J.No.347-1
Sri Md. Virasat Rasool Khan:— Mr. Speaker Sir, I want to know from the Hon'ble Minister as to how many Urdu teachers posts are vacant? Urdu teachers have been asked to teach Telugu, especially in Mogalpura, Charminar, Chaderghat, Mushirabad, Azampura schools. How many posts are vacant? I want clarification from the Minister.

Dr. P.V. Ranga Rao:— The number of posts are 266. The number of teachers posts filled are 242. The number of Urdu teachers posts vacant are 24. We have written to the employment exchange, but surprisingly, we received letters saying that they do not have qualified teachers. We have written two times. 24 posts are meant for for B.C. candidates. However, in accordance with Rule 21(D) if the B.C. candidates are not available in A, B, C, D categories, the turn deem to be allotted to O.C. candidates. But, we can take a decision only after we receive reply from the employment exchange.

Sri Md. Virasat Rasool Khan:— Urdu teachers are being asked to teach Telugu in the schools.

Dr. P.V. Ranga Rao:— It has not been brought to my notice. However, we would like to enquire into the matter.
Mr. Speaker:— You send a letter and he will answer.

Sri Mght. Amanullah Khan (Chandrayanagutta):— There is no question of sending letters.

Mr. Speaker. Sir, low voltage is a chronic problem, which most of the districts are facing resulting in either pumpsets getting burnt or the transformers getting burnt. Due to this, the crops are drying up putting the farmers to huge losses. The Hon. Minister has stated that the reason for this is the regulated hours of power supply. To overcome this problem. Will this regulated hours of power supply be removed? Secondly, in the districts pointed out by the Hon. Minister, will he be in a position to supply additional power transformers? Finally, Nizamabad district is at the tail end of the power grid. Keeping this in view, will the Government take steps to set up a 100 M.M. Thermal Generation Unit?

Sri K.R. Suresh Reddy:- Mr. Speaker. Sir, I agree with the Hon. Member that there has been shortage of power transformers. Out of the 90,000 distribution transformers that have been existing in the State of Andhra Pradesh about 40 percent are overloaded. That is an undisputed fact. This is attributable to three factors. Firstly, due to the release of services, there has been overloading of transformers at certain points. Requirement of transformers to replace the failed units is another factor. The third one is, whenever overloading is caused consequent to the change of system, we have been facing some difficulty in the information procedures. As I have admitted earlier, there has been difficulty in it and the difficulty is more faced in the districts that I have mentioned. It is not that the other districts are not facing. They have also been facing it. The additional transformers now required to make the system effectively operational will be about 34,000. This is the number of transformers that is required. The cost will be Rs. 340 crores at the rate of Rs. one lakh per transformer. The Hon. Members are fully aware of the difficulty the Electricity Board is facing due to paucity of funds. Inspite of the constraints and restraints that we have been facing in the Electricity Board, we have been taking all the steps to see that the situation is met with effectively.
Sri K.R. Suresh Reddy:— Is there any proposal with the Government regarding the Thermal Unit which I have mentioned?

Mr. Speaker:— Already, he said that there is paucity of funds.

Mr. Speaker:— It is not a Demand.

Mr. Speaker:— It is not a Demand.
This low volatility is attributable to three factors. Of which, a major one is that for technical reasons, it cannot be increased. Other factors are that the Board is going on with a phased programme. We have been trying for the external finance also. The main reason is paucity of funds.

9.10

...
We have to see the borrowing limit of the Electricity Board. Previously, it was confined to Rs. 1600 crores. Yesterday only we have taken the consent of this House by way of a motion for enhancing it to Rs. 2600 crores.

IRRIGATION FACILITIES TO THE FAMINE
AFFEC TED AREAS OF KAREEMNAGAR DISTRICT

126-

3025-Q- Sri D. Chinamallaiah:- Will the Chief Minister be pleased to state:

(a) Whether it is a fact that the people of famine affected areas of Bheemdevarapalli, Elkathurthi and Saidapur Mandal s of Indurthy and Huzurabad Constituencies of Kareemnagar District have been agitating for a long time for the supply of water to Lift Irrigation Schemes; and

(b) Whether there is any proposal to supply water to the said famine affected areas through lift from lower Maneru Dam; if so, the details thereof and the time by which it is likely to be taken up for execution?
3025-A-(a) Representations have been received by Government for providing Irrigation facilities to these areas through a Lift Irrigation Scheme from the Lower Maneru Dam.

(b) Scheme envisaging lifting of water from Lower Maneru Dam to feed the gap ayacut under existing Minor Irrigation tanks in the parts of Husnabad and Bheemadevarapalli Taluks etc., can be considered after the entire ayacut under stages I and II of Sriramsagar Project is fully developed. However parts of the areas proposed under the above Lift Irrigation Scheme are likely to be covered under the proposed floodflow canal-cum-Lift Irrigation Scheme from the foreshore of Sriramsagar Project which is under detailed investigation.

ILLEGAL TRANSPORTATION OF CASHEW NUTS FROM THE PALASA RAILWAY STATION

127-

698-Q-Sarvasri G.S.S. Sivaji, K. Yerrannaidu and A. Madhava Reddy:- Will the Minister for Commercial Taxes be pleased to state:

(a) whether it is a fact that several businessmen are transporting cashewnuts illegally from the Palasa Railway Station in Srikakulam District without paying taxes; and

(b) if so, the steps taken by the Government to prevent the same?

A-(a) & (b) No specific instances of illegal transportation of cashewnuts from Palasa Railway Station without paying taxes have come to the notice of the Government.

SELF ASSESSMENT SYSTEM FOR COMMERCIAL TAX PAYERS

128-

1011-Q-Sri G. Muddukrishnama Naidu:- Will the Minister for Commercial Taxes be pleased to state:
(a) whether it is a fact that self assessment system has been introduced for commercial tax payers; and

(b) if so, the details of the said system?

A-(a) A system of summary assessment without requiring the presence of the dealer or calling for the accounts of the dealers whose turnover is less than Rs. 40,000/- which is generally also called self assessment was introduced in the year 1963 by introduction of rule 15-A of the Andhra Pradesh General Sales Tax Rules, 1957.

(b) According to rule 15-A of the A.P.G.S.T. Rules introduced in the year, 1963 in the case of a dealer whose total turnover for a year is less than Rs. 40,000/- the assessing authority shall not ordinarily call for the accounts of the dealers for the purpose of final assessment subject to the conditions laid down in the said rule. The turnover limit for applying the scheme has been raised from Rs. 40,000/- to 1,00,000/- with effect from 17.10.85 and from Rs. 1,00,000/- to Rs. 2,00,000/- with effect from 5.7.1988. This limit was extended from Rs. 2 lakhs to Rs. 10 lakhs in February, 1989.

No Zero-Hour. I have not allowed it. Where is the rule? I want to ask the leaders of the opposition.
Mr. Speaker: I do not allow it. The chief Minister is saying: Please resume your seat. No. I am not allowing it. Nothing will go to the record. I am not allowing any interruption.

Sri N. Janardana Reddy: Even the admissions which they might have done we are not going to recognise. We are calling for the management. We are taking action.
 Liberties, structures, and their implications. The right to information and the right to freedom of expression are fundamental freedoms that are essential for democratic societies. They enable citizens to participate in public life, hold their elected representatives accountable, and ensure that public decisions are made transparently and responsibly.

Since the adoption of the United Nations Declaration on the Right to Freedom of Expression in 1998, there has been a growing recognition of the importance of these freedoms in promoting human rights and democracy. However, the implementation of these freedoms remains challenging, particularly in contexts where authoritarian regimes or other forms of oppression exist.

One of the key challenges is the lack of legal and institutional frameworks that effectively protect these freedoms. Many countries have laws that restrict access to information or impose restrictions on freedom of expression, often leading to self-censorship and a chilling effect on public discourse.

Another challenge is the increasing use of technology to surveil and control the flow of information. Social media platforms, for example, have become crucial conduits for information dissemination, but they are also susceptible to manipulation and censorship.

Countries that have successfully promoted and protected these freedoms often have a strong tradition of press freedom, robust legal frameworks, and independent media. They also have mechanisms to protect the right to information, such as access to information laws.

In conclusion, while the right to information and the freedom of expression are fundamental human rights, their implementation remains a challenge in many parts of the world. It is crucial for governments to prioritize the protection of these freedoms to ensure a vibrant and healthy democracy.

Sri Ch. Vidyasagar Rao:— Sir, I am very glad that today the House is very full. What is the special direction given by the Hon'ble Speaker to the Members? I do not know.

(Interruptions)

(Sri A. Madhava Reddy insisted to speak)

Mr. Deputy Speaker:— Whatever he speaks shall not go on record. It is irrelevent and improper. Please don't obstruct other Members. Everytime, you are doing like that. On the Budget, when there was general discussion, you have utilised the opportunity and diverted the subject. You are infringing the rights of others.

Sri K. Vidyadhara Rao:— Sir, on a point of order. Sir, under Rule 302, you have to come to the rescue of the Members. Sir, a Member of the House has been intimidated by the so-called Central Observers. It has come in the press. It is reported. One of the Members Mr. Seshu, when we were discussing the Cheemakurthi affair, said that it is in his constituency and it is a murder after being raped. The Hon'ble Home Minister said that it is death by drowning. How can he be intimidated?

Mr. Deputy Speaker:— No, No.
Sri K. Vidyadhara Rao:- I have every right. You have to come to the protection of the Members. Give the ruling.

(Repeated Interruptions. The Telugu Desam Members were on their legs)

(Interruptions)

Mr. Deputy Speaker:- No, No. You are infringing the rights. You cannot intimidate the Chair. It is very bad on your part.

Sri K. Vidyadhara Rao:- You have allowed me under Rule 302. I have every right to speak in the House.

Mr. Deputy Speaker:- You have explained your point of order elaborately, thoroughly and fully. You cannot use this occasion for making a long lecture of your liking.

Sri K. Vidyadhara Rao:- You cannot close our mouth. You have permitted me to raise a point of order under Rule 302.

Mr. Deputy Speaker:- You have already raised your point of order.

11.30 Sri K. Vidyadhara Rao:- You give mike. What is this?

Mr. Deputy Speaker:- Are you satisfied with your submission? Are you desirous of getting reply?

Sri K. Vidyadhara Rao:- I want a reply from the chair. I want ruling from the Chair. Let me complete my observation. Let me complete my submission.

Mr. Deputy Speaker:- Elaborately and completely you have submitted. You have taken much time also. What is that you want to submit further?

Sri Ch. Vidyasagar Rao:- Sir, point of clarification. I said I am very happy.
Mr. Deputy Speaker:- You are misusing the opportunity that has been given to you.

Sri K. Vidyadhara Rao:- I want the Member to explain. The Member is here. Let him explain.

Mr. Deputy Speaker:- I would like to know from Mr. Vidyadhara Rao whether he had verified it from the Hon'ble Member or verified from the Press. The Hon'ble Member is very much present here.

(Interruptions)

He is very much present here. Do not waste all the time by giving lectures based on the Press.

Sri K. Vidyadhara Rao:- The Member is very much present here.
Mr. Deputy Speaker:- I do not allow anybody to speak. Whatever others said does not go on record. I have not permitted anybody to speak.

Sri A. Subhaschandra Bose (Bheemavaram):- I am on a point of order.

Mr. Deputy Speaker:- Let me complete. Mr. G.V. Seshu is the concerned person. He is the competent person to explain.

Sir. It is totally false.

Mr. Deputy Speaker:— Let him give the information.

Sri V. Rambhupal Chowdary:— You have a number of instances.
Fertiliser Industry Corporation Committee is the authority to fix the controlling prices. They have fixed the prices at Rs. 45 per quintal. Dealers are selling the stock at the same price. It is only a modality. We require two lakh tonnes of fertilisers. Stock available with dealers for sale at old price is one lakh tonnes.

It is only a modality.

Sri A. Chandrasekhar:- The Government has been against Emergency. Its futility was revealed many a time. The Government has been against Emergency. Its futility was revealed many a time.

Sri N. Janardhan Reddy:- But the dilemma is - what to do, whether to continue or to change.
In fact they must congratulate the State Government for drawing the entire amount $69,500.
It is left to the Government to find out as to how
to distribute the amount. Rs. 51.31 crores are with APCO BANK,
and Rs. 2 crores were (out of that Rs. 69 crores) have been distributed to the small and
marginal farmers. The Balance distributed to the small and margi-
nal farmers. The Balance amount is there now. The distributed
amount is there now.

(Statement)

The distributed amount is there now. The distributed
amount is there now.

The distributed amount is there now. The distributed
amount is there now.

The distributed amount is there now. The distributed
amount is there now.

The distributed amount is there now. The distributed
amount is there now.

The distributed amount is there now. The distributed
amount is there now.

The distributed amount is there now. The distributed
amount is there now.
This is cheating the farmers. This Government cannot cheat the farmers. Money meant for the farmers cannot be withheld by the Government. This is only repetition. Nothing is new.
Sri Ch. Vidyasagar Rao:- Then another Joint Parliamentary.

Sri V. Jagapathi Rao:- We have greatest respect for their valued opinion. It is my opinion. I am also a Member and I can give my opinion. I want to suggest to the Government that there should be 1/3 share of the Government. It should not be entirely left to the private people. Today, I am making the same suggestion that this money has to be used as margin money towards the share of farmers. If at all any factory is going to come up in Andhra Pradesh out of the 12 proposed factories in the country, this money should be utilised as investment on behalf of the farmers so that one big factory could be established in the State.

The second thing is about the production in the fertiliser factories. When Ramagundam factory was established, I was here. When Nagarjuna Fertilisers was also established, I was here. Many of the factories, which were set up in Andhra Pradesh, were idle for several years. The functioning of Nagarjuna, Godavari and Ramagundam factories should be streamlined properly so that there is no cross-movement of fertilisers. This is an additional burden on the farmer. The production and the supply should be regulated in such a manner that it is beneficial and economical to the farmers in the State.
As far as the prices of fertilisers are concerned, I am one with the Opposition Members that the present cost of the fertilisers is so high that it will overburden the farmers. Therefore, the Government has to do something to subsidise it and help the farmers.

Sri V. Jagapathi Rao:- This will be a certificate to the farmers who are entitled. I am not saying of the Government. It is an investment on behalf of the Government. Instead of giving cash, certificates will be given to the farmers.
That difference of amount will be reimbursed by the Central Government.

Sri V. Rambhupal Chowdary:- Yes, we got it. Now, I cannot commit. The money is kept there. Whenever the co-operatives claim we are giving. The amount that has been cleared so far is Rs. 2 crores and it will be continued. It is not our money. It is not a grant to the Government. It is a grant to be utilised to help the small and marginal farmers. The money is not with the Government. It is kept with the APCOB.
Money is not with the Government.

If the claim is made by the societies we will give.

Where is the money? — Say, we will give.
Mr. Deputy Speaker:— Let me explain. If you are not satisfied the Minister will explain. The Hon'ble Chief Minister has already said.

Sri V. Rambhupal Chowdary:— There is no controversy in it.

Mr. Deputy Speaker:— I cannot suggest anything in this.

Mr. Deputy Speaker:— With this the subject is closed. The House is adjourned to meet again at 4.30 P.M. today.

(The House then adjourned at 1.58 P.M. to meet again at 4.30 P.M.)

According to the survey, which covered 150 villages, the Lambadas had benefitted the most and were prospering while Chenchus, who continue to live in forests, were badly neglected and the funds meant for them were being cornered by unscrupulous middlemen.
There are some 6,600 Chenchus in 150 villages. However, the Field Publicity Staff found that records of almost every village showed several hundred Chenchus living in each village whereas in reality there was none. Obviously, unscrupulous elements have enrolled the names of Chenchus and cornered the Government Funds meant for their upliftment. There was no irrigation source for any of the 150 villages and their main source was open wells. Though the Miriyampalli main canal of Nagarjunasagar canal passed through, even Miriyampalli, as
also other villages visited, the ayacut was not getting Nagarjunasagar Water, and the villagers visited the

there are number of allegations against this lady. On that the Government has transferred her to Pedhappavadi in Prakasam District. There is a filthy language that has been used by the parents and the students against this principal. It seems that when the Hon'ble Speaker goes into that statement given by the students, parents and other people - I think we need not mention all that filthy dirty language. She also made a complaint against the local M.L.A. All these things should be dealt with very seriously and she made very very abruptive allegations with filthy language against the parents, including the local MLA, which is a serious affair. I request the Government to take immediate action against that lady and institute enquiry and take appropriate action on that lady, Sir. So far as Tribal Welfare is concerned, I have one point. The Government of India changed the Land Acquisition Act. The Collector and Joint Collector expressed the view that it is not fit for cultivation. Even the Collector and Joint Collector expressed the view that it is not fit for cultivation.
43% of the persons to whom pattas were given for house sites were ineligible people. In Prakasam District, one Spinning Mill is there. You do not find communal roster in the Employment Exchange Recruitment. Out of 16 persons, 14 people were recruited without following recruitment rules. Like that, Tobacco Growers’ Association is there. They also recruited without following recruitment rules and without following the communal roster. Like that Dairy Development is there in Prakasam District. They have recruited 190 people without following communal roster. They are not following Employment Exchange Rules. Like that, they abruptly violated the fundamental principles of recruitment. For the last 5 or 6 years, so far as Prakasam District is concerned, one Spinning Mill is there. Sir, I am not going to yield. You have to take a decision and I want a clarification and decision from you.

Mr. Deputy Speaker:— No more submission — and there must be an end for this. One by one please — and not all submissions all of a sudden.

Sri P. Ashoka Gajapathi Raju:— Sir, what the Hon'ble Member has talked — is about the Policy.

Mr. Deputy Speaker:— I am withdrawing the mike of both. I withdraw the mike from Mr. Raju also. Both of you are wasting time. Please resume your seats. I am withdrawing mike of both of them. Mr. Bose, if necessary I will give you time afterwards.

Sri P. Ashoka Gajapathi Raju:— Sir, While making your observation on my friend’s remarks whatever he has raised, you have made an uncharitable remark towards our Party. Sir, the inference - you can get the records and kindly checkup. We have to appeal to you Sir, that it is not correct Sir. We are cultural people Sir – we have been in the Government in the State Sir. In fact, we have been trying to bring the people's problem also to the Notice of the House Sir. Our request to you also Sir – from this morning we have been noticing that we are unable to put two sentences across Sir. This is a little unfair to us Sir. Please withdraw that remarks and we can continue with the business Sir. Otherwise it is difficult – we are all respective people Sir – It is our job to protect your interest Sir – and to uphold your dignity. Mr. Deputy Speaker:— I request the Minister for Tribal Welfare to give his reply.

The Minister for Tribal Welfare:— We have a very good policy in place. We have 12 tribal areas in the state. Since 2000, we have been implementing the policy in a very effective manner. The policy aims to provide reservation to the tribals. We have been providing reservation in education, employment, and other fields. We have also been providing financial assistance to the tribals. We are committed to ensuring that the tribals have a better future. We are also working towards the development of tribal areas.

Mr. Deputy Speaker:- I withdraw mike to Seetharam.

Mr. Deputy Speaker:- Mr. Seetharam, you are trying to bullying down. This bullying and bargaining habit is not good. That does not go on record. I will have to take action against you. I do not yield to your 'Jabardasthi'.

Minister for Tribal Welfare (Sri K. Bhim Rao):- Hon'ble Speaker, Sir, the total estimates for Tribal Welfare Department under Demand No. XXVI is Rs. 125.56 crores. The Commissioner's budget is increased by Rs. 14.80 crores which come to Rs. 13.37% net increase over the last year. The total allocation from Non-Plan is Rs. 60.78 crores.
The total allocation under Plan is Rs. 41.75 crores and under Centrally Sponsored Schemes Rs. 21.02 crores and under Sub-Plan amounting to Rs. 30.36 crores. In total, 24 Members participated under Welfare Demands and out of that, 20 Members suggested various points with regard to the Tribal Welfare Department and I have taken note of all these suggestions Sir, and now I want to highlight certain points for the development of the tribals. Tribal Welfare Department has 2 to 3 categories of programmes - Education, economic development and other programmes. Under Economic Development Programmes the first is Education Programme, Sir. Out of the total outlay, 44% we are spending for educational purposes. That comes to Rs. 55.00 crores. Like that for economic programmes we are spending Rs. 47 crores. Under Sub-Plan we are spending Rs. 36 crores for economic programmes.

Mr. Deputy Speaker:- Do not behave in a silly manner.
Sri Mohd. Jani:— He is absolutely misguiding the House, Sir.

Sri Mohd. I; Jani:— If this is the tradition that is going to be adopted by them in this House, we sit, Sir. We want your protection, Sir.
Your behaviour is abnorlalous.

*** Expunged as ordered by the Chair.
Sri P. Ashoka Gajapathi Raju—Speaker, Sir, we had no intentions to treat this August House with any type of dishonour. Unfortunately, in recent years it takes two hands to
clap. When an Opposition Member or a Private Member hypothetically goes against the letter of the rule, not the spirit of the rule, I do not think any of us will go against it, because all of us are bound by the same spirit of the rules. The letter of the rule, probably here and there, some one might have gone a little ahead. Sir, any Member can bring it to the notice of the Chair. Sir, that is O.K. But any Minister in Government, itself taking a threatening attitude, it becomes very very difficult, Sir. That may kindly be put an end to. I will be very very happy if no Minister takes a threatening and menacing stand, Sir. If a Member, in a private capacity, commits mistakes, there are many ways of correcting him, including the Chair can give a ruling. But it is extremely difficult for a Chair to give a ruling against the Government because the Minister also represents the Government. So I would request through the Chair—let us all develop and increase our standards. Let us learn to appreciate about what the other person is saying. Let us not delegate ourselves the role of a school teacher. As a Government you have a duty to clarify. Please clarify. Let us all behave like responsible parliamentarians. First of all, this is a minor issue. You could have easily sent a word to the Member not to drink water in the House. It is not such a big issue to have this type of reaction. Let us go to the people's issue. The Government, I hope, is not misusing this opportunity so that the grants demand need not be replied. It is very important that the demands debate be replied, Sir. I request you kindly to proceed with the demands debate.

Mr. Deputy Speaker:—It does not require any ruling. I only appeal to the Members to follow the advice given by Mr. Rosaiah and Mr. Ashoka Gajapathi Raju and to follow the rules of behaviour hereafter strictly.

Sri P. Ashoka Gajapathi Raju: Sir, the Secretary is going to the Ministers and Harping. Sometimes, it has to be done with the direction of the Chair Sir. But we are seeing the Secretary is harping with the Ministers and with the Members also. Sometimes it is being done with the direction of the Speaker. Let it be done with the direction of the Chair Sir - but harping around the Ministers - it never happened before Sir. Even in Parliament and Lok Sabha also it will not happen Sir.
Mr. Deputy Speaker:- I have seen sometimes, the Secretary going to the Member also. It is just to facilitate the business of the House. Just for the sake of the convenience of the business of the House, sometimes the officers have to go.

Sri P. Ashoka Gajapathi Raju:- That should be done with the direction of the Chair Sir. The Secretary is not suppose to harp around the Ministers. The Secretary is not expected to do so Sir. It had never happened before in the House Sir.

Minister for Law and Courts (Sri D.K.Samarasimha Reddy):- Sir, I am surprised to hear Mr. Ashoka Gajapathi Raju raising his point - because he had also functioned as a Minister. We had seen a number of times, the Secretary coming to the Ministers and even in the course of the business of the House, every one of us know the practice. There is nothing wrong if the Secretary comes and meet the Ministers. As a matter of fact, Sir, if I want to make a statement, I can call the Secretary and inform him. He can inform the Chair. I can tell him that I wanted to make a statement during the course of the business of the House. He can intimate to you. Sir, that is the purpose behind it. If they cannot appreciate it - well, I cannot help it. Let them learn the rules - let them read the rules and understand what the practice is.

Mr. Deputy Speaker:- I expunge those remarks from the records.

Sri Mohd. Jani:- Sir, he is insulting the Members. He is insulting the House. He is insulting the entire House..... *** Expunged as ordered by the Chair.
Mr. Deputy Speaker:— I expunge it from the records. The remarks from both the sides are expunged. It does not go into
the records.

(Some Members were on their legs)

Please resume your seats. In Parliamentary practice, we know jolly well - that the Secretary does not go
to every seat. Sir, just because we pointed that out - is this the provocation that has to be given to us?

Mr. Deputy Speaker:— Mr. Raju, I will check up the Parliamentary Rules and if necessary I will give the Ruling
tomorrow. But; so far as my knowledge goes, the Secretary goes to the Members' and Ministers also - just to facilitate
the business of the House, to help the House. I think that is going on so far but in the light of your objection, we will once
again examine the procedure and give a ruling tomorrow.

Sri P. Ashoka Gajapathi Raju:— Sir, as a Minister in the Government, whatever we feel it necessary to inform the
Secretary, we use to send the notices to the Secretary. Sir, we never called him. We never called the Secretary for dis­
cussion. He is under the charge of the Speaker Sir.

*** Expunged as ordered by the chair.***
Sri P. Ashoka Gajapathi Raju:- Sir, you can get it verified. We have all been in the Government Sir. There is also one more aspect one has to remember Sir. I do not know why, but in this Session, we are getting tremendous provocation from the Ministers and the Government.

Mr. Deputy Speaker:- As a matter of fact, no discussion on the Secretary shall go on record. 

Sri P. Ashoka Gajapathi Raju:- Sir, my submission to the Chair is that we have been provoked by the Ministers in the Government. Never had happened like this before Sir. At this rate at every step we are getting obstructions - this is not the way Sir.

Sri D.K. Samarasimha Reddy:— With your permission, Sir.
In view of the increased inflows into the Srisailam reservoir, it is now possible to lift the existing power cut on H.T. Consumer. The A.P.S.E.B. has reviewed the position with reference to the present inflows and the anticipated inflows.
during the next three days on account of the rainfall in the catchment areas. The Chairman, A.P.S.E.B., after discussions with me, has decided to relax the existing power cut on H.T. Consumers. As the Assembly is in sessions, I thought that it would not be appropriate for me to make a statement outside the Assembly without making a statement on the floor of this House. So, I am making this statement for the benefit of the Members in this House.
Mr. Deputy Speaker:— That is what the desire of the Members now.
local tribals who are in occupation of the forest land before 1980, will be regularised. That is the first subject. The second subject is who are non-tribal people who occupied this forest land, they should be evicted. On that basis the State Government i.e. the then Chief Minister in 1987, has convened a meeting. In the meeting they have taken a decision....

Mr. Deputy Speaker:— You have brought a deep and long matter.

Dr. R. Ravindranath Reddy:— I will give in a petition form. Let the Minister do the needful.

Mr. Deputy Speaker:— He will send the reply.

Sri P. Ashoka Gajapathi Raju:— The non-seriousness in which the Ministers have answered half-heartedly and not giving information, as confirmed, appears that no answers are going to be forthcoming. As a protest our party Members sit down. We do not ask anything.
Sir, he did not follow. I am again repeating my questions for the benefit of the Hon'ble Minister. I have asked two questions - (1) Either to there has been a practice that the M.R.Os were issuing caste certificates to all the communities But now especially for the tribals residing in the scheduled areas, these powers have been given to the R.D.Os. Consequently the people are facing lot of difficulties.. So# again our request is to restore the powers to the M.R.Os in issuing the caste certificates to the scheduled tribes. (2) There are several ethnic groups and tribes. They have got their own mother tongue but they have no script. Please develop their own languages atleast in Telugu Script.

Sri K. Bhim Rao:- As on today almost all the M.R.Os in the scheduled areas have got powers to issue caste certificates except certain communities like Lingadharli Koya. Many people come and demand that they are Lingadharli Koya. How to identify them? Because of that, these M.R.Os should not have powers up to this community i.e., Lingadharli Koya. For that, only R.D.O. is empowered to give caste certificate to Lingadharli Koyes after full verification and for the
tribals in the scheduled areas the M.R.Os are empowered to give caste certificates.

Sir 8. Darsi ceremony (Maha):— As per the Maha, certain rules have been framed in the Maha with the approval of the high court. However, the Maha is not being implemented properly. In the scheduled areas the M.R.Os are empowered to give caste certificates.

Whatever schemes they are implementing, these schemes are not implemented properly. Whatever schemes they are implementing, these schemes are not implemented properly. Whatever schemes they are implementing, these schemes are not implemented properly. Whatever schemes they are implementing, these schemes are not implemented properly.

Sir 9. Darsi— As per Maha, certain rules have been framed in the Maha with the approval of the high court. However, the Maha is not being implemented properly. Whatever schemes they are implementing, these schemes are not implemented properly.
5. We cannot blame the officials also. Since two years the funds are unspent; what action the Government is proposed to take? We cannot blame the officials also.

6. Will the Government consider this?
wherever they live within the State.... mostly, they are in the East Godavary, West Godavary, Krishna and Visakhapatnam Districts, these Setti Balijas should be given B.C. Certificates.

Will the Government consider this?

Mr. Deputy Speaker:- Cut Motions No. 1 to 58.
