and acceptance of relevant claims. Even with regard to claims relating to the past transactions covered by the said notification, similar exercise will have to be gone through before arriving at the tax effect. Therefore, it is not possible to quantify the revenue loss on account of the notification issued in G.O.Ms.No. 376, Revenue dt. 2.5.1991.' Is he not misleading the House?

Sri K. Vidyadhara Rao:- Let him deny this. Income on liquor totally for 1988-89 40.45 crores, income on liquor bottles in 86-87 was 48.54 crores, during 87-88 it was 57.24 crores. During 88-89 it was 57.24 crores, during 89-90 it was 62 crores and during 90-91 it was 98-60 crores approximately. He cannot run away like that. Let him say year-wise income.
This is not possible to quantify the revenue loss on account of the notification issued in G.O.Ms.No. 376, Revenue dated 2.5.1991. It is also considered that though initially there would be a loss of four crores the eventual increase in product consequent on the rate of reduction of sales tax which would help revive the industry which would bring more sales tax and that in the long run would be more that compensate the initial loss. It was felt that the situation could be reviewed after 3 years.

Sri P. Nageswara Rao:- There is seriousness of the situation. I know for every minute thousands of rupees are being spent.

We have seen so many 304s in this Assembly.
మీ శ్రెష్ఠమైనా: - అంతరంత వాయిదాదూ. స్మరించండి. మీరు దీనిని మీ వేసి ఎలాకు రాలినప్పటి. సర్ నిర్ణయం తీసుకు దరిడం దానిని.

మీ వరర్తు పొందాలంటాం. అది సర్ నిర్ణయం తీసుకు దరిడం.

మీ శ్రెష్ఠమైనా: - అది మీకు దాని మీరు దాని మద్దతని ఉండటం అంటే అది మీ వినిచ్చి ఉండటం. అది మీకు ఉండదని ఉండటం.

మీ నాటి దానిని ఉండటం కావాలంటాం. స్మరించండి. మీరు తీసుకు దరిడాలంటాం.

Sri Mohd.Jani: - Sir, kindly hear me. మీకు సంఘర్షం అయింది. మీరు వినిచ్చాలంటాం. మీరు వినిచ్చాలంటాం. మీరు వినిచ్చాలంటాం.

I know that for every minute lot of money is being spent. మీరు తీసుకు దరిడం ఉంటాం. మీరు తీసుకు దరిడం ఉంటాం. మీరు తీసుకు దరిడం ఉంటాం. మీరు తీసుకు దరిడం ఉంటాం. Anything pertaining to economic concession should not be given during the course of election after the notification is issued. మీకు తీసుకు దరిడం ఉంటాం. మీకు తీసుకు దరిడం ఉంటాం. మీకు తీసుకు దరిడం ఉంటాం. మీకు తీసుకు దరిడం ఉంటాం.
There is nothing wrong in it. Let us leave everything for the judgment of the people.

Mr. Deputy Speaker:— We are encouraging for the purpose of revenue.

Mr. Speaker:— I don't want to go into it.
Sri P. Nageswara Rao:— Even this Rs. 6 crores, you have to pass on the budget to the public.
We have no right to pass on this budget to the public. How are you going to answer it? We can't solve their problem and you are passing on the burden to the public. What right you have got to sit here?
Loss, if any, to the Government exchequer would depend upon the scrutiny by the competent officials of the Commercial Taxes Department at the time of assessment and acceptance of relevant claims. Even with regard to claims relating to the past transactions covered by the said notification, similar exercise will have to be gone through before arriving at the tax effect. Therefore, it is not possible to quantify the revenue loss on account of the notification issued in G.O.Ms.No. 376 Revenue dated 2.5.1991.
it is but natural. I would very categorically mention, what I had stated earlier, once again. Will it stand before the law and the public?
He is right. He has accepted his guilty. అది మనం తెలుసు, ఆ రాలు ఆ మనం అనుభూతించాలి. ఈ కషణు తెలియాలా.

Sir, kindly bear with me. సిర, కేవిలుగు మీ సహాయానికి వేయండి.
