Sri K. Vidyadhara Rao:- Sir, the extent of Greenary fixed in the said Lay Out is 474 acres which works out to 40.61% as against 40% required. He has said, it is more than the required Green area. Naked contravention of Lay Out Rules, allotment, selling away of the open places to various institutions. Because they have changed the pattern of roads in the Lay Out. Even, 51 Enquiry was ordered into the Jubilee Hills Co-operative Society which has also given its finding that he has contravened and bye-passed all the rules; he has not maintained accounts, 604 acres, 10.11.44, 51 enquiry Cooperative Societies 51. 51 enquiry Cooperative Societies also given report that it is contravention of all Rules.
Sri M. Narasimha Reddy:- Sir, I have gone through the Krishna Swamy's Report. The Report later was finalised by Panduranga Rao. So, the Report is not clear and the Commissioner...

Sri Ch. Vidyasagar Rao:- What do you mean to say then?

Sri M. Narasimha Reddy:- The Revenue department is examining it. As soon as the examination by the Revenue Department and the various Department is over that will be placed on the Table of the House. Another thing is, this Jubilee Hills Cooperative Society which the Honourable Member raised consists of 3 Survey Number; 120, 403/1 of Shaikpet and 102/1 of Hakimpet Village. The total extent is 1398 acres. Out of which the Society was given 1386 acres and again the Government has allotted 219 acres to various other Societies. Now, the allotted area to this Society is only 1167 acres. Out of which, area under roads is 223 acres, area under open place is 251 acres. The total 474 acres which works out to 40.61%. The open space area is 40.61% and the plotted area works out to 693 acres and the percentage worked out to 59.39 acres and this 19 acres which is in question which was later even change of land dues is included in this 693 acres.

(Sri Ch. Vidyasagar Rao tried to raise some issue.)

Sri M. Narasimha Reddy:- Let me first answer to Mr. Vidyadhara Rao. He has asked me question, I have to give answer. Mr. Vidyadhara Rao, have you given permission to him? When I am giving reply to Mr. Vidyadhara Rao, Why should Mr. Vidy Sagar Rao come in between
Sri M. Narasimha Reddy:— So this 19 acres also included 693 acres in the plotted area. Among 19 acres, 900 acres were under the resettlement scheme and this Lay Out sanction was included for this 19 acres. According to the sanctioned plans, 19 acres were for roads, 40 acres for open space, 50% roads and open space should also be left under Roads and Open Space. After the Additional Secretary letter to you and appointment of Krishna Swamy as Enquiry Officer which was followed up by Mr. Panduranga Rao who submitted the Report.
Sri M. Narasimha Reddy:- I am not concerned with Societies acts. It is dealt by some other Minister-Cooperation Minister. In what way I am concerned? How many plots are allotted to that Society. I am telling you our department is concerned with change of land dues and also with the Lay-Out sanctions. I can given you reply in these two connections. I am telling you that these 19 acres Lay out which is a total Lay Out with condition that after the Society satisfied that the percentage under Roads and Open spaces....

Sri M. Narasimha Reddy:- I will give you reply even to that also. The Lay out approved in 1988. The plotted area includes this 19 acres also. Because at that time in 1988 the Lay Out was not sanctioned just because it was not converted. The change of land dues was not converted. When the change of land due was converted and when it was come to the Municipal Corporation, the Municipal Corporation giving the total Lay out, they have said that the final Lay out will only be given after satisfying the total area of 40% of the Roads and Open
spaces and no registration on was done in those plots, no payment was given. As per my knowledge goes no permission was given in those plots. Preparations are going on to see that the 40% of the area is under Open space or not. This is the condition imposed. I am not concerned whether they have been allotted to I.A.S. Officers or Politicians. The sites under plotted area are only allotted.

Mr. Speaker:- One thing is very clear; not for the Societies, not for the Committees. He has allotted amount for the Roads also in the lay Out.

Mr. Speaker:- One thing is very clear; not for the Societies, not for the Committees. He has allotted amount for the Roads also in the lay Out.
The owner is entitled. Under the A.P. Urban Areas Development Act, Section 19 says: "An area identified as unbuilt and remained so for a period of ten years from the date of Master Plan; after that, if the owner gives a notice to the Government, the Government..."

Sri M. Narasimha Reddy:— I have no objection.

Sri P. Nageswara Rao:— Speaker Sir, I am telling you that absolutely we have not done any wrong thing.

Sri K. Vidyadhara Rao:— My submission to the Chief Minister sir, The High Court has vacated it. My order stands. If the High Court has vacated, definitely, enquiry would have been going on.

Sri K. Vidyadhara Rao:— I would like to draw the attention of the Hon'ble Chief Minister.
The stay has been vacated. Sec. 51 enquiry has been completed and submitted its report; Panduranga Rao submitted a report. They have contravened the rules laid down for Green Belt Area - 40% area. They have transferred the plots as they like. P&A 9c$s3&o$3sD s5rrc&)3 5! Jo^CO)S^ &o&- Contravention of rules of lay-out 59A 3M 0)0^0006^ &o&- 3&<a. Why don't you supercede that society? Sir, it is functioning like real estate corporation. The whole thing is not being surfaced.

Sir 3. Manikyala Reddy: - No, sir I am here to understand the confusion. Sir, there was a committee, as I have heard, as there is a society which is functioning, as I have heard, 51. So, there is a committee, it seems that it was decided that they should proceed in the following way. If that is not true, then I will submit the following: - the way, the society is functioning should be stopped. The way, the society is functioning is as usual. You left the work at the point when it was decided. So, there was a decision. So, stop it immediately.

Sir 3. Manikyala Reddy: - As per the decision of the 51 committee, the society is functioning. (The committee decided to stop the society).

Sir 3. Manikyala Reddy: - Yes, the society is functioning. (As per the society) As you are asking for opinion. As you are asking for opinion.
Three Ministers volunteered to participate in that enquiry. Certain witnesses were also interrogated.
and their statements were also recorded. The statements of the aforesaid members were also recorded. In that statement the members gave the reasons for their meetings. After that the statements were also recorded. And a meeting was held according to the meeting record. After that the statements were also recorded. And their statements were also recorded. In that statement the statements were also recorded. After that the statements were also recorded. And a meeting was held according to the meeting record. Sri K. Vijayabhaskara Reddy:— There are Court Orders staying registration of further plots. 3&*a$s*b* 3)6D2SoM 03,J3* &0§5 .

Sri K. Vidyadhara Rao:— Exactly that is our allegation. Plots have been transferred.

STATEMENT:
Re: SRISAILAM LEFT BANK CANAL

Sri K. Vijaya Bhaskara Reddy (Chief Minister):— Sir, Work could not commenced either for investigation or for excavation of the tunnel in the head reaches of Srisailam Left Bank Canal which is necessary to take water in the SLBC, as there was no Forest and Environment clearances available for the last 10 years. I am glad to inform that due to the persistent efforts of my Government we have now secured both the clearances from Government of India. This clearance will now enable the State Government to go ahead with the investigation and execution of works and Feasibility Report on the 49KMS long tunnels which will bring water from Srisailam to Dindi Reservoir. Alongside, the State Government has also finalised the Global Tenders which were invited from reputed Companies all over the World for preparing a detailed Project Report on the tunnels. This consultancy assignment costing about 8.700 crores is being awarded very soon. Under the terms of the tender, a detailed report on this will be received by the Government within 18 months.
My Government have also decided to go ahead with the early completion of work already taken up below common point at KM. 25 involving an outlay of ₹19.20 crores and also take up new works involving an outlay of ₹31.79 crores so that the works on the Main Canal are completed. Accordingly, Government have enhanced the Budget Provision for this Project to the level of ₹18.00 crores during 1994-95, as against ₹6.00 crores provided this year.

My Government is earnest to complete works on this Project at the earliest not only to provide irrigation to the drought prone backward areas in Nalgonda District, but also to provide drinking water to a large number of fluoride affected villages there.

1999-00: ₹30.00 crores. Departmental Appropriation—₹5,000 crores. Departmental Appropriation—₹1,000 crores. Departmental Appropriation—₹5,000 crores. Departmental Appropriation—₹5,000 crores.
2. Re: CAPITAL RESTRUCTURING OF SINGARENI COLLIERIES

Sri K. Vijaya Bhaskara Reddy:- Sir, The Singareni Collieries Company is a Joint Undertaking the Government of Andhra Pradesh and Government of India which the State Government has a major share.

The Singareni Collieries has been in serious financial trouble for a long time due to various reasons like heavy
interest burden and very adverse debt-equity ratio. As a consequence the accumulated losses of the company stood at almost Rs. 773 Crores on 31.3.1993.

In order to bring the Singareni Collieries Company out of financial crisis, my Government had strongly taken up the issue regarding capital restructuring of the Company with the Central Government. Several rounds of discussions at the highest level have now borne fruits and the Union Cabinet have approved the restructuring package.

As a part of the package, my Government have decided to invest Rs.487 crores in the company as equity during the VIII Plan period by conversion of royalty to equity and fresh equity participation.

The Government of India on their part have agreed to invest a sum of Rs. 458 crores as equity which includes conversion of loan and provide a loan of Rs.487 crores during VIIIth Plan period. In addition, the Government of India will:

1. Release Rs.96 crores to the State Government as loan to be invested in the company as equity;
2. Write-off the interest and penal interest totalling to Rs.367.76 crores;
3. Declare moratorium on payment of interest during the balance of 8th Plan period and reschedule the same for payment during 9th plan in 5 equal instalments; and
4. allow adhoc price increase of Rs.30/- per tonne.

By implementing this package, the Company will recover from its present financial crisis. The package will enable the company to take up large scale modernisation and expansion programme to substantially step up production and meet the growing demand of the power sector and other consumers.
This year the company will exceed production of 25 million tonnes of coal against a target of 24 million tonnes and will earn some profits. It will also wipe out its past arrears in the next three years.

This dramatic turn-around in the fortunes of the Singareni Collieries Company has become possible due to unceasing efforts on the part of my Government which has always been committed to all round economic development of the State.
Because we do not follow all the things in time, that question has come.

The question:— We do not follow all the things in time, that question has come.

Sri Md. Virasat Rasool Khan (Charminar):- Mr. Speaker

Sir, I would like to bring to the notice of the Health Minister and Home Minister through you Sir, about an important thing. There are a number of illegal unauthorised clinics and Maternity Hospitals opened in the twin cities. There are a number of doctors who are writing their degrees on name plates like M.B.B.s., M.D., F.R.C.S. etc. but actually they do not have such qualifications. Even compounders, retired nurses, midwives have opened clinics, maternity hospitals in the twin cities. They are not following the basic requirements and precautions resulting in deaths of uneducated and innocent persons. Further the doctors qualified in Unani, Allopathy, Ayurveda Branches are not following the systems. The people qualified in Unani, Homeopathy are giving injections. They are not supposed to give injections. Many deaths have occurred. Recently one death case was brought to the court in Nizamabad and the police have registered a case. I request the Minister for Home to instruct the concerned Assistant Commissioners of Police and the Circle Inspectors of the various police stations to go and check up the degrees of the doctors who are running clinics and maternity hospitals. Unless something is done many innocent lives would be lost. Midwives, retired compounders, retired nurses are running illegal maternity hospitals. I request the Minister for Home to immediately instruct the concerned Assistant Commissioners of Police, Circle Inspectors to visit the various clinics and see that the degrees the doctors are holding whether genuine or not. On the name plates they are writing a number of degrees whereas they do not possess them. I hope the Minister for Home and the Minister for Health will take immediate action in this regard.

I have noted to take action. It will be more effective if the Hon'ble Member could furnish me the list of such persons.
Sri Md. Virasat Rasool Khan:— If I give, immediately the police department people will inform the doctors.

Sri A. Dharma Rao:— I will see that the name is not disclosed.

Sri Md. Virasat Rasool Khan:— Why should I submit list of bogus doctors.

Sri A. Dharma Rao:— You want that action should be taken. You given the information the list.

Sri Md. Virasat Rasool Khan:— There are a number of clinics and hospitals unauthorisedly running. The Home Minister wants me to give the list of bogus doctors. If I give the list, immediately the police department people will inform the bogus doctors saying I have given the list of bogus doctors.

As per the Notice issued, it is the crime. They are trying to project it as if the violation of the I.P.C. by certain Telugu Desam Workers on MDO's Office and MRO's office. It is the Home Minister who has to...
Home Minister concerned. Let him be here. We will also bring it to his notice, because I am also signatory. MDO Office, MRO office locked by people who are agitating. It is the case booked in the Police Station. It is the Home Minister who has to answer. If I am correct, they are referring to an offence committed by people while conducting Dharna. He also agrees with me. You ask him. Hon'ble Member himself says. If that is the case, it is the Home Minister who has to answer and not the Panchayat Raj Minister. Because, the way he is starting. That is why I raised. After he started 304 only I raised.

Sri K. Vidyadhara Rao:- Sir, Dr. G. Chinna Reddy has raised. He has been going onto mention Dharna. If there is a crime committed, abetting or violation of the I.P.C., it is concerned to the Home Minister.

Chairman:- The question is locating of MDO Office.

Chairman:- You mean to say break of Law and Order?

Sri K. Vidyadhara Rao:- Yes. I am sure, he also intends that only. It is a question of breaking of law and order.

Chairman:- Any way, Joint responsibility....

Sri K. Vidyadhara Rao:- No Sir, Joint responsibility comes in while taking a decision or answering a question.
Here, it is a question of violation of Indian Penal Code and breaking of Law and Order. Some cases filed against certain people, certain workers whom they claimed to be are Desam Workers. I have no objection the issue being raised. Let the Home Minister be here. Because it pertains to the violation of the Indian Penal Code. It refers to the Home Ministry and not the Panchayat Raj Ministry. Sir, Mr. Samarasimha Reddy is a good Lawyer. He can turn things as he likes. But let him be fair, because he himself is an Advocate.

Sri D.K. Samarasimha Reddy:- Sir, the genesis of the occurrence relates to the office of the M.D.O. That is the reason why they thought that it would be appropriate for the Panchayat Raj Minister to answer and the Panchayat Raj Department to come forward with the nature of occurrence and the genesis of occurrence. Probably that was the reason. I will be giving only facts about it. That's all. I will not be saying anything subsequent course of action.

Chairman:- Please hear me. If it is needed, I request the Home Minister to be here and he will answer.

Sri K. Vidyadhara Rao:- Sir, I am also signatory. I feel it is the case where Home Minister should be here. So let the Home Minister be here. Call him. He is not here.

Chairman:- I will tell you. If it is so necessary definitely I will call Home Minister.

Sri K. Vidyadhara Rao:- I feel it is positively necessary. Because I am a signatory. Here, facts have been mixed up. People have been forced to file criminal cases. Sir, inspite of the presence of the Sub Inspector, facts have been altered. We have publications.

Sri D.K. Samarasimha Reddy:- Sir, he is not a signatory. The Notice that has been served to me does not contain your name.
Sri K. Vidyadhara Rao:- If you are not aware, Speaker will tell you. The Speaker has given me permission. I have given Notice in the morning. The Speaker has given me permission.

Sri K. Vidyadhara Rao:- The Hon'ble Speaker has given me permission. I have no objection. I will not participate in it.

Chairman:- If necessary, definitely I will ask the Home Minister to come and answer.

Sri K. Vidyadhara Rao:- No Sir, If you see the reply given also by the Panchayat Raj Minister; it relates to cases booked in the Police Station, it relates to cases dropped against a M.R.O, it relates to enquiry conducted by the Revenue Officials, R.D.O. and more so if it is not the Home Minister, the Revenue Minister who has to answer and not the Panchayat Raj Minister.

Chairman:- I will tell you. If it is so necessary...

Sri D.K. Samarasimha Reddy:- That is the very reason why I said the genesis of occurrence.

Chairman:- Let them complete.

Sri K. Vidyadhara Rao:- That is the very reason why I said the genesis of occurrence.

The M.R.O. have complaint on 18th. So they are going to investigate. The investigation will be conducted by the M.R.O. They will check the record of the complainant. Sri K. Vidyadhara Rao:— The incident took place in the presence of the Sub-Inspector. On his behalf somebody must give report. The S.I. cannot give; he would take the report.

It was a forced complaint. It was with an intention for drinking water. It was the reckless attitude of the M.R.O. You must understand the mob psychology. On the face of it, it looks absurd. The R.D.O. also held that it was absurd and the Police Officer concurred with the view of the R.D.O. They held it as false, so far as the first incident is concerned.
Admittedly, there is some substance and truth. And yet, there is a need for action. The situation cannot be ignored. It is clear that there are individuals involved. If you want to encourage such things and this type of tendency then it would recoil. I will not read the whole thing. There are three crucial dates: one is 17.2.94, 9.3.94 and 10.3.1994. 17.2.94 is the date on which these people formed into unlawful assembly. I will not name anybody, because there names are already there. They went to the Office of the M.D.O., misbehaved with them and then locked the Office. They did not stop as that. Later, they went to M.R.O. Office. He was on tour. What business did these people have to go to the M.R.O. Office. They had gone already to the M.D.O Office. Why did they go to M.R.O's Office, even after knowing that M.R.O was not there? There they misbehaved and then...

(Interruptions)
I am only analysing the situation.

Sri D.K. Samarasimha Reddy:- I am not eager to reply. If he wants me to say something I will. It is for the Chair to conduct the business of the House.

Sri A. Dharma Rao:- It is referred to him ( to Sri D.K. Samarasimha Reddy) Sir.....
We are to run the Government with all responsibility.

Sir, it is a grave episode. This subject pertains completely to the Chief Minister, but unfortunately the Chief Minister is not present in the House. Our Home Minister is not concerned with this subject completely. He is concerned only with the developments that took place after the incident. He is concerned with the maintenance of law and order only. Now, there is no question of law and order. At 11 o'clock
they set fire to the whole area. In this, they have stated that 20 military men have set fire. I was the first man to reach that spot. I reached the spot at 11.40. I went there when I got the information that military men are setting fire to the houses of ex-service men. When I went there, I was not able to enter the houses which were set fire. The DCP Sri Vaman Rao came at about 11.50. The DCP was also helpless. Myself and DCP tried to enter. At that time, the fire brigade came and they refused to discharge their duties. That is why the whole episode. The military men are denying that they did not set fire. They are saying that they do not know who set fire.

'Langer House episode - Probe finds army men guilty'. This is the report which appeared in Deccan Chronicle on 17th March. In that they have admitted that they have attacked Langer House Police Station and kidnapped one ACP, Circle Inspector, Sub-Inspector and the staff of the Police Station. As a part and parcel of that, at the same time at 11 0' clock, they began to set fire to the Houses of civilians. About eight houses were completely burnt. The people simply vacated without taking any articles. This is the way in which the military men have behaved. The Additional Commissioner Mrs. Aruna Bahuguna was also there. She was also helpless. It is not a question of law and order. They are house less. Eight families are houseless. They are staying in the relatives houses, community hall and Balwadis. At about 4.30, the Chief Minister came and saw with his own eyes. What steps he has taken? *** He has only released ₹20,000. This is nothing but shedding crocodile tears. When a small incident occurs against Harijans and Girijans, I am not opposing it, we are releasing lakhs of rupees. Are these ex-servicemen not human beings? They are on the foot paths. I am giving suggestions through you. The PWD Minister is not here.

Chairman:- Please conclude.

*** Expunged as ordered by the chair.
Sri Mohd. Amanullah Khan:- I am going to conclude. They are about 185 quarters. Only 185 quarters are for married accommodation of the army men. The other 105 quarters are being occupied by the ex-servicemen of Nizam's Government. Their families are living there. The total area of the quarters is about six acres.....

Sri A. Dharma Rao:- The Hon. Member said***It is undignified. It should be expunged. It is uncalled for and undignified.

Chairman:- It is expunged from the records.

Sri Mohd. Amanullah Khan:- I am not saying anything against anybody. It is not unparliamentary. It is a grave offense. Even now they are on the foot paths. Government is not giving shelter. That is why, I am giving suggestions. What is unparliamentary?

Sri A. Dharma Rao:- I said undignified. Undignified words cannot go into the records. It is rather unwanted and unwarranted also.

Sri Mohd. Amanullah Khan:- What is unwanted and unwarranted? The Chief Minister has visited and still they are residing on the foot paths. Is it not a fact? I am giving suggestions. It is only a matter of six acres. What is the difficulty in shifting them?

*** Expunged as ordered by the chair.

Minister for Home (Sri A. Dharma Rao):- Sir, on
31.01.1994 at about 7.30 P.M. an oral complaint was given by
Subedar Major Prem Singh Rawat and others in the Langar House
Police Station, that two boys by name Pankaj Rawat (12
years), Niraj Rawat (8 years), were found missing since that
evening. As per procedure, a message was communicated to all
Police Stations over Wireless giving the description of the
missing boys. On 01.02.1994 morning at 11.25 a.m. a written
complaint signed by Smt. Geeta Rawat, W/o Harish Singh Rawat,
resident of Sardar Bagh, Jyothinagar was given about the
alleged kidnap of the two boys and a case was registered under Crime No. 9/94 in the Langar House Police Station. Look out notices were also sent to all Police Stations with descriptive particulars and investigation was taken up.

On 12.02.1994, at about 10.00 a.m. two bodies of the children were noticed in a "Square Well" at Jyotinagar which is 100 yards away from complainant's house. The Assistant Commissioner of Police, Asifnagar, the Circle Inspector, Sub-Inspector and other Policemen of Langar House Police Station visited the spot. After removal of the bodies of the two boys from the well, about 20 military personnel arrived and forcibly took the bodies to the military lines. Later at about 11.00 a.m. 20 to 30 military personnel in uniform armed with weapons, lathies, etc. attacked and assaulted the Police personnel and a civilian present in the Langar House Police Station and ransacked the Police Station. They also kidnapped all the Police personnel present in the Police Station including Assistant Commissioner of Police and confined them at Unit Lines of 9 Garhwal Rifles till 2.00 p.m. Later at about 2.00 p.m. the Police personnel were released from the confinement with the intervention of General Officer Commanding of 54 Infantry Division.

As reported by the civilians, at about 1.00 p.m. about 20 military personnel in uniform set fire to the seven houses of ex-servicemen/civilians living in the married accommodation of Mohammadi Lines. The Station Fire Officer was prevented from discharging his duties as per the complaint given by him in Crime No. 11/94 in Langar House Police Station. The occupants of the affected houses and other civilians were prevented by the Army men to extinguish the fire by cordoning of the area. The fire was extinguished after the arrival of G.O.C. in Command at about 3.00 P.M. Two
more fire tenders also were engaged towards the end. The army authorities reported that the cordoning off of the area was part of their standard operating procedure in fire fighting.

Eight (8) cases of arson, as per the complaint of the affected civilians, and four (4) cases of assault and abduction of Policemen, were registered at Langar House Police Station.

Hon' ble Chief Minister accompanied by Minister for Home and Senior Officials visited the affected area and announced exgratia relief of Rs. 20,000/- each to the affected families whose houses were burnt and also ordered rehabilitation. A two member officers-Committee was constituted to assess the damages caused to the Langar House Police Station and the civilian families. Instructions were also issued to the Roads and Buildings Department to take up the repairs of the damaged houses.

A Joint Control Room manned by civil, Police and army personnel was also established immediately to function round the clock for proper coordination and to restore peace and to maintain law and order in the area. The situation is now peaceful and under control, and normalcy returned in the area. The Joint Control Room has since been wound up from 19.03.1994.

The Government also constituted a Joint Inquiry Committee with civil, military and police officers to inquire into all aspects relating to the incidents.

Government also have already entrusted the investigation into Cr. No. 9/94/U/s 174 Cr.P.C. relating to the death of the two children to the Crime Branch of State C.I.D.
In pursuance of the orders issued by the Government, the Collector, Hyderabad, disbursed relief of Rs. 20,000/- each to 23 families of civilians whose houses were damaged in the arson. The Roads and Buildings Department have taken up repairs of the affected civilian houses.

The Officers Committee for assessment of the damages and the Joint Inquiry Committee for inquiring into the incidents occurred on 02.02.1994 have since submitted their reports and the same are under examination.
