Mr. Speaker:- Your leader is on his legs. Please take your seats.

(T.D.P. Members are on their legs).

Mr. Speaker:- Your leader is on his legs. Please take your seats.

Please resume your seat.

You must adjourn the business of this House. You must take this important issue first and let us be given an opportunity to discuss about the important issue that is happening today. An asterisk before the name indicates confirmation by the Member.

J. No. 130-1
Mr. Speaker:— Not to go in detail.

Sri Ch. Vidyasagar Rao:— Only one minute I will take.

Mr. Speaker:— I have given more than one minute.

Mr. Speaker:— More than that nothing should go to the records. Because budget is going to be passed, it is relevant.
Ch. Vidyasagara Rao: - No Sir, I am for running the business. Because budget is being presented by the Hon'ble Minister.

Mr. Speaker: - Again you are overlapping his right.

Sri K. Vidyadhar Rao: - Speaker, Sir.

Mr. Speaker: - Have you got the only right. After my speech only, you can raise.

Sri K. Vidyadhar Rao: - If you want to stall, I have no objection, but democratic principle is that no proceeding should be stalled.
Mr. Speaker:- It is disallowed.

Sri N.T. Rama Rao:- As per the democratic rules we must run the House also. It is not allowed to discuss the provisions of the Constitution while granting private medical colleges.

Mr. Speaker:- I am not allowing to go into discussion.

(Interruptions)

I am not allowing.

I appeal to you all. Let us go according to the B.A.C decisions. According to procedure, let us go. We are not afraid of any discussion.

(Interruptions)

Mr. Speaker:- You are not patient.

(Interruptions)
Sri K. Vidyadhar Rao: - He is mis-quoting, Sir. It is not dis-allowed.

Sri P. Nageswara Rao: - Sir, One point....

(Interruptions)

Mr. Speaker: - He is correct. It has been disallowed.

Sri D.K. Samarasimha Reddy: - Your disallowing the Adjournment Motion is according to Rules. The matter is seized by the Court and it should not be discussed anywhere. What are the precedents? Though it is not necessary, unfortunately, it has become relevant to quote every time Koul and Shakder. There have been precedents. I will invite your attention to page 430 of Koul and Shakder -- Third Edition. It reads like this:

"Although it may be the unanimous desire of the House to discuss a matter which is sub-judice, the Speaker is bound to forbid it. Non-observance of the prescribed legal procedure in a case before the Court cannot be raised through an adjournment motion."

It is very clear. Let us not set up bad precedents.

(Interruptions)
Sri Ch. Vidyasagara Rao:- Sir, ......

Sri D.K. Samarasimha Reddy:- It is not correct, Sir.

Sri Ch. Vidyasagara Rao:- Sri Samarasimha Reddy need not take pains of quoting from Koul and Snaker.

Mr. Speaker:- When the B.A.C. decision is very clear, you need not stall the proceedings.

"Provided that the Speaker may, if necessary, hear the Member concerned before refusing his consent under Rule 63 or holding the motion as not being in order;

Provided further that where the Speaker has refused his consent under Rule 63 or is of opinion that the motion proposed to be discussed is not in order he may, if he thinks it necessary, read the notice of motion and state the reasons for refusing consent or holding the motion as not being in order.

Mr. Speaker:- I said clearly that it has been disallowed.

Sri Ch. Vidyasagara Rao:- Even before refusing the Hon'ble speaker has got power to discuss about it.
Mr. Speaker:- It has been disallowed.

Sri K. Vidyadhara Rao:- Anything which is subjudice cannot be discussed. There is another fact which had to be taken into consideration. We are part and parcel of Union of India. We are governed by one constitution. In the case of Mohini Jain the highest court in the land, Supreme Court has clearly spelt out on the issue of private Medical Colleges and capitation fee. So, we can definitely discuss.

Mr. Speaker:- Nothing to go on record.

Sri K. Vidyadhara Rao:- When judgement was pronounced by the Supreme Court we can definitely go into the fact of the case and discuss.

(Interruptions)

Mr. Speaker:- I am going to the next point.

Sri K. Vidyadhara Rao:- You are encroaching on the rights of the Members. I am not going to allow.
The matter is over. There cannot be further discussion. The matter is over. I have disallowed. I am going to the next question.
Mr. Speaker:- You have not understood me. Once it is dis-allowed, it cannot be allowed.

Sri Ch. Vidyadhara Rao:- It is most relevant, Sir. Let the Hon'ble Chief Minister say something.

(Adhyayam-2)

Mr. Speaker:- Sir, the Hon'ble Chief Minister has already said something.

(Sri Ch. Vidyadhara Rao)

It is related to the situation now. It is a relevant point to pursue.

(Adhyayam-3)

Mr. Speaker:- You have not understood me. Once it is dis-allowed, it cannot be allowed.
These are not the pressing things. I can understand the things if something happens serious for giving an Adjournment Motion. We will discuss on the merits at a proper time, if proper time is given. But, no Notice was also given before the Question Hour was started. Raising now and trying to stall the Question Hour is an unprecedented thing. Let us go to the Question Hour. I appeal to all the floor leaders to accept my suggestion and let us go ahead with the Question Hour.

Sri N.T. Rama Rao:- Sir, we have got our own problems and obligations in democracy to say in view of the importance
of the Adjournment Motion. The Question Hour is not important as important as the circumstances pertaining to Adjournment Motion. You have to look with a sympathetic outlook. I appeal to you to allow the Adjournment Motion and this is my request.

Now, let me tell you first. I will give you time Mr. Amanullah. Your's is the last. Now, let me tell you first. I will give you time Mr. Amanullah.
Mr. Speaker:—You control yourself. Mr. N.T. Rama Rao rose to speak.

He has not completed. Let him complete.

The Supreme Court is already seized of the matter. No doubt. The Chair has also to see that just because it is linked with the matter in the Court an important matter that has to be discussed should not be prevented. We are prepared to answer.
