(c) Yes Sir. The recent investigation by the Police Department disclosed that certain militants, a Sri Lankan dropout of LTTE by name Karunakaran @ Venu @ Suresh native of Batticola (Sri Lanka) had supplied a dozen AK-47 assault rifles to the cadres of Peoples War Group. The present Arms procurement appears to be mostly from the North India.

Apart from increasing vigilance on the arms dealers, vigorous efforts were undertaken to plug the channels of supply of such weapons to the extremists. Investigation has disclosed that Peoples War Group was able to establish contacts with certain Tamil Militants of Sri Lanka operating from Tamil Nadu and Karnataka and secured these weapons. Efforts are continuing to seize such weapons and also to prevent further acquisition by the extremist groups. Instructions have been issued to all Superintendents of Police to unearth the illegal manufacturers of Arms and ammunition.

It is a privilege of the House. It is a contempt of the entire House. I am not defending any culprit or any Member, outside the House. I am defending the rights and privileges of the entire House Sir. It is a contempt of the House.

Sri P. Ramachandra Reddy:- Sir, I am not preventing the Hon'ble Member. Will it be allowed to go on record Sir? It should not go on record. Is it allowed Sir?

Sri Nallapareddi Sreenivasul Reddi:- It is a contempt of the House. It was deliberately leaked out. It is already leaked out. The rules should be followed. I am quoting the rule for that purpose only. I want a ruling....

Sri P. Ramachandra Reddy:- Sir, according to the procedure of the House, if it is a privilege issue, the Hon'ble Speaker can send it directly to the Privileges Committee. If it is clear - the Hon'ble Member will be given a chance to argue. Let us follow the procedure. How can you allow the entire thing to go on record Sir, when you are not allowing? How can the entire speech go into the record Sir?

Sri Nallapareddi Sreenivasul Reddi:- Sir, I am 100% correct in raising the issue and the question of Privilege.
Chairman:- It is under examination. I will inform the House later on. Now now - No, please - I am not allowing anything further....

Chairman:- Now, let us go with the business. On behalf of your Party who will raise the issue of Zero Hour mention please? (Indicating to Opposition Members).

Chairman:- I will inform you later please.
The question is whether it is a breach of privilege or not.

Chairman:- You raised the issue - that motion is under consideration. Your privilege motion is under examination, and I will inform you later.

Sri Jo:- Dharmasri:-

Chairman:- He has raised the issue - it is under examination....

Sri M. Janakiram:- I never said that it is a secret document. I said Natarajan's Report is before the Government.
Chairman:- It is under examination. I will inform you. I mean - I will inform the House afterwards -

(Interruptions)

It is Zero Hour. I will not allow. It is under examination. I will inform you in the House later.

Sri P. Ashoka Gajapathi Raju:- Sir, let me have my submission.

Chairman:- At this juncture I will not allow.

Sri P. Ashoka Gajapathi Raju:- Sir, before we come to Zero Hour, the other day there was a question of these G.Os., given by this Government, for giving crores of rupees exemption for Major...

Chairman:- It is already over. Not now. No - No - Regarding that issue, I will not allow. Not now - At this juncture, I will not allow regarding that issue. I am not allowing that at this juncture.

Sri P. Ashoka Gajapathi Raju:- Sir, my submission to you is, please allow me to mention.

Chairman:- These floor leaders. We are ready to meet in your Chamber Sir.
Chairman:- Regarding the subject I have already announced but again and again, you are raising about these G.Os., I have already announced. So, again on that issue, I will not allow further discussion.

Sri Ch. Vidyasagar Rao:- Sir, before Zero Hour it was there. No - I will not allow. I am not going to allow. I am not giving any assurance, regarding this matter.

Sri P. Ramachandra Reddy:- Mr. Vidyasagar Rao, is tempting us. The decision is - the Hon'ble Speaker will call for a meeting of Floor Leaders including, the Ministers in this chamber. We have agreed for it but we never said "Just after Question Hour". Let us go with the entire Business. If you don't want business, that is different. We only said - "Let us go with the Business". Please don't dictate terms like this. We readily agreed to discuss with you and on merits - but don't dictate and repeat it. Don't create a bad tradition.

Sri P. Ashoka Gajapathi Raju:- Sir, these G.Os., - the creation of G.Os., are resulted in tremendous loss to the State Exchequer, out of which particularly two G.Os., really take away the Cake Sir. Really never heard of anywhere Sir. The Government has given a clear commitment on the floor of the House Sir.
Chairman: Regarding this issue, I am not allowing any discussion.

Sri Ch. Vidyasagar Rao: Sir, you don't allow us. But, allow the Hon'ble Minister Sir. Whether he is ready or not Sir - he is ready....

Sri P. Ashoka Gajapathi Raju: Sir, please allow me to complete my submission.

(Interruptions)

Sri Ch. Vidyasagar Rao: Sir, I think he is ready.

Sri P. Ashoka Gajapathi Raju: Sir, it is very very serious issue. It is a very serious issue. We view it very very seriously. Sir, you are not allowing me to complete my submission to you. This is a very, very serious issue. Sir, we also view it very, very seriously. We also believe that there is no need to keep it secret. Basically, among all these half a dozen G.O.s., that were issued by the Government, two G.O.s., are of extremely serious nature which go fundamentally against the acts. One thing is, no judgement was given by the Supreme Court. Still, this Government decided to make a donation from the Public Exchequer to a tune of Rs. 178 crores. Sir, it is not a small amount. The theme of the act is very clear that each commercial commodity can be taxed fully in one way. This Government's intention is to create loss to the Exchequer, as such.
Chairman:- Again and again this issue is brought up. We already discussed this subject at length.

Sri P. Ashoka Gajapathi Raju:- The Government decided that Cement should be charged at two basic rates, which is unheard of anywhere. Why do they want to be secretive about this? We can discuss this here, itself. The other day, the Minister was also answering....

Chairman:- Ashoka Gajapathi Ra^ugaru, again....

Sri P. Ashoka Gajapathi Raju:- Sir, allow me to complete my submission.

Chairman:- No. This is not the way.
Sri P. Ashoka Gajapathi Raju: - Sir, what is this? You have called me. But, at the same time, you are also allowing others to speak.

Sri K. Bapri Raju: - Chairman, Sir....

(Interruptions)

Sri P. Ashoka Gajapathi Raju: - Sir, what is this? You have called me. But, at the same time, you are also allowing others to speak.

He does not require the assistance of all the Ministers. It is not necessary for him to have the advice of all the Ministers. The Chief Minister assures me that he will bear in mind all the points mentioned by the Members. He does not require the assistance of all the Ministers. I am prepared to have a dialogue with the floor leaders, in detail. The other day, when Mr. P. Nageswara Rao raised particularly about the amount involved I said it was only a meagre amount of Rs. 6 crores and when the Hon'ble Member, Sri P. Nageswara Rao was insisting on that and when I was about to explain I was interrupted. Of course, I was about to explain I was interrupted. Any way, we are prepared to sit and discuss before you with all the floor leaders in detail and along with my Officers also.

Chairman:- I will give you. Wait. Just one minute. Samarnasimha Reddy garu, just wait. I will give you opportunity later.

Sri P. Ashoka Gajapathi Raju:- First of all, we have to protest. About three or four times you have called us and we have tried to raise something and before we could even start someone was getting up taking away our time. Therefore, we are not able to convey what we wanted to convey. Sir, we are major opposition party here and we have been trying for an opportunity. But attempts have been made to curtail our voice and not allow our voice to go on. We will not tolerate this. Sir, this is very, very clear.

Sri P. Ashoka Gajapathi Raju:- Sir, this is for the fifth time I am getting interrupted. First of all, this Government did not answer any point that was raised by this side. Not even one point was answered. When we were talking about G.O.No.376 the Minister was referring to another G.O. relating to assessment. Not even one point was answered on that score. We questioned about the legal validity of a single commercial commodity being subjected to twin rates of taxation. That was not answered. Nothing was answered by the Minister. Instead, he mentioned a large number of cases which are nothing to do with this. Among the G.O.s referred to by us there are two G.Os. which are very important. One of them is relating to retrospective taxation.

Sri P. Ashoka Gajapathi Raju:- Sir, my submission to you is, it is not a question of satisfaction.

Chairman:- A solution does not arise now, itself.

Sri P. Ashoka Gajapathi Raju:- Sir, it is not a question of being satisfied. The question is when the major opposition raises an issue it is the responsibility of the Government to answer it. If they do not answer it is our responsibility to demand an answer. Therefore, we will demand that answer from the Government. It is my contention. May be the Government cannot answer us to our satisfaction. There is no question of subjective satisfaction. We are not talking about the subjective satisfaction. The Government has not answered a single point on the issue that we have raised. It is my contention.

Chairman:- What is the other aspect. That you tell.

Sri P. Ashoka Gajapathi Raju:- The Government has to answer. This is my contention. The Government will have to answer. The issues
are very clear. The State Government has presented the Budget with a large gap. Besides that, they have gone on the increase this gap and in fact, they made it much wider. As a matter of fact, the welfare of the people and our own schemes for improvement and the planned development of the State are going to hay-wire. What has this Government done? They have not even answered the concerned issue under Rule 304. They have not clarified anything when Mr. K. Vidyadhara Rao clearly mentioned about the year-wise figures of liquor on the floor of this House and also about the practice of the liquor trade and the concessions given in that respect. The Minister has not answered that and he said only Rs. 6 crores. How he has arrived at this Rs. 6 crores, Sir? He has not said anything. Our demand basically is, these two G.O.s which account to Rs. 24 crores loss to the State Exchequer out of a total of Rs. 334 crores loss should be withdrawn, Sir.

Sri P. Ashok Gajapathi Raju:- Sir, I submit to you that facts were raised by one side. The major opposition raised facts. The Minister never answered those facts. This is the problem. The crux of the issue is, this involves a large amount of money and why should we have a secret meeting? What is the need of the secret meeting?

Chairman:- Ashok Gajapathi Raju garu, we have very elaborately discussed about facts. What is the use of further discussion about facts? The Minister has also given answer.

Sri P. Ashoka Gajapathi Raju:- Not even one point was answered.

The Government gave answer. స్రి ప. అష్టోక గాజాపతి రాజు:- The Government gave answer. ఇది సంభాషణ విధానం. తప్పు ఉండి సంభాషణం.
the only solution I am suggesting to you,

Chairman:— This is not a speech.

Sri P. Ashoka Gajapathi Raju:— We want facts.

Chairman:— Why are you particular unnecessarily on this?

I wish the wiser counsel will prevail.

Your leader on the pretext that his properties were damaged had gone on fast at the Tank Bund. Sir, if they want to take a recourse let them adopt that.
Sri P. Ashoka Gajapathi Raju: Sir, I have been interrupted for the sixth time. It is my simple submission to you.

(Interruptions)

The question is very simple. When we give a motion we are entitled for a reply. We might not have been satisfied and it is not a question of subjective satisfaction. That is a different issue. We are entitled for a reply and that we have not been given. This is one thing, Sir, the other thing is, the Government is asking us to walk out. Sir, is this the way the Government has to behave? Sir, it is their responsibility to answer us. They have not answered even one point out of so many points raised by us. We are entitled for an answer. We expect answer and we will not be cowed down to agree with the Government if they are not going to answer us. We also hope that better counsel will prevail over this Government and they answer correctly. Sir, they always say that they are better counsels. As a matter of fact, whatever counsels have to prevail, they require to be prevailed there only. As on this date, this Government has a responsibility to tell the people of this State. Sir, they cannot collect money from consumers to pass it on to someone else, which is basically against the tenets of any taxation. Even in Parliament, a Bill was introduced.

Sri P. Ashoka Gajapathi Raju: Our demands are very clear. We demand an answer.
एक सोचने से सीधे सामने हो गया। मैं सोचने लगा कि क्या मैंने आयुक्त सरदार को झुकाया है? बस, कई तरह के समस्याओं कि नोटिस के लिए मैं कैसे तय कर सकता हूँ? अंततः, मेरे साथ एक भी लोग नहीं थे।

Sri K. Vidyadhara Rao:— There is tax on the consumers.

Sri P. Ashoka Gajapathi Raju:— Sir, we want an answer.

Chairman:— Yes. This is Zero Hour now. Already we came to a conclusion. Sri P. Ashoka Gajapathi Raju:— We want an answer from the Government. You cannot bull-doze like this. We want an answer from the Government.
Chairman:— All the parties are co-operating except the T.D.P.

(Siiri) Gajapathi Raja:— We demand an answer.

Sri P. Ashoka:— We want an answer.

(The House, then adjourned at 12-04 p.m.)

Sri K. Vidyadhara Rao:- I congratulate the Hon. Minister for coming forward to amend the G.O., i.e., that G.O. will have only prospective effect. Similarly, there is another major issue of giving concession to Cement factories.....

Chairman:- No further discussion please.

Sri K. Bapi Raju:- Whenever a statement is made by the Minister, there should be no discussion.

Sri K. Vidyadhara Rao:- Regarding concession given to the cement factories....

Chairman:- I am not allowing any discussion on any other thing.

(Interruptions)
I am not allowing any discussion on this matter. Why are you raising the issue? why, why are you raising the issue?

(Interruptions)

Sri K. Vidyadhara Rao:- The concession extended to Mini Cement Plants cannot be extended to major Cement Factories.....

Chairman:- How can I seek clarification? Can I seek clarification?

Chairman:- The Home Minister has already answered. This is not the way. Please go and occupy your seats.

Sri Mohd. Virasat Rasool Khan (Charminar):- The Minister has given false reply. We have given a notice. You admit it.

Chairman:- We will admit it under Rule 304 and it will come tomorrow.

Chairman:- I will admit your notice under 304 and it will come tomorrow. Please go back and resume your seats.

(Interruptions)

Chairman:- Please resume your seats.
You are demanding the Chair. This is not the way to behave. That is my appeal also to all the parties.
I appeal to all the Floor Leaders to co-operate with this issue. This is a sensitive matter.

I am not allowing any further discussion regarding this issue.

I am not saying anything against them. Please permit me to speak.

No, No Sir, you have to allow this to go on records. This is only lame excuse i.e., to have been thrown stones...
