Madam Speaker:- I am to announce to the House that as per the procedure in the Conduct of Business Rules for the Andhra Pradesh Legislative Assembly, the election of Deputy Speaker will be held at 10-00 A.M. on Wednesday, the 17th November, 1999. The nomination paper for the election of Deputy Speaker shall be delivered to the Special Secretary at any time between 10-30 A.M. and 5-00 P.M. today, the 16th November, 1999 either by the Proposer or by the Candidate nominated.
Sri K. Vidya Ramana Rao:— I have noted down. I will convey it to the Minister concerned by necessary action.
9.10 Sri Asaduddin Owaisi (Charminar): Madam Speaker, this is pertaining to the present system of Electricity Billing. It is causing a lot of hardship to the poorer sections of the society. My request through you to the Government is that they should re-consider the present system of billing as it is based on either speculation or whims and fancies of the authorities without seeing the Meter. It is very sad that the Government is giving targets in each zone for collection of amounts.

Another aspect which I would like to bring to the notice is that transformers in old city are required to be replaced. I do not know the procedure for replacement. When I approached Transmission Corporation, it says that it is the responsibility of the Municipal Corporation and if approached the Municipal Corporation says that it is the responsibility of the Transmission Corporation. They are shifting blame on each other. This is nothing but fleecing the public.

I request the Government through you Madam to re-consider reverting to the old system of electricity billing.
Mr. Speaker:- Now, let us take up the first 304 matter regarding...

Sri P. Ashok Gajapathi Raju: Madam Speaker, it is an issue of privilege. There are certain rules which govern the issue of privilege. Madam, anything that reflects, it is a reflection on the August House, reflection of the character and the impartiality of the Hon'ble Speaker in the discharge
of her duties, reflection on the Hon'ble Members in the execution of their duties, reflection on the Hon'ble Members serving in the various Committees of the House, reflection on the conduct of the Chairman of a Committee of the House.

Sri N. Indrasena Reddy:— What is he quoting Madam?

Sri P. Ashok Gajapathi Raju:— I am quoting Rule 148 of the Rules Book and the rules thereunder which cover the gambit of the privilege. Madam Speaker, the Hon'ble Leader of the Opposition has raised an issue of privilege here. The Government has given clear instructions to the administration as to how to behave with the Legislators and other public representatives when they approach them and when an interaction takes between them and the same instructions can be reiterated. Madam Speaker, you are right in calling for, what you call it as an explanation, even if you request, it is a command for all of us. Whatever it is, the concerned administration is going to come back with its explanation.

Sri P. Ashok Gajapathi Raju:— Madam Speaker, nowhere in the rules is mentioned that every privilege notice can be discussed thread-bare in this August House. Now if you want to introduce...

(Interruptions)

Let me finish my submission Madam. This filibustering is not going to be of any use and no one gets cowed-down with this type of behaviour.

(Interruptions)

Madam, Speaker, if there is any prima facie evidence in it, it will be referred to the Committee on Privileges for further examination. In fact, in the parliamentary practices, it is very clear that in interpreting the privileges, regard
must be given to the general principles. As per the parlia-
mentary practices, the privileges are granted to the Members in
order that they may be able to perform their duties without any let or hindrance.

Madam Speaker:—What is that book?

Sri P. Ashok Gajapathi Raju:—Madam Speaker, I am quoting Kaul & Shakdher and other parliamentary practices.

Sri Asaduddin Owaisi:—Madam Speaker, that is not the law. I would like to know which rule is he quoting?

Sri P. Ashok Gajapathi Raju:—I don't understand that gentleman.

Sri D. Nagender:—Madam Speaker, what action this Government has taken, for the last five years, against the officials who have not observed and followed the protocol rules in dealing with the Members.

Sri P. Ashok Gajapathi Raju:—Madam Speaker, if the privilege of a Member is to pounce on an another Member, I think, it is incorrect. It is my submission Madam. Never before in this August House, have any individual issues been discussed. The report of the Committee on Privileges was always awaited and then the issue was taken-up, if it was felt necessary. Now, let us confine to the issue only. Let us reconstitute the Committee on Privileges immediately. Let us reiterate the Government orders and let us go ahead and let us not hold this August House for ransom. This is my prayer to this August House.
We are within the procedures.

Sri P. Ashok Gajapathi Raju: Madam Speaker, Hon'ble Member has quoted Rule 326. Any violation of instructions of the State Government or any direction of the Speaker issued from time to time, an observance of protocol and courtesies in dealing with the Members shall be taken up by the Committee.
on Privileges for examination and report. It is not mentioned that it should be discussed in this August House; that the problems of the people should be kept. It shall be taken up. The Rule that he has quoted clearly says this. It is in line with what you have said. They are trying to generate a problem which does not exist.

(Interruption)

Madam Speaker:- Now let us go to 304.

We are now a recognised opposition party.
We are not just a group. When a Leader of the Opposition stands, please tell your people on the top that mike shall be given. It is not correct.

Every issue has a different type of gravity.
You are in the process of getting information. We have heard the arguments. The second one, reflections have been cast on this August House. Speaker is the repository of this August House.

(Interruption)

Now, this is what they believe in Parliamentary practices. We are all aware of our responsibilities. In fact, we are very happy that the people of the State have given us a recognised opposition. Earlier, they did not. It is left to the people. It is their discretion. We also know that in Parliamentary practices, a debate becomes lively when the Leader of the Opposition and the Leader of the House intervene at sometimes and correct that is being derailed. Unfortunately, that stature is being used to derail the debate. It is being used to suppress the cyclone issue of Srikakulam District. When you have stated clearly that you will be constituting the Privilege Committee and refer the matter to the Privilege Committee, I think that is where we should stand. All these issues will be subjected to preliminary scrutiny before they come to this House. Otherwise, things which are not a privilege, things which are privilege, both get discussed in the name of privilege in this August House. Let us go according to conventions. Let us not use the right of speech to obstruct the business of the August House.

Now, let us go to the matter regarding loss due to cyclone in October, 1999 in Srikakulam District.

(Interruption)
What more you want? Let us not deviate. Please resume your seats.

10.20 | Dr. Y.S. Rajasekhara Reddy: Madam, all that we are asking for is impartiality. నాటికి జమ్ము నుంచే లేదా పైకి లేదా దండి సంస్థానాల లో మన ఎక్కడ ఉన్నాం, మనం చిదికి నిలిచడం లాంటి
Sri P. Ashok Gajapathi Raju:- Madam, I have a point of order on the same privilege issue. The Hon'ble Leader of Opposition is casting reflections on the Chair in the open House. I have never seen it before in my legislative career. We all have respect for the Chair. Chair is the repository for this august House. If we cast reflections on the Chair, we cast reflections on ourselves.

Sri P. Ashok Gajapathi Raju:- Madam, all I can do is to appeal to him through you. This type of casting reflections is incorrect. It does not enhance the democratic practices.
Shouting us down does not make us second citizens in this August House. This House never had a first citizen or a second citizen. This House had a tradition of equality for every one. Taking this House to ransom is unfortunate and incorrect. How many times rules have been violated today itself? It was done for not less than a dozen times. Right to speak is given to us not to obstruct the proceedings of this August House. Nobody to dictate to you that we are second citizens. This is becoming ridiculous. This is also ridiculous. In the name of democratic values, let us all not make a mockery of democracy. Let us enhance the prestige of this House. Let us go back to the people's problems, Madam.

Dr. Y.S. Rajasekhara Reddy:— Madam, our fighting for our rights cannot be called a show of disrespect to the Chair. Absolutely not. We are just trying to fight for our rights.

Sri P. Ashok Gajapathi Raju—Madam, Sri Asaduddin Owaisi said that it was a mention. Is this a privilege? In which way the legislate stops exercising.

(Interruptions)

Madam, sir—Madam, it was a mention. In which way the legislate stops exercising.

Sri P. Ashok Gajapathi Raju—Madam, the whole gamut of rules is being violated today. Besides the misuse of privilege notice itself, all the rules such as rule 277, 278, 288 and particularly 287 and as my good friend Sri Asaduddin Owaisi is telling, even the Kaul and Shakhder rules have been violated totally and completely. The right of speech is there.
not to obstruct the proceedings of this House. Unfortunately, it is falling down to that. We seek your protection against the issues being brought here under the notice of privilege which do not even cast a reflection and obstruct the members from discharging their official duties in any way. This is not democratic way. We seek your protection. There are lots of issues on the agenda. There has been tremendous cyclone in Srikakulam for which a notice was given. There are several other important issues also.

10:40 | Sri P. Ashok Gajapathi Raju:— Madam, there are other important issues to be discussed. We have to priorities the time of the House. Do not make a mockery of democracy and convert it this mobocracy.

Sri Asaduddin Owaisi:— Madam Speaker, my submission is, You have already allowed Members to make a mere mention of...
what has happened. Here, there are two more Members left. Kindly give them two minutes of time. Then we will continue the remaining business.

Sri R. V. Narasimha Reddy:— Members present! What has happened? Here there are two more Members left. Kindly give them two minutes of time. Then we will continue the remaining business.

Sri. B. Venkat Reddy:— There is no objection.

Sri G. K. Venkata Reddy:— It is not clear. I am asking if there is objection. They also are Members of this House. They should be given a chance.
Sri Asaduddin Owaisi:— Madam, I have my 304. If the pandemonium continues like this sufficient time will not be provided for that.

Sri P. Ashok Gajapathi Raju:— Madam Speaker, I do not think that there is any need to go into the technicalities now. Precedents are clear, practices are clear, rules are clear, Parliamentary Democracy is clear, Constitutional is clear. The principles are all well laid down. Saying This is the thing, is the feudal activity. It is not good. We do not show ourselves as responsible legislators to the people. This we have to keep in mind. There are many methods for protests and to represent the people's problems in this August House. There are other ways of expressing protest in Parliamentary Democracy. It is not that Hon'ble Members do not know it. Let us do something and go ahead.

Sri P. Ashok Gajapathi Raju—Madam Speaker, we have a very big agenda to complete. Besides this, we have two very important issues. One relating to the cyclone that has devastated Srikakulam District and other relating to an Hon'ble Member who stated that an assault was made on him. Madam, there are many ways to protest. But not allowing this democratically constituted body to function is totally incorrect. I have requested for an opportunity because I wanted to appeal to the Leader of the Opposition and also to the Hon'ble Members that they also have a duty cast on them just as such as we have. We all have our roles and we have to play our roles. We have to make this institution a vibrant institution, and an institution that will serve our people better.

(Interruptions)

I appeal to give up the present practice, abide by the rulings of the Chair, honour the rules, practices and conventions followed by this August House. This House should not be made helpless because it does not give a good impression. After all, we have to protest these traditions and let us not be pushed to those levels. This is what I appeal through you to the Hon'ble Members.

Sri P. Ashok Gajapathi Raju:- Madam Speaker, this type of natural calamities. I don't think, would be wished for. We do get this type of natural calamities like the Hon'ble Members have stated very frequently. When the natural calamities occur, we are trying to reach out to the people, to extend relief, to extend succour and work with humanitarian approach. One thing is very very clear that never before, has relief been extended so fast to the victims. The warning time was full utilised for gearing up the entire administration for preparation and rice, kerosene and other essentials were put in place. In fact, it is to the credit of the district administration, despite being holiday on account of 'Dassera' all the officers, all the worker and everybody were in the field when the cyclone crossed the Orissa coast and caused havoc, tremendous havoc, particularly, in the Dodanam mandal area. Probably, all the roads have been cleared so fast, never before drinking water facility was restored so fast, never before samples of drinking water from each source was taken for analysis and some samples were found contaminated - all these things work done, because, we were able to receive motivation from the highest level, Even before, the cyclone hit us, the Hon'ble Chief Minister has taken up the tele-conference and interacted with the relief and rehabilitation officials and other district administration but inspite of our best efforts, three human lives are lost, human lives cannot be restored. We have taken utmost care to protect the human lives during the cyclone period, but despite that care, we lost three lives. It is to our credit that in that cyclone alone, there was comparision with the neighbouring States and the human approach with which the work was done and the details of which was submitted to you all. But, it maybe difficult to compensate the whole loss.
But, inspite of all that, the Government did rise to the occasion and literally saw that there was no hungry and no epidemic broke-out. In fact we were worried a lot that when the second cyclone hit our neighbourign State, it might even hit or touch our State, because disasters do not know the boundaries. We did not stop at that time taking samples for analysis and even we did them subsequently. We, in fact know that the economic loss caused due to cyclone, may be difficult to compensate. But, best packages were made available to the affected people of that area. ₹22,500/- per hectare towards coconut was provided. I don't think that any State has never been able to reach out such a relief measure to its population. Besides this, we have utilised the institutional finances whether it is in the co-operative sector or in the nationalised banks. In this connection, we have even requested the concerned District Collectors to co-ordinate this aspect. So, everything that be best possible within the district administration is done. In fact, I am very happy that our administration has been able to rise to the highest occasion and has been able to work in a human way during this tragedy. Since it is an annual problem, we are trying our level best to devise ways and means. because, we cannot prevent these cyclones, as to how to go about without any loss of time, as to how to reachout to the people affected and ultimately to help them out in the best manner possible. The infrastructural facilities are restored in a time bound manner. The Hon'ble Member, Sri Dharmana Prasada Rao, has mentioned that as per some news papers, I was not in the relief field. I think, it is incorrect. I was quite in that area during the period of relief measures. Moreover, I did not come across any such news item. Someone can say that we know everything about the affected people, but unless, the administration is guided, there will not be any clarity. Madam Speaker, I could remember, that 48 hours
after cyclone, in certain villages on the borders of Andhra Pradesh and Orissa, the roads were not cleared. Eventhough we have cleared our side, the roads at their side were not cleared. Just like us, theirs is also a Government as per the Constitution. Hence, after 48 hours, we took a decision to clear the roads in their jurisdiction. But, our administration had a difficulty stating that if their trees are cut-down, which were lying across the road for the days together, the officials concerned might be liable for punishment. Under the circumstances, we have told them on the spot, no matter you please go ahead and cut the trees which were lying across the road. If they want, let them book cases against you, no problem, because everybody is affected by it. Madam Speaker, this was our humanitarian approach. These are the confidence levels where we have done our works. I am very happy that no Member has found fault with the scale of relief, the time of relief and the type of relief, because, silence is an appreciation for all of our and it encourages us to highest endeavour. For carryingout and to expedite the relief and rehabilitation measures, we have even used the modern technology i.e., tele-conference and we have also used wireless sets. Because, the Government initiated early steps, epidemic did not break-out. The people were very helpful to us and they even came-forward to help themselves. My honest submission to the August House is that this Government will do everything to protect the lives and properties of the people. Our ultimate aim is to help the people of the State. I have to extend my sympathy to all the victims. I also thank all the Hon’ble Members of this August House for having given their encouragement to the Government of the day.

Sri P. Ashok Gajapathi Raju—Madam Speaker, with regard to selection of beneficiaries, some times, the nature has also selected the beneficiaries. There is no question of either you or me or some other political party selecting the beneficiaries. Whether ₹17,000/- financial assistance, is enough or not enough, we will ask our Engineering Department to look into it. There is no dispute in it. We are extending relief upto Rs. 22,500/- per hectare. I don't think in the year 1968 they have given this much financial assistance to the affected people. Though some people told that in the year 1968, they did give relief, they have not told us the basis for that and if any Hon'ble Member has any information with regard to that basis, we will examine it.

Then, the diseases, that are likely to break-out—not only diseases to human beings, but also to plants. In this connection, experts from Agricultural University and others came in and rendered their advice regarding protection of coconut trees and their procurement. The Government is extending all possible relief and rehabilitation measures and the alternative ways are being examined to provide employment opportunities to the people in the coconut fields and if the Hon'ble Members want to give their suggestions, they are welcome and we will keep them in mind and workout accordingly. We have an open mind in this aspect. The Government is thinking of proceeding pucca and permanent houses to the people living in the coastal areas so that they can withstand any wind pressures, when they come up again in future. But, we hope that these cyclones do not hit us again. Anyhow, we will take the warning very seriously and will rise to the occasion.
Sri Asaduddin Owaisi:- Madam Speaker, before I start my speech through you I would like to request that since it is an issue of attack on a Member of Legislative Assembly, the Hon'ble Chief Minister should be present in the House as he is still holding the port-folio of law and order and Sri T. Devender Goud is only incharge of that portfolio in the House.

Madam Speaker:- Home Minister is there in the House.

Sri Asaduddin Owaisi:- It will be better if the Hon'ble Chief Minister is present in the House, because it is a question of law and order.

Madam Speaker:- The Home Minister will note down your points and he will reply to you.

Sri Asaduddin Owaisi:- No Madam, the Hon'ble Chief Minister must be present in the House. He has to give reply.

Madam Speaker:- You please start. Why do you bother, the Home Minister will satisfy you.

Sri Asaduddin Owaisi:- He is only an incharge Home Minister in the House. Madam Speaker, you please use your powers and summons the Hon'ble Chief Minister. It is an important issue Madam. It is an attack on the M.L.A. Today, the attack is on me and tomorrow it may be on you, you cannot escape. As the Speaker of the House, you have every powers to call him to the August House.

Sri T. Devender Goud:- Mr. Asaduddin Owaisi Garu, first you start debate on it, I will note down your points and reply to you accordingly. For this, the Hon'ble Chief Minister is not necessary here now.
Sri Asaduddin Owaisi:— Why I am demanding the presence of the Hon'ble Chief Minister in the House is that it is an attack on the M.L.A. The law and order port-folio is still with the Chief Minister. Let him be present in the House. Despite so many discussions on various subjects, we have not demanded the presence of the Hon'ble Chief Minister.

Madam Speaker:— First you speak on the subject, the Home Minister is there is reply to you.

Sri Asaduddin Owaisi:— Madam Speaker, I have given notice under Rule 304 regarding an attack on me on 24-9-99 by rogue elements in the police force, who are, and who think, that they are over and above the laws of this land and who have the audacity to try or they have even made an attempt to kill me.

Madam Speaker, before I go into the details of the issue. I would like to point out that there are certain discrepancies in the note submitted by the Government. In this note, it has been mentioned in second paragraph, fourth line that between 12-30 p.m. to 02-00 p.m. the procession was stopped on account of Friday prayer by a religious group at different places of worship to avoid any disturbance during prayer timings. The Commissioner of Police has even gone on record and stated that after 1.00 p.m. processions would be allowed at the religious places on the road from Macca Masjid to Nayapool. I would like to know that which is that religious group? Is it sponsored by the Police Department? Did this religious group has any close proximity with the local police? In the second page of the document it was stated Sri Asaduddin Owaisi, M.L.A. was injured in the lathi charge. It was also stated that prohibitory orders under Section 144 Cr.P.C. were issued by the Commissioner of
Police in his capacity as a Magistrate at around 3.30 p.m.
Here, I would like to read as to what Section 144 Cr.P.C.
says.

Section 144. Power to issue order in urgent cases of
nuisance or apprehended danger:

(1) In case where, in the opinion of a District Magis­
trate, a Sub-Divisional Magistrate, or any other Executive
Magistrate specially empowered by the State Government in
this behalf, there is sufficient ground for proceeding under
this Section and when immediate prevention or speedy remedy
is desirable, such Magistrate may, by a written order stating
the material facts of the case and served in the manner provided
by Section 134 of Cr.P.C.

What does Section 134 of Cr.P.C. mean?

Section 134: Service or notification of order:

(1) The order shall, if practicable, be served on the
person against whom it is made, in the manner herein provided
for service of a summons.

(2) If such order cannot be so served, it shall be noti-
fied by proclamation, published in such manner as the State
Government may, by rule, direct, and a copy thereof shall be
struckup at such place or places as may be fittest for
conveying the information to such person.

Madam Speaker, first of all, I would like to discredit
what the Government has stated. On the one hand, they say
that Section 144 has been imposed at 3.30 p.m. On the other
hand, they say that I was at the spot at 5.30 p.m. The Govern-
ment is lying by saying that I went there with a mob of 100
to 150 persons. Then what was the police force doing? They
should have arrested me at Madina cross road itself. Madam
Speaker, here I would like to invite your attention to the
opening paragraph of the document. "In view of Ganesh Immersion
Day, i.e., on 24-9-1999, an elaborate bandobust was made by deploying officers and men including R.A.F., C.R.P.F., A.P.S.P. and Outside Officers for peaceful conduct of the procession falling on Friday. I would like to say that four important wings of police force were there. When Section 144 Cr.P.C. was imposed at 3.30 p.m. and when I was at the spot at 5.30 p.m., they could have arrested me.

Madam Speaker, the true facts are thus:

The procession passed on peacefully. There were only some stray incidents. It has been stated that firing was opened at Sharan Hotel at 2.30 p.m. to control the situation. It is not at 5.00 p.m. when I arrived at the spot. Here, I would like to state that a day before the Ganesh Immersion, myself and Mr. Mumtaz Ahmed Khan met the Commissioner of Police and we extended our fullest cooperation for the peaceful conduct of the immersion. We also suggested some measures to be adopted for the peaceful conduct of the procession. At around 5.00 p.m. on the day of immersion, I was told that there was some stone pelting on the shops and also some damage caused. As a local M.L.A. of the Constituency, I have all the rights to go and inspect the damage caused and I am sure, all the Members of this August House have the right to go and inspect the damage caused in case any damage occurs in their Constituencies. I went to Pattargathi and I also called for Mr. Mumtaz Ahmed Khan. There is a mosque in between the road, myself and Mr. Mumtaz Ahmed Khan inspected the damaged shops. Here, I would like to say that the shops were not totally damaged. Only the signboards were damaged. As we were entering a small by-lane of old city which of 8 to 9 feet, some persons of a religious group who were in the by-line of Sharan Hotel had joined me and explained the situation to me.

Madam Speaker, the claim of the Government that I moved with a mob to Sharan Hotel by raising slogans against police at 6.00 p.m. is totally false. Before entering into the so-called by lane, hardly three or four people are with me.
and when I was about to enter the Sharan lane, the Ex-MLA of Chandrayanagutta along with 40 followers had criss-crossed me. This brave task force, these *** elements in the police force were very much standing there despite knowing that Section 144 was imposed. Would the police allow me to roam about for half an hour with 150 mob despite the fact that Section 144 is imposed?

(Interruption)

I am on my legs. I will not heed. Let me complete. He will get the ample opportunity to speak. Let me finish first.

(Interruption)

Sri T. Devender Goud: - Whatever he wants to say, he can say. But the only thing is that using of unparliamentary words like ***and ***is not good.

Sri Asaduddin Owaisi: - Mr. Devender Goud, have you ever been beaten up by police in your life? Do you know the intensity of hitting of lathi? Have you ever seen passing of bullets by the side of your face?

Sri T. Devender Goud: - No. I have never behaved like you in my life time. It is a fact. What are you talking?

Sri K. Vidyadhar Rao: - The aggrieved legislator has a right to represent. But the language we use in a forum, we have to be careful. In this August House, we are not supposed to use unparliamentary language. Whatever the aggrieved legislator wants to tell on any officer or any person, he can tell. Action will be taken accordingly. But that does not warrant that we use whatever language we want. Using of words like ***and the Government is ***are not good. He can instead say, "the Government is misleading". No Government ***That itself reflects the character of the legislator. So, ***Expunged as ordered by the Chair.
I request you Madam Speaker to expunge the words and caution the legislator not to use unparliamentary language.

Madam Speaker:- Yes, I am expunging the words *** and ***. In future, those words should not be used.

Sri Asaduddin Owaisi:- Through you Madam Speaker, I submit that if calling a *** as a *** is wrong, if calling a ** as a *** is wrong, then, I take back my words. But the whole world knows that calling the person who hit me a *** is an understatement, I believe. I have a vocabulary which I can use. You cannot question for that. Yes, I have vocabulary. Let me finish. The problem with this Government is that they are drunk in power. Yes, Madam.

(Interjections)

Why do you shout? Cabinet expansion will not take place. If Section 144 was imposed there, as the Government claims very truly, how did the Ex-MLA of Chandrayanagutta along with his 30 followers criss-crossed me? On the other hand, I had only four people with me. They are Mr. Mumtaz Ahmed Khan, Younus and Arafat. Why did not the Government arrest the Ex-MLA of Chandrayanagutta for violating Section 144? I had only four people with me. Why did not you arrest him? You did not beat him. Why did not you beat him? It is a fact that MIM did not go along with the TDP. We opposed them in the recent elections. The reason is that we cannot go along with a communal party. There is another thing. Yes. I can proudly claim that I have gone to the districts of Telangana. I have gone to the villages of Telangana in connection with the elections held recently and I openly opposed the Telugu Desam Party. I have gone to campaign there. I worked literally very hard and my party worked hard. We can proudly claim that we have done it. There are no two things about it. What I want to know from the Government is that if Section 144 was imposed there, why was it not applied.

***Expunged as ordered by the Chair.***
in the case of others? You say that Section 144 was imposed in the Old City. But, what about the processionists who were going to Hussain Sagar in thousands in lorries? Why did not you stop them if section 144 was imposed then? Did you arrest single person? I want to know. Not even a single person was arrested. I am not against the procession. We are for religious harmony. We want that there should be communal harmony in the City and in the State. Did you arrest any person coming back from the religious procession? Did you arrest any people who were moving freely? Now, you say that it was a lathi-charge. Was it a general lathi-charge?

Madam Speaker, as soon as I entered the lane without any provocation and without saying single word. I was beaten. I had gone to the lane to inspect. In this lane there are no non-minority shops. I have gone there just to see. As soon as I entered this lane they started firing at me. For what reason?

(Interruptions)

Yes. I carry a weapon. When I fire at my target it will not miss, but, God forbid. I did not have weapon on that day because we had to deposit our weapons. We deposited our weapons. When I went inside they started firing. What is the reason for that? Fortunately, my friend Younus came in front of me. He had leg injury. Again, the Addl. D.C.P. of Task Force of South Zone Mr. Bamodar was there. Who is this Bamodar? This fellow claims...

(Interruptions)

I hope a 'fellow' is a right word. This fellow claims that he is from the Hon'ble Chief Minister's District. He proudly claims his blood. I do not want to use another word. He says that: 'Nobody can touch me'. He also says: 'In 1987-88 I have served as D.S.P. Narasaraopet'. He was there. Sreenivasulu,
Addl. D.C.P. Task Force was there. Mahipal Reddy, C.I. of Charminar Police Station was there. Two S.Is of Task Force. This fellow, Damodar said 'Fire once more'. That bullet also missed me. They came rushing towards me. They caught hold of me. I asked him. What is the reason for that type of madness. What made them to do all those things? Why were they firing? My friend was injured. They said: 'We are arresting you. We are taking you into custody.' These are the golden words uttered by those fellows. When they caught hold of me I said: 'Okay. Fine. Arrest me.' I further said: 'If I have done anything wrong you arrest me'. I was arrested. I was in police custody. What I want to say categorically is that without any reason whatsoever they hit with lathis on my back. Those people were in mufti i.e., civil dress. They had along with them 15 to 20 police people. Those 20 police people had beaten me. They had beaten me with lathis on my head, on my legs, on my back, on my fingers and on my ears. My spectacles were broken. Still now, I cannot move this finger. (Pointing his finger). Forever, this finger is damaged. I want to know who is going to pay for this loss. I am an M.L.A. Yes. I am not a first time M.L.A. here. We have a family over here. What is the cause of hitting me? I want to know the reason for hitting me. Without any provocation I was hit. For fifteen minutes I was continuously hit. As I stated earlier my spectacles were broken. I had fifteen stitches on my head. The blood was flowing on my face. For some days I would not chew anything. When they were hitting me I was moving from right to left-right to left. A pawn-shop person told me that he heard a Police Officer asking a police person 'Cannot you fire at him properly'. A bullet which passed through my ear was taken out. When I was pushed I came on the road and I was once again beaten over there. All this is video recorded and it is shown in the news of E.TV. Not only that. There was a Police video.

J. 243-8 (Bell)
Madam Speaker, I have a humble request to you. You are repository of the powers privileges of this House. I am a Member of this August House. You have to protect my rights. This is only the place where I can put forward my grievance in a democratic way. I am sure that some action will be taken. Once again I was beaten by the Police Officers. Along with the Police Officers some outsiders were also there. Yes. For another five to six minutes I was beaten over there. I am a human being. How many strokes can I take? I want to ask the Hon'ble Home Minister and I want to tell the Hon'ble Minister, K. Vidyadhararao who advised me not to use harsh words that for five days I could not move my back. For five days I would not sleep on the bed. Before I was put in the Police Van I was beaten. Then the Sub-Inspector of Charminar, Sreenu, took out his revolver— I am always grateful to him—he took out his revolver and said: 'If you do not stop hitting him I will shoot at you'. He also suffered many injuries. Even after putting me inside Matador Police Van the police were showing their sticks. At that time they were shouting: 'Go to Narasaraopet and campaign now'. Those police officials were shouting aiming at private parts. I had blood clot all over my body. Even now I have injuries which are not healed. If the Hon'ble Minister wants to see let us go to his chambers and I will show him. I want to know the reason for this madness. It is very unfortunate and very saddening that he has gone on record to say 'What happens' when a Press Reporter asked him what would happen because Asauddin Owaisi had been assaulted. He said: 'What happens'. He also said: 'In Congress regime I was beaten with lathis.' Is this justification? Is this the justification which can be given by the Government? Because he is beaten other M.L.As should also be beaten? Is it the way you uphold the rule of law? As Home Minister he has said this thing. The Commissioner of Police has gone on record and said - I quote from the Newspaper, Deccan Chronicle
dated 26th September. As a matter of fact, it has come in all the Newspapers. Before assaulting the MIM MLA from Charminar the Police personnel who lathi-charged him were unaware of his identity. It is also false because these Damodar and Srinivasulu previously met me in the Assembly many times. They did duty many times in the Assembly. The concerned Circle Inspector of Police, Mahipal Reddy knows me very well. This is nothing but political vengeance. This is a nothing but trying to show the wrath of TDP because I have gone against them. If we have gone today we will go tomorrow also. But, this is not the way to show your political anger. This is not the way to treat an MLA who is representative of the people. I have got every right to go over there. As the area MLA I can go and inspect there. This incident took place on 26th September and today is 16th November. No action has been taken against anybody. The investigation has been given to SIT. The concerned ACP, SIT is equivalent to the rank of Sreenivasulu and Damodar. What investigation can take place? we have demanded a CBI enquiry. The reason is that there should be an impartial enquiry. Today, the Police have attacked an MLA and tomorrow they can attack anybody. Today, we are seeing that Daliths are dying in the Police custody in Vijayawada. Let there be a CBI enquiry and let the facts comeout. I want justice to be done to me. What right I have done and what wrong I have gone has to comeout. It is nothing but political vengeance. Wrath is there. Information is there that because I went against TDP because I went to the districts of Telangana and because Mr. Sallauddin Owaisi has gone against TDP and MIM has gone against TDP this lesson is taught to me.

(Bell)

I am concluding. I request the Government to order immediately CBI enquiry. That fellow Damodar is claiming to be from Chief Minister's district. He is talking irrelevantly. "I am
superior. We are in ruling; this and that. There are so many blanks to fill in but I do not want to use those words. My humble request to the Government is that let a CBI enquiry be ordered. Secondly, you suspend those Police Officers whose names are appeared in the FIR that is registered. A case under Section 307 is pending against them. If justice is not done to me I will be forced to say that there is one law for an MLA of ruling party and another law for an MLA of opposition party. When bombs were hurled and a few people died he has gone scot free. What I have done? When attack has taken place on me, no action is taken. I request that CBI enquiry should be ordered and those Police Officers be suspended. Then only truth will comeout. Madam, I request you that as the Speaker of this House you can ask the E.Tv people to produce their video cassette. You can direct the Police Department to get their video cassette. If these cassettes are secured I will erect a huge screen here and I will give a presentation - hitech presentation and let the whole House witness how brutally I was hit by 30 Police people and the number of injuries which I have received. I have also self-respect. I cannot sacrifice my self-esteem. I will also like to remind this Government that we are here to serve the people. I am even willing to sacrifice my life and I am even willing to sacrifice my family to serve the poorest of the poor which we cannot compromise. What is this? Do you think that by using bullets and lathis you achieve? This is nothing but sadistic behaviour. I request that my demands and whatever suggestions that I have putforward here let the Government of the day accept them. Let a clear message be sentout that no people can go scot free.

Madam, I thank you for giving me this opportunity.

Sri Asaduddin Owaisi:- Madam Speaker, I have carefully listened to that the Home Minister had said. He said that I was moving around with a mob of one hundred people and was coming from Madina. He said the procession was also coming in the same direction and there was a high chance of an alteration taking place. OK., I agree with that. But the point here is, the police have imposed Sec-144 at 3.30 p.m. but they have not arrested me upto 5.30 p.m. Why had they not arrested me then itself? Why are they trying to protect the police officials?

Madam Speaker:- It was not a lathi charge but a murderous attack on me and an attempt to annihilate me. But the Government is falling to understand this. Can they show me the exact figures as to how many people were injured in the lathi charge? No they cannot, because the lathi charge was done on a single person. Madam, at that time a video was used to record my movements even from Pattargatti. Now, that is in police custody. I request the Hon'ble Chief Minister through you to produce the same in the House.

Madam Speaker, my request is, this is the case how the Government can believe that justice can be done? This is how boldly they can abdicate their responsibility towards an attack which took place on an MLA. Madam Speaker, my demand to the Government is, let them first suspend the concerned officials. My next demand is, let a CBI enquiry be conducted Why the Government are hesitating to do this? The Officer who
was responsible for the lathi charge, Sri Damodar, Addl. DCP, Task Force, South Zone, proudly claims that he is from the Hon'ble Chief Minister's district. He is telling that he is a friend and a distant relative of the Hon'ble Chief Minister and nobody would touch him.

Madam Speaker:— What is your clarification?

Sri Asaduddin Owaisi:— Madam my clarification is the Hon'ble Chief Minister is not taking into consideration the views of opposition Members. This is the darkest day in the history of Andhra Pradesh. My submission is, let the Government institute a CBI enquiry. Madam, it is nothing but a murderous attack on me.
Sri Asaduddin Owaisi:- Madam Speaker, yes we have opposed TDP in the recently held elections. But I never told that we have supported other parties.

Sri N. Chandrababu Naidu:- We do not mind for it. It is ok. There is no problem....

(Interruptions from Sri Asaduddin Owaisi)

Sri N. Chandrababu Naidu:- We do not mind. There is no different in that. You have opposed us but we have won.

Sri Asaduddin Owaisi:- Yes Madam we have opposed TDP.

Sri N. Chandrababu Naidu:- Please hear me, You should have patience. We are not interested in your opposing. We are not interested in that.
Sri Asaduddin Owaisi:- we still support the secular party
We cannot support the communal combination. That is what I have said.

Madam Speaker:- Please resume your seat.

Sri Asaduddin Owaisi:- Why are you protecting them? You suspend the concerned police officials and order for C.B.I. enquiry. Let the whole world see as to how impartial you are...

(Interruptions)

Sri N. Chandrababu Naidu:- I am giving the full facts. Why are you provoking? You have already emphasised your point of view. You have to hear my reply also. You must have patience to hear me. Why are you protecting them? You have already emphasised your point of view. You have to hear my reply also. You must have patience to hear me. Why are you保护ing them? You have already emphasised your point of view. You have to hear my reply also. You must have patience to hear me.
Sri Asaduddin Owaisi:- Madam Speaker, I would like to have one clarification. Does the Chief Minister on his part
condemn the attack on a M.L.A.? If so, is he going to take action against those erring officials and order for a C.B.I. enquiry? The officer heading the S.I.T. (Special Investigation Team) is A.C.P., cadre which is equivalent to the cadre of officer who had perpetrated the assault. So, what sort of justice would I get if the investigation is done by S.I.T.?

The Telugu Desam Party is having alliance with B.J.P. So God only can help our secularism.
Sri Asaduddin Owaisi:- Why is this Government not ordering for C.B.I. enquiry? What is stopping this Government from suspending those erring officials? Is this the way to behave?

Sri Asaduddin Owaisi:- Let Pochaiah's case also be handed over to C.B.I., for investigation. We demand for C.B.I., enquiry and suspension of the erring police officials.

Madam Speaker:- (Addressing the Minister for Home) Do you want to say anything?
Madam Speaker:- Now, let us go to the next item in the agenda. I request the Minister for Panchayat Raj to move the Government Resolution.

(The Minister for Panchayat Raj moves the Government Resolution.)

Madam Speaker:- The Government is not agreeing for your demand.

(The Minister for Panchayat Raj responds.)

Madam Speaker:- We will take action and you leave the matter to us. We will be very firm, we will deal with it.

(The discussion continues.)
Sri Asaduddin Owaisi:— It is very serious matter. We did not have confidence in the S.I.T.

(Interruptions)

Sri N. Chandrababu Naidu:— You leave it to us, we will entrust the investigation to C.B.C.I.D. They will investigate the matter.

Madam Speaker:— What is your point of order?

Dr. M.V. Mysoora Reddy:— Under Rule 77 'Any member or a Minister who wishes to move a resolution shall give ten days notice of his intention and shall together with the notice submit the text of the resolution which he intends to move.' The Kaul and Shakdher also says that 'the resolution inter-
alia on the following subjects have been disallowed. The amendment to the Constitution is one such subject.
