Dr. P. Shankar Rao:- Is it true that G.C.Ms.No. 14, dt. 9-1-1984 and G.O.Ms.No. 32 were issued to facilitate rule of reservation to S.C., and S.T and B.C. communities and also women candidates at the time of sending panel?

Appointment of Law Officers in judicial courts is governed by an altogether totally different set of Rules and principles. We cannot allow merit to become a casualty in appointment of law officers....
May I submit or shall I sit down?

Sri Ch. Vidyasagar Rao:- It is highly objectionable.

Mr. Speaker:- Please take your seats. Let him answer.

In his answer he has attributed to SC and ST communities....

Mr. Speaker:- I am not going to hear you. I will not hear anybody, if you do like this. Nothing doing. Please take your seat.

Sri Ch. Vidhasagar Rao:- Sir, he said that merit should not be a casualty.

Mr. Speaker:- No point of submission.

If you raise like this, I will go to the next question. Please take your seat. I want to see peaceful atmosphere here.
If you talk like that, I am not going to allow. Sir, you are making noise. Again you are making noise.

Mr. Speaker:- I am going to the next question. Question No. 6032.

Again you are making noise.

Mr. Speaker:- You are not allowing him to answer. Sir, you are making noise. I will go to the next question. Question No. 6032. You first learn to hear your leader. I won’t allow anybody until he completes his answer.

Sri D.K. Samarasimha Reddy:- May I answer, Sir.
Keeping in view the totality of the circumstances that prevailed, in our wisdom we thought that it must be governed by different set of rules. It is a fact that G.O.Ms.No. 35 was issued repealing those Rules. Then, another G.O. 57 was issued regulating the appointment of law officers. Law Officers are being appointed wherever we found that suitable, qualified and experienced SC and ST candidates are there, who fit in the panel submitted by the District Judge and approved by the District Collector.

(continued...)

Strictly by merit the appointments are being made according to the Rules. Added to that, I would like to go on record that it is this Government, for the first time, in the history of entire country, has appointed a Scheduled Tribe person as a judge in the High Court.
It's a different question altogether. It has nothing to do with that.

I am going to the next question.
It is totally a different question. It is governed by a different set of Rules other than this Law Officers. You are all aware of it. There is strict observance of rule of reservation there. There is no question of deviating from it. He was trying to cast some sort of aspersions. It is uncharitable. We are asking all the District Collectors, and through them the District Judges, to specifically give us how many advocates from SC and ST communities are available and how many lady advocates are available. Whatever it is, a detailed questionnaire has been sent to the District Judges. Most of the District Judges and District Collectors have sent answers to the questionnaire that there are no qualified candidates.

(Interruptions)

There is no point in shouting like that.
Mr. Speaker:- I appreciate your question.

Sri D.K. Samarasimha Reddy:- I think there is some communication gap here. I am answering to a specific question and my answer must be taken to that question. You cannot generalise. I did not mean it. It is only for the purpose of this. I have made it abundantly clear.

Mr. Speaker:- I appreciate your question.

Sri D.K. Samarasimha Reddy:- about the reservation policy. The reservation policy is being strictly adhered to. You know how these things are governed. Appointments to the posts of Public Prosecutors, Asst. Government Pleaders, Government Pleaders, Addl. Public Prosecutors are totally governed by the recommendations sent by the District Judge forwarded through the district Collector. We are not going to interfere in that. Wherever SC/ST candidates have been recommended, we made it a point to select. There is no question of deviation. I am giving him the answer. Total number of posts in the entire State are 446 out of which 98 posts are still vacant. 348 posts are filled up. 11 SC candidates have been recommended and they have been selected and all other communities put together, including minorities, 272 have been selected. This is the position.
Sri D.K. Samarasimha Reddy:— I have already answered that. There is nothing like 1984. It is only 1967.

Sri K. Vidyadhara Rao:— I am on my legs. I have not completed.

Sri D.K. Samarasimha Reddy:— You have asked one thing.

Sri K. Vidyadhara Rao:— He is responsible for all these things.

Sri D.K. Samarasimha Reddy:— I have already answered that. There is nothing like 1984. It is only 1967.

Sri K. Vidyadhara Rao:— I am on my legs. I have not completed.

Sri D.K. Samarasimha Reddy:— You have asked one thing.

Sri K. Vidyadhara Rao:— He is responsible for all these things.

Let the answer to his first question come. Let the answer to his first question come.

Let him say the reasons for repealing the G.O. G.O. of 1984 has been quoted. Latest G.O. has been quoted. Let him say the reasons for repealing the G.O. G.O. of 1984 has been quoted. Latest G.O. has been quoted.

According to me there is no such G.O. of 84 which has been repealed by this Government. I will go on record. This Government has repealed only Rules of 1967 and not G.O. of 1984.
Mr. Speaker:- You are again raising the same thing. Other questions will not come. This is already answered. If you have any ...
Mr. Speaker:- Answer is received. 9.35 is over. Other questions are deemed to have been answered then. You cannot make anything.... It is not at all good.

Mr. Speaker:- Please take your seats first. First you resume your seats. I am not going to allow anything. Hear me first. 

Mr. Speaker:- I am not going to allow anything. Hear me first.

I did not mean to hurt him. Each is governed by different set of rules. Can anybody question it? It is his prerogative. I am not questioning it. I am appreciating it for his courage. I am paying compliments for him.

Can’t they tolerate the compliments to their leaders?
I have not followed till now. I have asked the Law Minister to answer for your question.

Sri K. Vidyadhara Rao:— You can't run the House.

Mr. Speaker:— Any-body cannot run the House.

Sri D.K. Samara Simha Reddy:— May I repeat the answer, Sir?
Mr. Speaker:- Earlier, I have mentioned about expunging. I have expunged some portions in which what all that is said... Secondly, let him tell.... Let him complete.

Sri D.K. Samarasimha Reddy:- There are two types of appointments, i.e. Pensionable appointments and appointments for a specific term. Pensionable appointments are governed by different set of rules.
Keeping in view the experience we gained in the implementation of the G.O. and keeping in view the totality of the circumstances prevailing in the State, we have to fill up the vacancies so that the administration of justice does not suffer. In that context only, I said, Sir.

Sri D.K. Samarasimha Reddy:— It is highly disgraceful to speak like that.
Sri D.K. Samarasimha Reddy:— I am prepared to take the challenge whether he is going to become a casualty or the Minister is going to become a casualty....

Sri D.K. Samarasimha Reddy:— I am on my legs. I am not yielding. There are 2 G.Os — G.O.Ms.No. 55 and G.O.Ms.No. 57 Date 16-3-1990.

Sri D.K. Samarasimha Reddy:— I am placing both the G.Os. before you.

Sri D.K. Samarasimha Reddy:- The subtle distinction between the pensionable job and the term appointment must be understood. Where the District Judge has recommended on the basis of work, merit and the capacity of an Advocate, after his work is watched,...

Mr. Speaker:— No, nothing will go into the record. I have given my ruling not to say such things.

Not on a single individual......
Sri K. Vidyadhara Rao:— Sir, the implementation of subsidised rice scheme clearly exposes the hollowness of this Government. It also exposes the commitment of this Government towards the poor. Sir, in the morning also during Question Hour we saw the indifference of the Government towards the weaker sections mainly Harijans. They did not have the minimum....

சாலைப்பயிற்சியில் முதலில் ஒரு வருடம் விளையாடியதால், வளர்ச்சி நிலை குறைவை தோற்றுகின்றது. எனவே, முற்பகுதிகளின் சாலைப்பயிற்சியில் முதலில் ஒரு வருடம் விளையாடியதால் வளர்ச்சி நிலைக்கு குறைவே ரீதியாகக் காணப்படுகிறது. எனவே, வளர்ச்சி நிலைக்கு குறைவே ரீதியாகக் காணப்படுகிறது. எனவே, வளர்ச்சி நிலைக்கு குறைவே ரீதியாகக் காணப்படுகிறது.
You have given instructions for 40% cut. This has led to confusion among the workers. You have also mentioned a rule that any workers who refuse to follow these instructions will be penalized. The penalty is as follows:

- For 3-50 days - 30% deduction
- For 5-15 days - 50% deduction
- For 15-30 days - 75% deduction

This is because of your unknowledgeable policy about the rice export scheme. It seems that you have not provided clear instructions about the scheme. As a result, the workers are finding it difficult to follow your instructions. In order to ensure smooth operations, it is important to provide clear and detailed instructions. This will help to avoid any misunderstandings and ensure that the workers are able to carry out their tasks effectively.

This is a challenging situation, and it is important to address it promptly. It is recommended that you provide clear instructions and ensure that all workers are aware of the policies and procedures. In addition, it may be helpful to conduct training sessions to ensure that all workers are able to understand and follow the instructions.
You remove the scheme - tell us, spell out all the terms of the scheme. As long as we agree to the scheme, we will allow you to remove the scheme. We will pay you the agreed amount. If we decide to change the scheme, we will immediately inform you. If you have any questions, please ask us.

We will provide all the necessary documents and information. We promise to complete the transaction within 7 days. If we fail to do so, we will pay you a penalty of 10% of the total amount.

We also promise to keep the transaction secret. We will not disclose any information to third parties without your consent. If you have any concerns, please let us know.

Thank you for choosing us. We look forward to working with you.
I think this Government will learn a lesson if they do not reduce the rate.

Sri K. Vidyadhar Rao:— In view of this, I would like to know whether it is the assurance of the Government and do away with the scheme — Supply of Rice at Rs. 3-50 per KG—and is it the result of the Cabinet decision?

Whatever decision any Cabinet takes, everyone in the Cabinet is collectively responsible for it and every one here is aware of it. I am not denying the fact.

What we had discussed, it is not the matter concerned here. That is the fundamental principle. I need not reiterate it to my friend the way how it has been taken. My name has been taken. The Chair has taken my name.

Sri Paladugu Venkata Rao: Sir, the subsidy rice scheme was introduced with effect from 1st December 1982. At that time the F.C.I. issue price was, on an average, Rs. 207/- per Quintal, in 1982. The subsidy liability per Kgm. during 1983-84 financial year was Rs. 70.43 N.P. per Kg. The present average F.C.I. issue rate is Rs. 445.40 N.P. per quintal. Consequent on the number of upward revisions of the issue price of rice, since the introduction of the scheme, there has been a quantum jump in the allocation of rice, year after year. The subsidy liability which was Rs. 75 crores in 1983-84 has reached a level of about Rs. 536 crores in financial years 1990-1991 and 1992. Since the subsidy element of rice has reached a staggering proportion of Rs. 2.85 N.P. per KG, as against the original Rs. 0.43 N.P. - a time has come to cut down the subsidy. Government took a decision to increase the consumer price to Rs. 3.50 N.P. so that the subsidy component could be kept at a fixed rate of Rs. 1.25 N.P. per KG. The over increase in the subsidy burden has resulted in non-availability of funds for other activities.
The Government, with a view to ensure adequate availability of rice in the open market and keep in view the purchasing capacity of the weaker sections and also to enable all the sections of the people to get rice at a reasonable rate in the open market, reduced the scale of supply of rice to green-white cards to 4 KG per head per month, subject to a maximum of 16 kgs. The above decisions have been given effect from 27-1-1992. Therefore the concept of fixed price has been modified into a fixed subsidy per Kg, so that the budgetary commitments on rice subsidy scheme remain credible and at a reasonable level. But for the present financial constraints of the State Government and the new national economic policy at the Centre to solvable the country's credibility in the world scene the Government would not have thought of these modifications.

I would therefore reiterate to this August House that this Government is committed to the basic postulate behind the scheme, namely, to give a helping hand to the poor in fighting hunger and malnutrition.
Shri K. Vidyadhararao:- With the respects to the Hon’ble Minister, we want a clarification.

Sri Paladugu Venkata Rao:- With all due respects to all the Members – Sir. This is the best Scheme in the world. This Government believes in the Scheme. This Government believes in the scheme.
